

CPAs & BUSINESS ADVISORS

This agreement made and entered into this 30th of July 2020, between the Governing Board of the La Cañada Unified School District, of Los Angeles County, State of California, hereafter referred to as "District" and Eide Bailly, LLP, Certified Public Accountants, hereafter referred to as "Auditors".

We understand the services we are to provide the District for the years ended June 30, 2021, June 30, 2022, and June 30, 2023, respectively.

**Annual Engagement Letter (updated annually)**

You have requested that we audit the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of La Cañada Unified School District as of July 1, 2020, and for the year then ended, and the related notes to the financial statements, which collectively comprise La Cañada Unified School District's basic financial statements. In addition, we will audit the entity's compliance over major federal award programs for the period ended June 30, 2021, 2022, and 2023, respectively. We are pleased to confirm our acceptance and our understanding of this audit engagement by means of this letter. Our audits will be conducted with the objectives of our expressing an opinion on each opinion unit and an opinion on compliance regarding the entity's major federal award programs.

Accounting principles generally accepted in the United States of America require that certain information be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to the required supplementary information (RSI) in accordance with auditing standards generally accepted in the United States of America. These limited procedures will consist primarily of inquiries of management regarding their methods of measurement and presentation and comparing the information for consistency with management's responses to our inquiries. We will not express an opinion or provide any form of assurance on the RSI. The following RSI is required by accounting principles generally accepted in the United States of America. This RSI will be subjected to certain limited procedures but will not be audited:

1. Management's Discussion and Analysis
2. Budgetary Comparison Schedules
3. Schedule of Other Postemployment Benefits (OPEB) Funding Progress
4. Schedule of Proportionate Share of Net Pension Liability and Related Ratios
5. Schedule of Contributions
6. Note to Required Supplementary Information

Supplementary information other than RSI will accompany La Cañada Unified School District's basic financial statements. We will subject the following supplementary information to the auditing procedures applied in our audit of the basic financial statements and certain additional procedures, including comparing and reconciling the supplementary information to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and additional procedures in accordance with auditing standards generally accepted in the United States of America. We intend to provide an opinion on the following supplementary information in relation to the financial statements as a whole:

1. Schedule of Expenditures of Federal Awards
2. Schedules required by the current *Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, issued by the Education Audit Appeals Panel

The following other information accompanying the financial statements will not be subjected to the auditing procedures applied in our audit of the financial statements, and our auditor's report will not provide an opinion or any assurance on that other information. Our responsibility for other information included in documents containing the District's audited financial statements and auditor's report does not extend beyond the financial information identified in the report. We have no responsibility for determining whether such other information contained in these documents is properly stated.

#### **Schedule of Expenditures of Federal Awards**

We will subject the schedule of expenditures of federal awards to the auditing procedures applied in our audit of the basic financial statements and certain additional procedures, including comparing and reconciling the schedule to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and additional procedures in accordance with auditing standards generally accepted in the United States of America. We intend to provide an opinion on whether the schedule of expenditures of federal awards is presented fairly in all material respects in relation to the financial statements as a whole. Also, the document we submit to you will include the following other additional information that will be subjected to the auditing procedures applied in our audit of the financial statements:

1. Combining Statements – Non-Major Governmental Funds

#### **Data Collection Form**

Prior to the completion of our engagement, we will complete the sections of the Data Collection Form that are our responsibility. The form will summarize our audit findings, amounts and conclusions. It is management's responsibility to submit a reporting package including financial statements, schedule of expenditure of federal awards, summary schedule of prior audit findings and corrective action plan along with the Data Collection Form to the federal audit clearinghouse. The financial reporting package must be text searchable, unencrypted, and unlocked. Otherwise, the reporting package will not be accepted by the federal audit clearinghouse. We will assist you in the electronic submission and certification. You may request from us copies of our report for you to include with the reporting package submitted to pass-through entities.

The Data Collection Form is required to be submitted within the *earlier* of 30 days after receipt of our auditors' reports or nine months after the end of the audit period, unless specifically waived by a federal cognizant or oversight agency for audits. Data Collection Forms submitted untimely are one of the factors in assessing programs at a higher risk.

## Audit of the Financial Statements

We will conduct our audit in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS), the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States of America; the audit requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and, if applicable, in accordance with any state or regulatory audit requirements. Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether the basic financial statements are free from material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error, fraudulent financial reporting, misappropriation of assets, or violations of laws, governmental regulations, grant agreements, or contractual agreements.

