

# LASD Initiatives in Development

Prepare students for high school and beyond by equipping them with the skills and mindsets aligned to the Portrait of a Learner (The 6Cs: Collaboration, Communication, Character, Creativity, Critical Thinking, and Citizenship).

Developing Initial planning and/or pilot work being done on a small scale	Solidifying Initial planning work complete and pilot work grows in scope	Practicing Work/program moves from pilot to full implementation
<ul style="list-style-type: none"><li>• LASD will develop a plan for the possibility of implementing a middle school model</li><li>• LASD will identify ways to measure growth of the 6 Cs skills and mindsets.</li><li>• Students will curate and creatively display work that communicates deep thinking</li><li>• LASD teachers will regularly provide opportunities for students to self-assess their learning as part of a balanced assessment philosophy</li><li>• Teacher cohorts will be trained in the best practices relating to teaching for depth and complexity with a focus on supporting high achievers</li><li>• LASD will develop a Pursuit of Biliteracy Award in 8th grade</li><li>• LASD K-8 computer science will develop artificial intelligence lessons</li><li>• LASD will develop a Reading Fellows program to serve students who need additional reading support</li><li>• LASD will develop a Math Fellows program to serve students who need additional foundational math support</li><li>• LASD will reimagine parent conferences with a focus on student goal setting and growth</li></ul>	<ul style="list-style-type: none"><li>• LASD will refine the K-8 computer science program through improving existing curriculum and courses</li><li>• LASD will develop an implementation plan for launching the Portrait of a Learner, including methods for explicit classroom instruction and community-wide communication around the 6Cs</li><li>• LASD will further district-wide STEM+ integration through the development and implementation of real-world integrated projects across all grade levels TK-8</li></ul>	<ul style="list-style-type: none"><li>• LASD will continue to implement the school to home plan for improved communication</li></ul>
