Aaron Barron

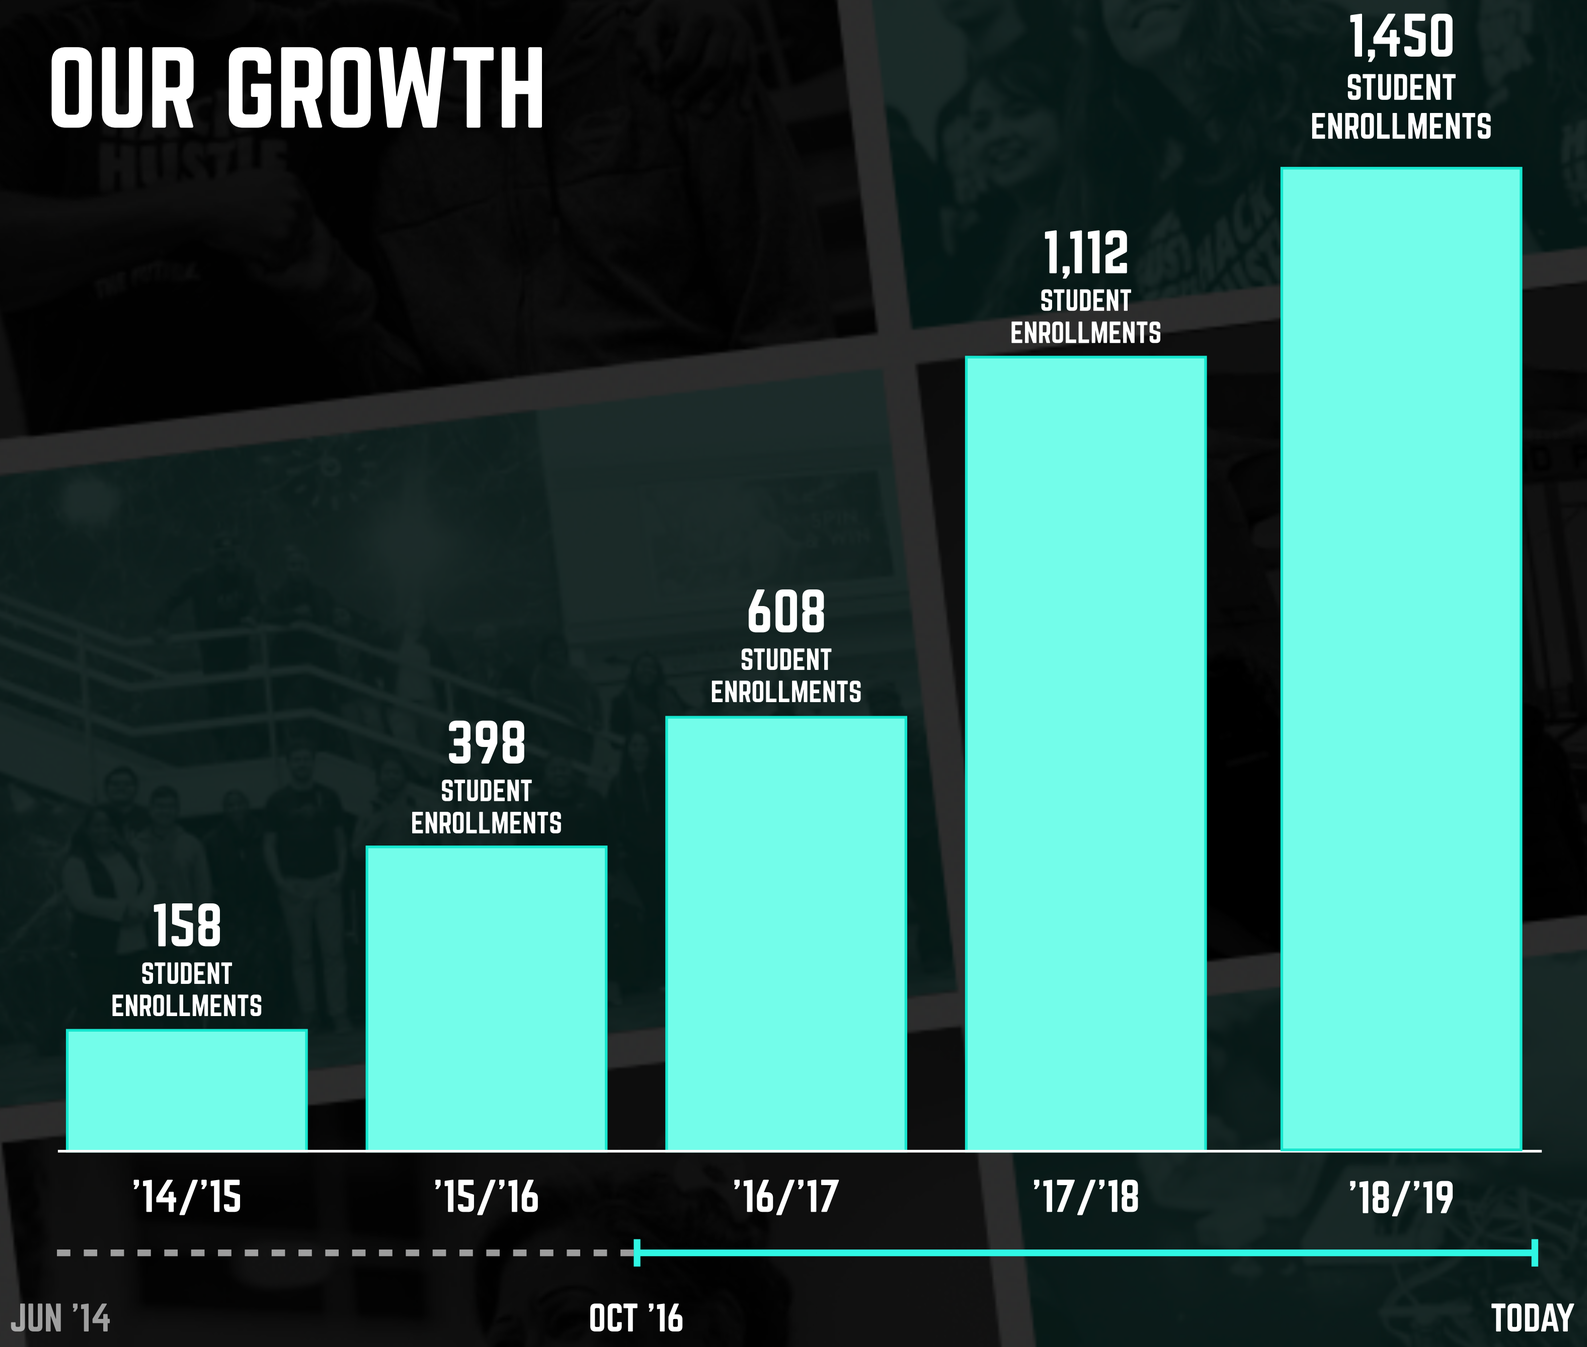
EMPOWER COMMUNITIES OF COLOR WITH MINDSETS, SKILLS, AND ACCESS TO PARTICIPATE IN THE INNOVATION ECONOMY.