An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. If appropriate, our procedures will therefore include tests of documentary evidence that support the transactions recorded in the accounts, tests of the physical existence of inventories, and direct confirmation of cash, investments, and certain other assets and liabilities by correspondence with creditors and financial institutions. As part of our audit process, we will request written representations from your attorneys, and they may bill you for responding. At the conclusion of our audit, we will also request certain written representations from you about the financial statements and related matters.

Because of the inherent limitations of an audit, together with the inherent limitations of internal control, an unavoidable risk that some material misstatements or noncompliance (whether caused by errors, fraudulent financial reporting, misappropriation of assets, detected abuse, or violations of laws or governmental regulations) may not be detected exists, even though the audit is properly planned and performed in accordance with U.S. GAAS and *Government Auditing Standards* of the Comptroller General of the United States of America and/or state or regulatory audit requirements. Please note that the determination of abuse is subjective, and *Government Auditing Standards* does not require auditors to detect abuse.

In making our risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. However, we will communicate to you in writing concerning any significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements that we have identified during the audit. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any other periods.

We will issue a written report upon completion of our audit of La Cañada Unified School District's basic financial statements. Our report will be addressed to the governing body of La Cañada Unified School District. We cannot provide assurance that any unmodified opinions will be expressed. Circumstances may arise in which it is necessary for us to modify our opinions, add an emphasis-of-matter or other-matter paragraph(s), or withdraw from the engagement.

In accordance with the requirements of *Government Auditing Standards*, we will also issue a written report describing the scope of our testing over internal control over financial reporting and over compliance with laws, regulations, and provisions of grants and contracts, including the results of that testing. However, providing an opinion on internal control and compliance over financial reporting will not be an objective of the audit and, therefore, no such opinion will be expressed.

#### **Annual Report – Form and Content, Delivery**

The form and content of the annual audit shall be in conformity, to the extent practicable, with such form and content as may be prescribed by the State of California under Section 41020 of the Education Code, including the required compliance audit provisions of the Uniform Guidance, Audits of State of Local Governments, issued by the U.S. Office of Management and Budget, as issued pursuant to the Single Audit Act Amendments of 1996 and Title 2 U.S. CFR Part 200, Uniform Administrative Requirements, Costs Principles, and Audit Requirements for Federal Awards (Uniform Guidance).

The audit shall be completed and the audit report shall be delivered in accordance with time requirements as specified in the current Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting, issued by Educational Audit Appeals Panel, unless delayed by circumstances beyond the control of the Auditors. Fifteen (15) bound copies of the audit report may be rendered to the District, in addition to the copies required to be filed with the applicable governmental units. Copies in excess of the contract amount may be billed for an additional fee.

#### **Audit of Major Program Compliance**

Our audit of La Cañada Unified School District's major federal award program(s) compliance will be conducted in accordance with the requirements of the Single Audit Act, as amended; and the Uniform Guidance and will include tests of accounting records, a determination of major programs in accordance with the Uniform Guidance, and other procedures we consider necessary to enable us to express such an opinion on major federal award program compliance and to render the required reports. We cannot provide assurance that an unmodified opinion on compliance will be expressed. Circumstances may arise in which it is necessary for us to modify our opinion or withdraw from the engagement.

The Uniform Guidance requires that we also plan and perform the audit to obtain reasonable assurance about whether the entity has complied with applicable laws and regulations and the provisions of contracts and grant agreements applicable to major federal award programs. Our procedures will consist of determining major federal programs and performing the applicable procedures described in the U.S. Office of Management and Budget *OMB Compliance Supplement* for the types of compliance requirements that could have a direct and material effect on each of the entity's major programs. The purpose of those procedures will be to express an opinion on the entity's compliance with requirements applicable to each of its major programs in our report on compliance issued pursuant to the Uniform Guidance.

Also, as required by the Uniform Guidance, we will perform tests of controls to evaluate the effectiveness of the design and operation of controls that we consider relevant to preventing or detecting material noncompliance with compliance requirements applicable to each of the entity's major federal award programs. However, our tests will be less in scope than would be necessary to render an opinion on these controls and, accordingly, no opinion will be expressed in our report.

We will issue a report on compliance that will include an opinion or disclaimer of opinion regarding the entity's major federal award programs, and a report on internal controls over compliance that will report any significant deficiencies and material weaknesses identified; however, such report will not express an opinion on internal control.

