TECHNICAL SPECIFICATIONS AND REQUIREMENTS:

As technology advances, it is understood that improved or enhanced equipment may supersede existing Equipment in both price and performance and yet be essentially similar. This request for bids seeks to address the rapid advances in technology by allowing functionally similar or identical products that may be introduced in the future, during the term of the awarded Agreement(s), to be included under the general umbrella of compatible product lines and are thus specifically included in these Bid Documents.

As new models are introduced in the future, this bid and the resulting Agreement(s) will allow purchases of those models. The price will be determined by the successful Bidder subtracting the same discount margin percentage to these models, as calculated on current models. Bidder may be required to produce list/price or manufacturer costs.

All sales of computer units must be from authorized dealers only, with proof provided by manufacturer.

The District may purchase (at its discretion) additional units throughout the life of the Agreement at the prices listed in successful Bidder's Bid Form Pricing Sheet, allowing only price increases reflecting original manufacturer's cost increases to the successful Bidder. Documentation may be required to prove price increase from the manufacturer to the successful Bidder.

Purchases by the Irvine Unified School District to the successful Bidder for awarded technology equipment and peripherals shall be in the form of a Purchase Order.

I understand and agree to all conditions listed above.

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
- I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
- I am a U.S. citizen or other U.S. person (defined below); and
- The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.
