~ TECHNOLOGY UPDATE ~

TEACHER TOOLKIT HYBRID WORKSTATION

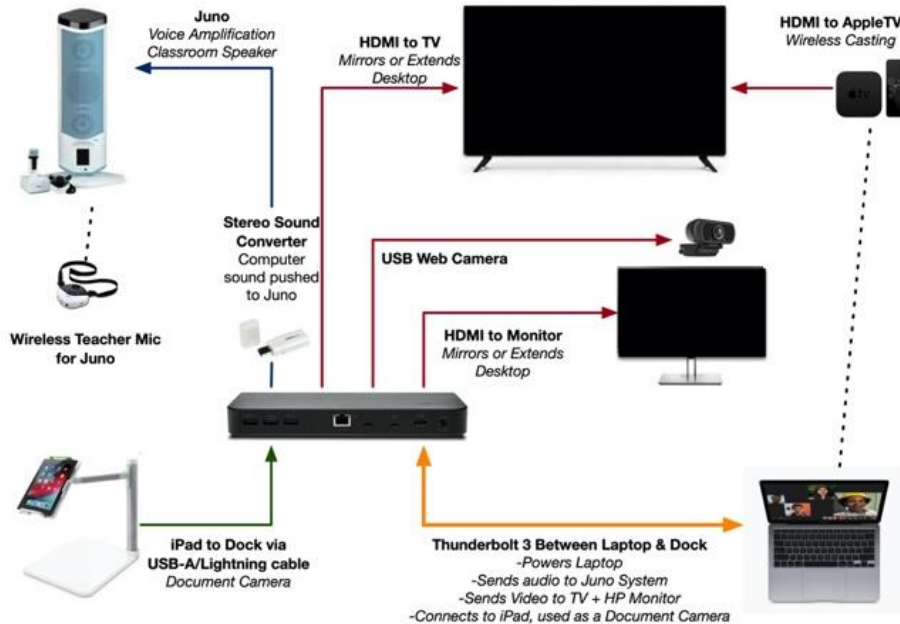

LGUSD Teacher Toolkit - Hybrid Workstation

TECHNOLOGY UPDATE

We have experienced a breakthrough with the consistency and reliability of the Teacher Toolkit Expansion

LGUSD Teacher Toolkit - Hybrid Workstation

Graphic created by Claudia Cruz
v1.5 2/9/2021

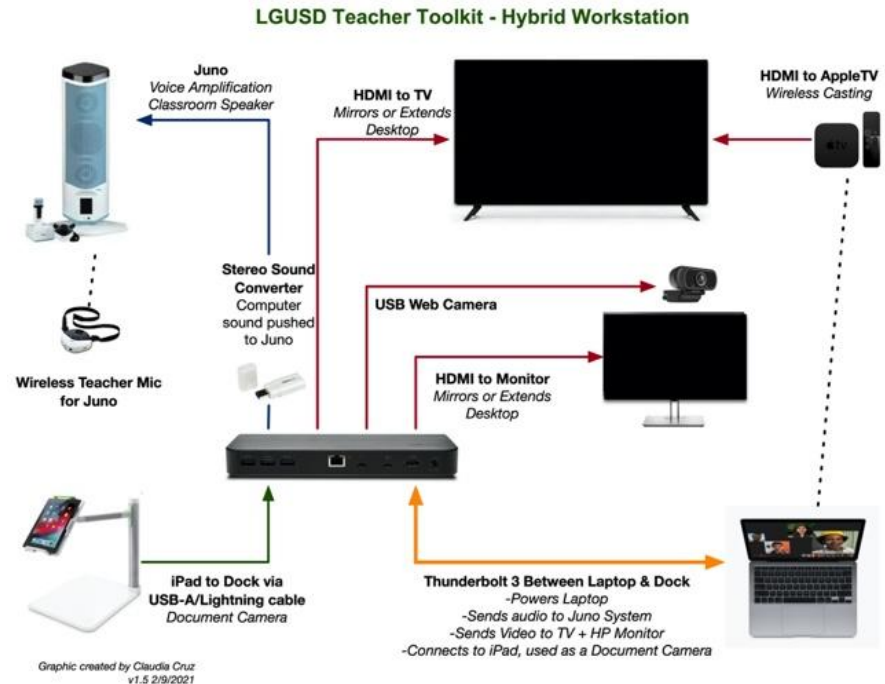

Kensington SD5300D Docking Station

TECHNOLOGY UPDATE

Intermittent issues in ~15% of classrooms

- Webcam and/or iPad become disconnected
- Various monitor issues including TV & HP displays losing connection
- Juno Speaker audio connection issues
- We reached out to Kensington tech support to troubleshoot on the phone for hours.
- Kensington acknowledges “Houston, we have a problem”!