### **Other Services**

We will also prepare the financial statements of La Cañada Unified School District in conformity with U.S. generally accepted accounting principles, schedule of expenditures of federal awards, and related notes of the Organization in conformity with U.S. generally accepted accounting principles and Uniform Guidance based on information provided by you. These nonaudit services do not constitute an audit under *Government Auditing Standards* and such services will not be conducted in accordance with *Government Auditing Standards*.

### **Management Responsibilities**

We will notify you immediately of any circumstances we encounter that could significantly affect this initial fee estimate. Whenever possible, we will attempt to use La Cañada Unified School District's personnel to assist in the preparation of schedules and analyses of accounts. Further, we will be available during the year to consult with you on financial management and accounting matters of a routine nature.

In addition, we will be compensated for any time and expenses, including time and expenses of legal counsel, we may incur in conducting or responding to discovery requests or participating as a witness or otherwise in any legal, regulatory, or other proceedings as a result of our Firm's performance of these services. You and your attorney will receive, if lawful, a copy of every subpoena we are asked to respond to on your behalf and will have the ability to control the extent of the discovery process to control the costs you may incur.

Should our relationship terminate before our audit procedures are completed and a report issued, you will be billed for services to the date of termination. All bills are payable upon receipt.

Mark Evans  
Associate Superintendent of Business Administration Services  
La Cañada Unified School District  
4490 Cornishon Avenue  
Flintridge, CA 91011

We are pleased to confirm our understanding of the services we are to provide the La Cañada Unified School District (the District). We will perform the required annual financial audit of the proceeds from the sale of the general obligation bonds (Proposition 39) and the required performance audit to ensure that the funds have been expended only on the specific projects listed for the years ending June 30, 2021, June 30, 2022, and June 30, 2023, respectively, in accordance with the compliance requirements of Section 1 of Article XIII A of the California Constitution.

#### **Financial Audit**

We will audit the financial statements of the Bond Fund (Measure LCF) of the District for the period June 30, 2021, June 30, 2022, and June 30, 2023, respectively. The financial statements will present only the Bond Fund (Measure LCF) on the modified accrual basis of accounting and will not purport to and will not be intended to present fairly the financial position and results of operations of the District in conformity with accounting principles generally accepted in the United States of America.

#### **Audit Objectives**

The objective of our audit is the expression of opinions as to whether the Bond Fund (Measure LCF) financial statements are fairly presented, in all material respects, in conformity with accounting principles generally accepted in the United States of America (US GAAP). Our audit will be conducted in accordance with auditing standards generally accepted in the United States of America and the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and will include tests of the accounting records of the District and other procedures we consider necessary to enable us to express such opinions. If our opinions on the financial statements are other than unmodified, we will fully discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed opinions, we may decline to express opinions or to issue a report as a result of this engagement.

We will also provide a report (that does not include an opinion) on internal control related to the financial statements and compliance with laws, regulations, and the provisions of contracts or grant agreements, noncompliance with which could have a material effect on the financial statements as required by *Government Auditing Standards*. The report on internal control and compliance will include a statement that the report is intended solely for the information and use of management, the body charged with governance, others within the District, and specific legislative or regulatory bodies and is not intended to be and should not be used by anyone other than these specified parties. If, during our audit, we become aware that the District is subject to an audit requirement that is not encompassed in the terms of this engagement, we will communicate to management and those charged with governance that an audit in accordance with U.S. generally accepted auditing standards and the standards for financial audits contained in *Government Auditing Standards* may not satisfy the relevant legal, regulatory, or contractual requirements.

### **Management Responsibilities**

Management is responsible for the Bond Fund (Measure LCF) financial statements and all accompanying information, as well as all representations contained therein. As part of the audit, we will assist with the preparation of your financial statements and related notes. You are responsible for making all management decisions and performing all management functions relating to the financial statements and related notes and for accepting full responsibility for such decisions. You will be required to acknowledge in the management representation letter our assistance with the preparation of the financial statements and that you have reviewed and approved the financial statements and related notes prior to their issuance and have accepted responsibility for them. Further, you are required to designate an individual with suitable skill, knowledge, or experience to oversee any nonaudit services we provide and for evaluating the adequacy and results of those services and accepting responsibility for them.

Management is responsible for establishing and maintaining effective internal controls, including monitoring ongoing activities, to help ensure that appropriate goals and objectives are met; for the selection and application of accounting principles; and for the fair presentation in the financial statements of the District, in conformity with U.S. GAAP.

