## Removal of Suspension Record

According to AR 5144, a student with senior standing, with a record of one prior suspension, may submit a written request to the superintendent to remove from that student's official school file the record of that suspension, unless that student was suspended for any of the following acts:

- Possession of a firearm;
- Causing serious physical injury to another person, except in self-defense;
- Brandishing a knife;
- Possession of any knife, explosive, or other dangerous object of no reasonable use to the student at school or at a school activity off school grounds;
- Unlawful sale of any controlled substance;
- Robbery or extortion;
- Committing or attempting to commit a sexual assault; and,
- Assault or battery

If you are eligible to apply to expunge your suspension, any time after completion of your junior year, you may personally write a letter to the Superintendent.

Be sure to include:

- Your name

After the Superintendent has made a decision regarding your request, you will be notified by letter and email.

***Please remember that if you should have a suspension for any reason during your senior year, the expunged suspension will once again become part of your discipline record.*** As long as you have no further discipline records, once you have graduated, there will be no record of your suspension.