TECHNOLOGY UPDATE

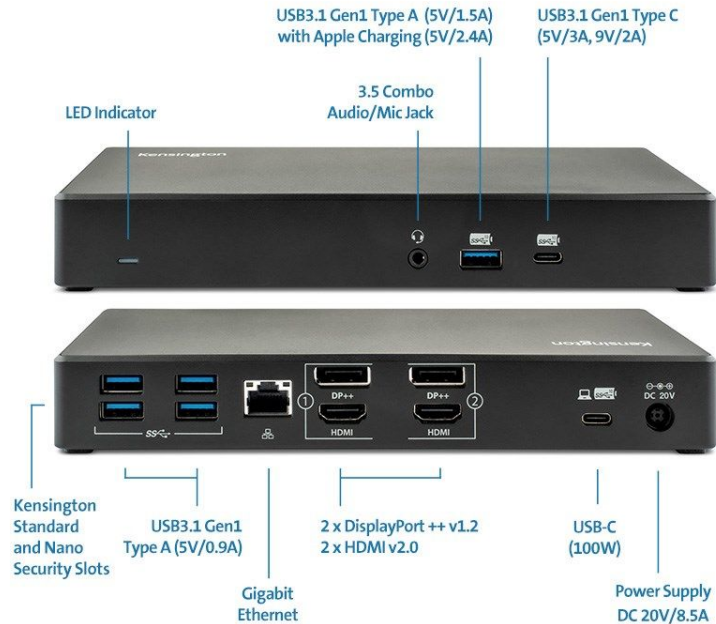

Kensington Developers visit and explore our design and investigate Docking Station

TECHNOLOGY UPDATE

Result: Replace the docking station with a different model

Kensington SD4780P Docking Station

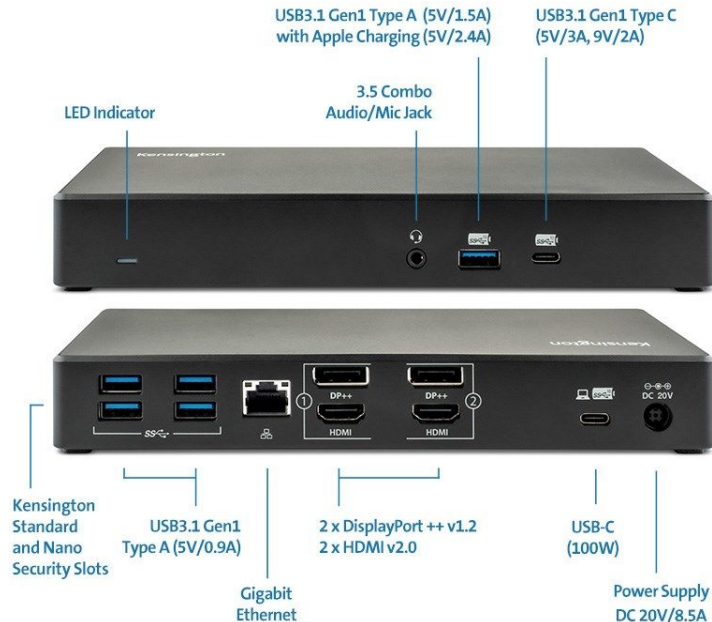

Kensington SD5300D Docking Station

TECHNOLOGY UPDATE

New docking station - Process and Challenges

Kensington SD4780P Docking Station

- Utilizes graphic app installed on Laptop
 - + Decreases load on processor
 - - Need to install and configure app on all laptops
- Migrate new Docking Station to classrooms ASAP
 - Priority to the 15% teachers
 - Have all workstations finalized mid-March