Management is also responsible for making all financial records and related information available to us and for ensuring that management and financial information is reliable and properly recorded. Your responsibilities include adjusting the financial statements to correct material misstatements and for confirming to us in the representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the District involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud or illegal acts could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the District received in communications from employees, former employees, grantors, regulators, or others. In addition, you are responsible for identifying and ensuring that the District complies with applicable laws, regulations, contracts, agreements, and grants and for taking timely and appropriate steps to remedy any fraud, illegal acts, violations of contracts or grant agreements, or abuse that we may report.

Management is responsible for establishing and maintaining a process for tracking the status of audit findings and recommendations. Management is also responsible for identifying for us previous financial audits, attestation engagements, performance audits, or other studies related to the objectives discussed in the Audit Objectives section of this letter. This responsibility includes relaying to us corrective actions taken to address significant findings and recommendations resulting from those audits, attestation engagements, performance audits, or other studies. You are also responsible for providing management's views on our current findings, conclusions, and recommendations, as well as your planned corrective actions for the report, and for the timing and format for providing that information.

### **Audit Procedures – General**

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit will involve judgment about the number of transactions to be examined and the areas to be tested. We will plan and perform the audit to obtain reasonable rather than absolute assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the District or to acts by management or employees acting on behalf of the District. Because the determination of abuse is subjective, *Government Auditing Standards* do not expect auditors to provide reasonable assurance of detecting abuse.

Because an audit is designed to provide reasonable, but not absolute assurance and because we will not perform a detailed examination of all transactions, there is a risk that material misstatements may exist and not be detected by us. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements. However, we will inform you of any material errors and any fraudulent financial reporting or misappropriation of assets that come to our attention. We will also inform you of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential. Our responsibility as auditors is limited to the period covered by our audit and does not extend to later periods for which we are not engaged as auditors.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts and may include tests of the physical existence of inventories, and direct confirmation of receivables and certain other assets and liabilities by correspondence with selected individuals, funding sources, creditors, and financial institutions. We will request written representations from your attorneys as part of the engagement, and they may bill you for responding to this inquiry. At the conclusion of our audit, we will require certain written representations from you about the financial statements and related matters.

### **Audit Procedures - Internal Controls**

Our audit will include obtaining an understanding of the Bond Fund (Measure LCF) and its environment, including internal control, sufficient to assess the risks of material misstatement of the financial statements and to design the nature, timing, and extent of further audit procedures. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to *Government Auditing Standards*.

An audit is not designed to provide assurance on internal control or to identify significant deficiencies. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under AICPA professional standards and *Government Auditing Standards*.

### **Audit Procedures – Compliance**

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of the District's compliance with the provisions of applicable laws, regulations, contracts, agreements, and grants. However, the objective of our audit will not be to provide an opinion on overall compliance, and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

### **Performance Audit**

The purpose of the Performance Audit is to meet the Proposition 39 requirement for the Bond proceeds to ensure compliance with Section 1 of Article XIII A of the California Constitution. This includes that the Proposition 39 Bond proceeds are expended only on the specific projects listed in the bond language approved by the voters, and no Bond proceeds are being spent on administrative salaries or any other expenses that would otherwise be the obligation of the District's General Fund. The Performance Audit will be conducted in accordance with Generally Accepted Government Auditing Standards.

Management of La Cañada Unified School District is responsible for establishing and maintaining effective internal control over compliance to meet the Proposition 39 requirement for the Bond proceeds to ensure compliance with Section 1 of Article XIII A of the California Constitution.

Generally Accepted Government Auditing Standards requires that we obtain an understanding of those internal controls that are significant to our audit objectives. Our consideration of internal controls is limited to those controls considered significant to meet the objectives of this performance audit. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to *Government Auditing Standards*. A performance audit is not designed to provide assurance on internal control or to identify significant deficiencies. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under *Government Auditing Standards*.

