5. STATEMENTS

5.1. Public Statements related to agenda item(s). Please limit statements to three minutes.

Randi Paynter stated that the selection of a new Superintendent is an important undertaking and added that she would have liked to have seen additional information about the applicants other than what was included in their applications. She talked about the qualifications about each firm, noting that one candidate seems well qualified. She said that she trusts the Trustees will make a good decision.

Marcella McCollum wanted to make sure that the firm that is hired provides details on how they will go about community engagement. She also wanted to know what systems they will have in place to ensure the candidates are a good fit for our unique District, one that will build on the work of Dr. Rosas and will continue to focus on the District's vision. She hopes that the Board would have the same focus for the search of a new Superintendent.

6. SUPERINTENDENT SERVICES/BOARD

6.1. Review of Proposals for the Superintendent Search and Determination of Next Steps (v)

The Board held a Special Board meeting to continue with the Superintendent search process. They met to review proposals from three companies: Hazard, Young, Attea & Associates; Leadership Associates; and McPherson & Jacobson. They discussed the interview process and interview questions, as well as next steps.

The Board agreed to conduct a Special Board meeting on February 22 at 1:00 pm for the Board to interview the three firms. They decided to take 30 minutes to review the list of questions prior to the interviews and to allow 1 hour for each interview.
