

Goals: 2020/2021

Sara Noguchi, Ed.D

GOAL ONE: Ensure an Instructional Model is developed and monitored to support continued academic learning for all our students in a Distance Learning Environment, Hybrid, Online, and/or Traditional model.

Evidence:

- Development of Delivery Structure: Distance Learning, Hybrid, Online Models
- Teacher and Staff Professional Development to Support Implementation
- Accountability Tracking for Students, Teachers and Administrators
- Pre- and Post-Assessment Data in English and Mathematics

GOAL TWO: Ensure workshops are developed for our parents regarding all Instructional Delivery models to provide parents with the support they need to continue student learning while not in a brick-and-mortar schooling model.

Evidence:

- Development of Tools to Support Parents
- Development of Webinars and YouTube Videos for Parents
- Track Participation of the Above
- Pre/Post Survey Results

GOALS THREE: Ensure Social Emotional supports are available for all students in all Instructional Delivery models.

Evidence:

- Pre/Post Survey Results

GOAL FOUR: Work towards ensuring Modesto City Schools remains fiscally solvent.

Evidence:

- Reconvene Budget Study Steering Committee
- Ensure Board, Staff, and Community Have the Opportunity to Provide Input into Budget Reductions
- Identify Strategies to Increase Revenue

GOAL FIVE: Further develop student outcome and data reporting systems, for the purpose of, building trust and transparency while offering individual, collective and public accountability.

Evidence:

- Real-time Data Dashboard to support monitoring Distance Learning, and academic achievement
