Principal's Message:

I'd like to welcome you to Paso Robles Independent Study Center's (PRISC) Annual School Accountability Report Card. In accordance with Proposition 98, every school in California is required to issue an annual School Accountability Report Card that fulfills state and federal disclosure requirements. Parents will find valuable information about our academic achievement, professional staff, curricular programs, instructional materials, safety procedures, classroom environment, and condition of facilities.

PRISC homeschool provides a warm, supportive environment, where-in students and parents work in partnership with their Home School Resource Teacher, to ensure standards based grade-level readiness, social skills, enrichment opportunities, and the best possible learning experience unique to every family. Students receive a standards-based, challenging curriculum by dedicated professional staff and based on the individual needs of the students. Ongoing evaluation of student progress and achievement helps us refine the instructional program so students can achieve academic proficiency. We have made a commitment to provide the best educational program possible for PRISC students, and welcome any suggestions or questions you may have about the information contained in this report or about the school. Together, through our hard work, our students will be challenged to reach their maximum potential.

Mission Statement:

The mission statement of PRISC Homeschool of Paso Robles Joint Unified School District is to provide a safe and supportive learning environment for all our students and staff; to give instruction based on student need, state curriculum, state standards, and educational research; and, to encourage students to become productive members of their community.

Core Beliefs

We Believe:

- Students are our highest priority and are entitled to equal educational opportunities.
- Each student has his/her own unique learning style and capabilities.
- Families have the primary responsibility for developing their children's morals, values and preparing them for learning.
- A competent and dedicated staff is the primary resource for successfully educating students.
- A safe, nurturing environment is conducive to learning.
- Morale, satisfaction and performance are enhanced when all people work together.
- All human beings and family units have dignity, worth, and unique contributions.
- Our community has a right to expect our students to be literate and productive members of society.
- Successful education is a partnership and shared responsibility of students, educators, parents/guardians, and community.
- Public schools are the primary institution for promoting the understanding and the value of democratic ideals

School Profile

PRISC homeschool is located in the central region of Paso Robles and serves students in grades pre-kinder through eight following a traditional calendar. At the beginning of the 2020-21 school year, 181 students were enrolled, including 14.3% in special education, 7.1% qualifying for English Language Learner support, and 34.12% qualifying for free or reduced price lunch.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)

All textbooks used in the core curriculum at Independence High School are aligned to the California Common Core State Standards. Standards-based instructional materials are approved by the district's Board of Trustees. The district follows the State Board of Education's six-year adoption cycle for core content materials and the eight-year cycle for textbook adoptions in foreign language, visual and performing arts, and health. On Tuesday, October 11, 2016 the Paso Robles Joint Unified School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No. 17-07 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts, (3) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes, and (4) sufficient laboratory science equipment was available for science laboratory classes offered in grades 9-12 inclusive. In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2018-19 school year, Paso Robles Joint Unified School District provided each student, including English learners, enrolled in a visual/performing arts class with instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

School Facility Conditions and Planned Improvements (Most Recent Year)

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Independence High School's original facilities were built in 2010; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. In the last 12 months, the following improvements have been completed:

- Installation of gender neutral restroom signs.
- Replacement of water heater.
- Fire alarm electrical repair.

Every morning before school begins, the custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and one part-time evening custodian are assigned to Independence High School. The day custodian is responsible for:

- Classroom cleaning
- Office area cleaning
- Restroom cleaning
- General use area cleaning

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed. The evening custodian is responsible for:

- Restroom cleaning

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

ELA	44	N/A	48	N/A	50	N/A
Math	26	N/A	36	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Parents are encouraged to serve on School Site Council, the PRJUSD ELAC Committee, PIQUE classes, participate in enrichment opportunities and fieldtrips with other families, volunteer in small group classroom activities, and become involved with the renovation and maintenance of the PRISC garden and outdoor learning laboratory.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

Paso Robles Independent Study Center (PRISC) is a homeschool program sharing a common campus with other alternative education programs (Liberty Continuation High School and Independence High School). The three programs have a joint Safe School Plan to meet the needs of students and staff while on site; homeschool families come to the main campus (or see teachers on satellite campuses) on a weekly or bi-weekly basis. The main homeschool site follows the School Safety Plan for Liberty and Independence High Schools; the students and staff on satellite sites follow the School Safety Plans of the comprehensive elementary and middle schools that house them.

The Comprehensive School Site Safety Plan was developed for PRISC in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed, updated, and discussed with school staff by December 2019. Areas of focus include PBIS recognition, improving parent involvement, security cameras and parking lot safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	0.0	0.0	5.2	6.7	3.5	3.5
Expulsions	0.0	0.0	0.1	0.1	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.0	5.1	
Expulsions	0.0	0.1	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

D. Other SARC Information

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	6	6	4

All training and curriculum development activities at Independence High School revolve around the California Common Core State Standards. During the 2019-20 school year, Independence High School held staff development training devoted to:

- Anti-Bullying
- Crisis Prevention Institute (CPI)
- Depth of Knowledge (DOK)
- Google Apps for Education
- Project Based Learning
- Positive Behavior Interventions and Supports (PBIS)
- School Safety
- Universal Design for Learning

Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input, state assessment results, and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Independence High School supports ongoing professional growth throughout the year during weekly PLC days. Teachers meet in both grade level and department level teams to conduct data analysis to identify areas of need. Teaching staff are provided the opportunity to participate in district-sponsored staff development workshops or training session as 1) a supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow-up training for newly implemented programs/curricula. During the 2015-16 school year, Independence High School's teachers attended the following events hosted by the Paso Robles Joint Unified School District:

- California Mathematics and Science Partnership (CaMSP) (for STEM teachers)
- Direct Interactive Instruction (for new teachers)
- English Language Development (ELD)
- Gifted and Talented Education (GATE) K-12 Articulation (for GATE, Honors and AP teachers)
- Google Apps for Education (GAPE)
- Gradebook Training (for new teachers)
- Professional Learning Communities (PLC's)
- Universal Design for Learning (UDL) – Co Teaching

Independence High School offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. Substitute teachers are invited to participate in designated staff development activities. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
