Re: Consideration to Approve the Contract with HM Construction, Inc. for the Los Robles-Ronald McNair Academy Fencing Relocation Project

QUICK SUMMARY/ABSTRACT:

The RCSD Administration requested proposals from contractors for the installation of a new boundary fence between the Los Robles-McNair and Brentwood campuses. The District advertised for this project in the local newspaper twice and posted the RFI in local trade journals as well. There was also a mandatory job walk at the Los Robles-McNair campus for all prospective bidders, as well as a second walk the following day. All contractors had an opportunity to review the areas of work.

Four (4) bid proposals were received and evaluated by District Administration, Telacu Construction Management, and SVA Architects.

Based on the review and discussions of the proposals received, the recommendation is to award the contract to HM Construction, Inc., who was the lowest responsive bidder. Their bid was in the amount of \$131,790.00.

RATIONALE:

This is the next part of the continuing improvements to the Los Robles-McNair campus, which one of the goals is ensuring that our students have a safe environment. This project will achieve this by providing an expanded area for a science garden and future soccer pitches.

FINANCIAL IMPACT:

The total estimated cost of the supply and installation of the fence is \$131,790.00 which will be funded through Measure H & S bond funds.

RECOMMENDATION:

It is recommended that the Board of Trustees approve the contract with HM Construction, Inc.
