

COMPENSATION AGREEMENT PURSUANT TO
HEALTH AND SAFETY CODE SECTION 34180(f)

This Agreement, dated for reference purposes as of _____, ~~2020~~, 2021, is entered into by and among the City of San Mateo (“City”), San Mateo County, San Mateo-Foster City School District, San Mateo Union High School District, San Mateo County College District, San Mateo County Office of Education, Bay Area Air Quality Management District, Peninsula Health Care District, San Mateo Harbor District, and San Mateo County Mosquito & Vector Control District (“Taxing Entities”), on the basis of the following facts, understandings, and intentions of the Parties:

RECITALS

A. The City of San Mateo Redevelopment Agency (the “RDA”) was activated by the City Council of the City of San Mateo (the “City Council”) as a redevelopment agency under the California Community Redevelopment Law (Health and Safety Code Section 33000 et seq.).

B. Pursuant to the Redevelopment Dissolution Statutes, the Former RDA was dissolved as of February 1, 2012, and the Successor Agency became responsible for paying the enforceable obligations, disposing of the properties and other assets, and unwinding the affairs of the Former RDA.

C. Accordingly, ownership of the Former RDA's Properties that had been acquired to implement the Redevelopment Plan transferred to the Successor Agency for disposition in accordance with the Redevelopment Dissolution Statutes.

D. The Successor Agency received a "Finding of Completion" from the DOF on April 26, 2013 confirming that the Successor Agency had made specified required payments under the Redevelopment Dissolution Statutes and entitling the Successor Agency to prepare and submit a Long-Range Property Management Plan (the "LRPMP") to the Oversight Board and the DOF for approval.

E. The Successor Agency prepared and obtained Oversight Board approval of its LRPMP on December 17, 2014, calling for the properties at 480 East Fourth Avenue and 400 East Fifth Avenue (the “Properties”) which are currently used as surface parking lots containing 235 public parking spaces to be transferred by the Successor Agency to the City and retained for future development to implement projects identified in the Redevelopment Plan.

F. The LRPMP states that the City will enter into a compensation agreement with the affected taxing entities prior to the City’s disposition of the properties designated as properties transferred for future development and provide for any net proceeds of sale to be distributed as property taxes to the affected taxing entities and that the purchase price to be paid by the Developer for such properties under the any disposition agreement will be not less than the fair reuse value of the Properties with the covenants, conditions, and development costs authorized pursuant to a Disposition and Development Agreement as determined by formal action of the

City Council. Per the LRPMP, Oversight Board approval of the compensation agreement is not required.

G. On September 7, 2017, the City issued a Request for Proposal (the “RFP”) to select a developer for the purpose of constructing and operating housing on the 480 East 4th Avenue property and constructing a public parking garage to be operated by the City on the 400 East 5th Avenue to include replacement parking for the current surface lots and parking for the housing to be constructed on 480 East 4th Avenue. MidPen Housing, Inc. (the “Developer”) responded to the RFP and was selected as the developer of the Properties.

H. The City entered into a Disposition, Development, and Loan Agreement (the “DDLA”) with the Developer on August 19, 2020 to construct two hundred and twenty five (225) units of multi-family rental housing for low income households, ~~a portion~~ twenty-five (25) percent of which will have a preference for qualifying public agency employees, on 480 East 4th Avenue and a parking garage on 400 East 5th Avenue containing up to 696 parking spaces, including 164 spaces for exclusive use of the housing development, 235 replacement public parking spaces, and up to 297 additional public parking spaces for Downtown San Mateo (the “Development”). The City will retain ownership of 400 East 5th Avenue and will own and operate the parking garage. The Developer will have an easement over a portion of 480 East 5th Avenue for the 164 parking spaces designated for the exclusive use of the housing development.

I. The Development is consistent with the Redevelopment Plan and the proposed use of the Properties as outlined in the LRPMP.

J. The Developer's construction and operation of the development is not financially feasible without the City's financial assistance. The City will provide the Developer with loans totaling \$12.5 million (“City Loans”) to provide construction funding in consideration for the Developer's agreement to construct and operate the low-income housing, including \$5 million for the construction of the garage on the 400 East 5th Avenue property.

K. The City commissioned a Reuse Appraisal of the Properties in June 2020 in accordance with California Health and Safety Code Section 33433 to estimate the fair reuse value of the 480 East 4th Avenue property that is to be conveyed to the Developer as well as the City's total cost associated with the Development. The Reuse Appraisal concluded that the reuse value of the Properties is zero and that without the City’s financial contribution to the Development would have a significant funding gap and the reuse value would be negative. Additionally, the Reuse Appraisal concluded that the garage on the 400 East 5th Avenue property ~~would~~ is not anticipated to generate any excess revenue after payment of all operating costs.

L. The Parties desire to enter into this Agreement to comply with the terms of the LRPMP for the execution of an appropriate compensation agreement in accordance with Health and Safety Code Section 34180(f).

NOW, THEREFORE, the Parties agree as follows:

Under the provisions of the DDLA, the City will ground lease 480 East 4th Avenue to the Developer for one dollar per year for a term of 99-years for the construction of the low-income housing ("Ground Lease"). The timing of the disposition of 480 East 4th Avenue pursuant to the Ground Lease and the conveyance of the Easement over 400 East 5th Avenue under the DDLA is at the time that the Developer obtains its building permits for the Development.

(a) Disposition Proceeds. Under the terms of the DDLA, no net Disposition Proceeds are to be received by the City from the disposition of the Properties to the Developer, either in the form of lease payments or revenues generated by the Properties. Additionally, based on the Reuse Appraisal of the Properties completed June 2020, the reuse value of the Properties is zero. Consequently, there are no Disposition Proceeds to be distributed to the Taxing Entities that are subject to this agreement. The Taxing Entities agree that upon execution of the Ground Lease and the Easement in accordance with the DDLA, the Taxing Entities shall have no further interest or right to any revenues or proceeds from the Properties.

(b) Alternate Disposition Proceeds. If, for any reason, the Developer and City determine to increase the disposition price for the Properties to an amount greater than the stated disposition price, the City hereby agrees ~~to~~ that the Taxing Entities shall receive their pro rata share of the net proceeds, if any, resulting from the lease or sale of the property at the alternate disposition price in accordance with the applicable provisions of the Dissolution Law.

(c) Garage Net Operating Revenues. If, during the term of this Agreement, the parking garage generates net operating revenue, that revenue will be paid to the City to reimburse it for its \$5 million contribution toward construction of the parking garage. If, during the term of

this Agreement, net operating revenue generated by the parking garage exceeds \$5 million, it shall be distributed amongst the taxing entities on a pro rata basis based on the applicable share of the property taxes as shown in Exhibit B.

Section 4. Term of Agreement; Early Termination.

(a) Term. The term of this Agreement shall commence on the Effective Date ~~and, unless sooner terminated as otherwise provided in this Agreement, shall expire upon the execution of the Ground Lease by the City and the Developer in substantially the form attached as an Exhibit to the DDLA, provided that at the time of execution of the Ground Lease, the City distributes the net disposition proceeds to the County Auditor Controller, if any.~~ If at the end of the first 10-year operating period of the garage, the City has not received at least \$1 million toward reimbursement of its \$5 million garage contribution as provided for in Section 3(c), then this Agreement shall expire. If the City has received \$1 million or more in reimbursement during the first 10-year operating period as provided for in Section 3(c), then this Agreement will expire in 30 years from the date of the issuance of the certificate of occupancy of the parking garage. For the purposes of this Agreement, the “first 10-year operating period of the garage” shall commence on the date the City first offers paid parking in the garage to the public.
