

Elk Grove Unified School District

Presentation of Annual Safety and Security Impact Report

Board Presentation

Joseph Airoso, Director, Safety & Security

October 14, 2020

Purpose

- Presentation of the Annual Safety and Security Impact Report to the Elk Grove Board of Education.
- Review and explain report structure and focus.

Review

- Completed a comprehensive review of our service delivery model.
 - New service delivery developed, approved by Board and implemented.
 - Board Policy & Administrative Regulation 5144.3 were developed with shareholder input, and required the following:
 - Implementation training to all district administrators, all Safety & Security team members, and all law enforcement partners.
 - Development of a comprehensive data collection system to track Safety & Security operations.
 - Preparation of, and presentation to the Board of an Annual Impact Report to the Board.
