RESOLUTION NO. 20/21-20

WHEREAS, Education Code Sections 44256, 44258.2, 44258.7, 44263 were adopted by the California Legislature as part of the licensing of Certificated Personnel, provides that governing boards of school districts may annually adopt resolutions authorizing the holders of Standard Teaching, Single Subject or Multiple Subject Credentials to teach courses other than those authorized by the subject areas designated on their credentials or to authorize holders of General Elementary or General Secondary Credentials to teach outside of their college major or minor subject areas; and

WHEREAS, many situations arise in which assignment to teach such courses is both necessary and desirable for the efficient operation of the junior and senior high schools;

NOW, THEREFORE, BE IT RESOLVED that for the 2020-21 school year the Superintendent of the Modesto City Elementary District and Modesto City High District shall be authorized to assign teachers in accordance with the procedures enumerated and to delegate such authority, as she deems appropriate to the Associate Superintendent, Human Resources.

A. Holders of Standard Teaching, Single Subject or Multiple Subject Credentials may be assigned to teach courses in Grade 7 through 12 other than those authorized by subject matters designated on their credential or holders of a General Elementary or Secondary Credential teaching outside of their college major or minor area, provided their services are required in other subject matter area because of the impracticality of scheduling them for a full program in the areas of their credential or college subject or no certified person is available who has the appropriate credential or college major; and

B. Holders of a teaching credential in a subject or subjects other than physical education may be authorized to coach one period per day in a competitive sport for which students receive physical education credit, provided that he or she is a full-time employee of the school district and has completed a minimum of 20 hours of first aid instruction appropriate for the specific sport.

C. Only teachers specifically listed in this resolution, including any teacher added to the list by any subsequent amendment to this resolution may be assigned in accordance with these procedures.
