# Historical Grades Report

The screenshot displays the 'Historical Grades Report' interface. At the top, there are two search filters: 'Student Last Name' and 'CounselorName', both with search icons. A blue circle with the text 'Click to Sort' points to the 'Course Title' column header. A white callout box is overlaid on the left side, showing a list of names (Johansen, [redacted], [redacted]) and a menu with options: 'Show as a table', 'Include', 'Exclude', and 'Drill through'. A blue circle points to the 'Student List - D/F Marks' link in the callout. The main table lists student records with columns: Grade, Student ID, First Name, Last Name, Counselor, Course Code, Course Title, School Year, Term, Mark, and Passing?. The table shows data for the 2020-2021 school year. At the bottom, there are two summary boxes: 'Total Unique Students 1.35K' and 'Total Marks 5.12K'. A 'FEEDBACK' button is visible on the right side.
