Contract Administration Fees:

*Multiple Award Schedule contracts fees and Industrial Funding Fee (IFF) payments is a critical component of contract compliance and contract maintenance. Government agencies prefer to procure through the MAS programs such as CMAS, GSA, PPEPM and others incur the IFF because of the resulting benefits, particularly compared to the cost of the customer staff time needed to award a new procurement. The Industrial Funding Fee is a fee to cover the cost of operating the Federal Supply Schedules (FSS) or other programs. This fee is a fixed percentage of reported sales the Schedule contracts that is paid quarterly by contractors. Each MSA Program fee varies depending on the IFF scheduled published by the authoritative entity.