Our procedures for the Performance Audit for the period ending June 30, 2021, June 30, 2022, and June 30, 2023, respectively, will be as follows:

- Audit the receipt of proceeds of the General Obligation Bonds and ensure the full proceeds have been segregated and deposited in the Bond fund as required by Proposition 39.
- Determine District procedures for disbursement of funds related to the voter approved general obligation bonds were applied in accordance with laws and regulations, as well as policies approved by the Board of Trustees. This will be accomplished through the inspection of specified documents evidencing certain types of transactions and detailed attributes thereof. Included, but not limited to, the specific documents related to bid procedures for contracts and services, invoices for services rendered, and other appropriate documents deemed necessary to provide a basis for the results of our objective. We will visually inspect projects in process, as well as completed projects during the year to verify the State progress toward completion.
- Review compliance with administrative provision of Article XIII A of the California Constitution, including the formation of, and meetings with, the Citizen's Bond Oversight Committee.
- Review the detailed accounting of expenditures to determine if proceeds are being spent on administrative salaries or any other expense that would otherwise be the obligation of the District's General Fund.
- From a sample of construction expenditures from the detailed accounting of expenditures, review expenditures to determine if proceeds expended are for specific projects as listed in the voter approved bond language. Expenditures from all projects will be included in the sample.
- We will examine bid documents and procedures, as well as project change orders to ensure compliance with District policies, public law provisions, and other related statutes.
- We will review minutes of the Citizen's Bond Oversight Committee for compliance with the committee's stated purpose.
- We will meet with the Citizen's Bond Oversight Committee and the District Board of Trustees to report the results of our procedures.
- A performance audit report will be issued to the Bond Oversight Committee and the District Board of Trustees.

With respect to any nonattest services we perform, we agree to perform the following:

- Prepare or assist with preparing financial statements in conformity with U.S. generally accepted accounting principles based on information provided by you.

La Cañada Unified School District's management is responsible for (a) making all management decisions and performing all management functions; (b) assigning a competent individual to oversee the services; (c) evaluating the adequacy of the services performed; (d) evaluating and accepting responsibility for the results of the services performed; and (e) establishing and maintaining internal controls, including monitoring ongoing activities.

With regard to the supplementary information referred to above, you acknowledge and understand your responsibility: (a) for the preparation of the supplementary information in accordance with the applicable criteria; (b) to provide us with the appropriate written representations regarding supplementary information; (c) to include our report on the supplementary information in any document that contains the supplementary information and that indicates that we have reported on such supplementary information; and (d) to present the supplementary information with the audited financial statements, or if the supplementary information will not be presented with the audited financial statements, to make the audited financial statements readily available to the intended users of the supplementary information no later than the date of issuance by you of the supplementary information and our report thereon.

As part of our audit process, we will request from management and, when appropriate, those charged with governance, written confirmation concerning representations made to us in connection with the audit.

### **Reporting**

We will issue a written report upon completion of our audit of La Cañada Unified School District's (Measure LCF) financial statements. Our report will be addressed to the board of directors of La Cañada Unified School District. We cannot provide assurance that an unmodified opinion will be expressed. Whenever possible, we will attempt to use La Cañada Unified School District's personnel to assist in the preparation of schedules and analyses of accounts. In addition, we will be compensated for any time and expenses, including time and expenses of legal counsel, we may incur in conducting or responding to discovery requests or participating as a witness or otherwise in any legal, regulatory, or other proceedings as a result of our Firm's performance of these services. You and your attorney will receive, if lawful, a copy of every subpoena we are asked to respond to on your behalf and will have the ability to control the extent of the discovery process to control the costs you may incur.

The mediator will be selected by mutual agreement, but if we cannot agree on a mediator, one shall be designated by the American Arbitration Association ("AAA").

The nature of our services makes it difficult, with the passage of time, to gather and present evidence that fully and fairly establishes the facts underlying any Dispute. We both agree that, notwithstanding any statute of limitations that might otherwise apply to a Dispute, it is reasonable that you may not bring any legal proceeding against us unless it is commenced within twenty-four (24) months ("Limitation Period") after the date when we deliver our report, return or other deliverable under this agreement to you, regardless of whether we do other services for you or that may relate to the audit.

The Limitation Period applies and begins to run even if you have not suffered any damage or loss, or have not become aware of the existence or possible existence of a Dispute.

You agree that none of Eide Bailly LLP, its partners, affiliates, officers or employees (collectively "Eide Bailly") shall be responsible for or liable to you for any misstatements in your financial statements that we may fail to detect as a result of knowing representations made to us, or the concealment or intentional withholding of information from us, by any of your owners, directors, officers or employees, whether or not they acted in doing so in your interests or for your benefit, and to hold Eide Bailly harmless from any claims, losses, settlements, judgments, awards, damages and attorneys' fees from any such misstatement, provided that the services performed hereunder were performed in accordance with professional standards, in all material respects.