OUR GROWTH

One of the fastest growing organizations

Since 2014, StreetCode has grown

10x.



OUR PROGRESS

4,500 STUDENTS

Since 2014, 4,500 students have enrolled in StreetCode courses, nearly 30% of the local community

40,000 HOURS

Over 40,000 hours of free technology classes have been offered in coding, entrepreneurship, and design

400 PROJECTS CREATED

Students have created apps, websites, robots, and products that have impacted lives

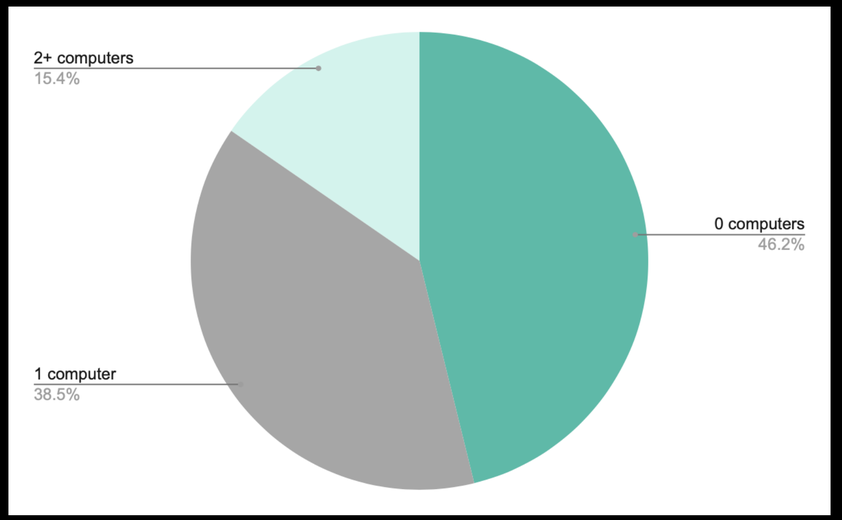
80% USE FOR ECONOMICS

Students use StreetCode to apply for jobs, secure additional education, or create their own business

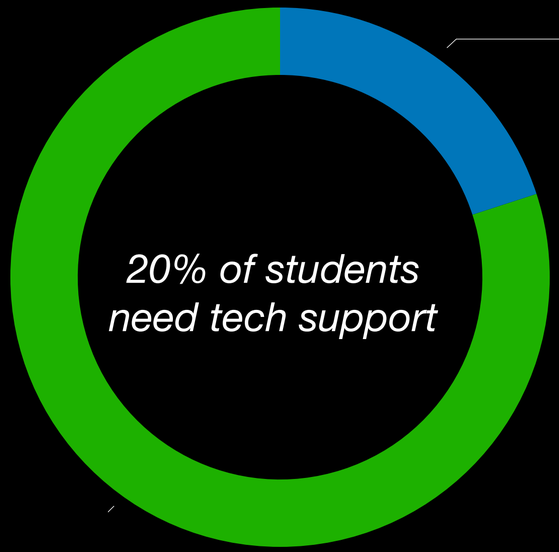
SINCE COVID WE'VE ADAPTED

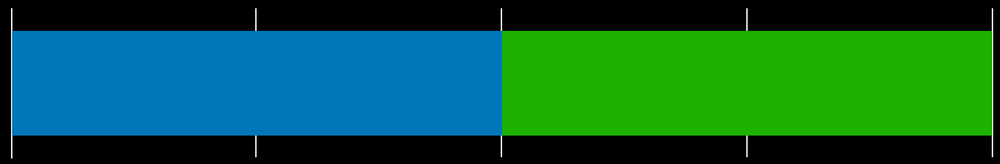
WE'VE SECURED OVER 500 COMPUTERS FOR COMMUNITY

AND PROVIDED 9,500 HOURS OF FREE ONLINE TECH EDUCATION



NOW THAT WE HAVE DEVICES WE NEED MORE TECH SUPPORT





50% of class time is spent addressing these tech support needs

WE AIM TO PROVIDE 1175 RAVENSWOOD STUDENTS & FAMILIES THE ZOOM SUPPORT AND TECH LITERACY THEY NEED TO SUCCEED.

ZOOM SUPPORT

Permanent link available to teachers & on our website for students to get immediate assistance. We will be using Zoom functionalities to address software issues.

BI-LINGUAL PHONE LINE

1. A Google Voice Number that people can call who are unable to get on Zoom.

Creating a script with common issues to train future volunteers & staff

TECH LITERACY EDUCATION

Create stronger ties to families with FAQ's and support documentation

Catalog ongoing issues through IT Ticket; report to Solomon end of week

Direct all hardware issues to Solomon's open hours
