

2021-2022 INITIAL PROPOSALS
FROM
ELK GROVE UNIFIED SCHOOL DISTRICT
TO
AMERICAN FEDERATION OF STATE, COUNTY, AND MUNICIPAL
EMPLOYEES, LOCAL 258

The District has an interest in continuing to use the Interest Based Bargaining model for collective bargaining.

The District has an interest in addressing any impacts on working conditions for American Federation of State, County, and Municipal Employees, Local 258 (AFSCME) unit members associated with the full return to full in-person instruction for the 2021-2022 school year.

The Local Control Funding Formula (LCFF) and Local Control Accountability Plan (LCAP) and its implementation continue to implicate the interests and principles that are addressed in this initial proposal. This includes the District's continued interest in establishing budget priorities that are consistent with LCFF requirements, LCAP regulations, the District's local priorities, and the District's mission to ensure student achievement. This initial proposal is also based upon the need to update certain provisions of the collective bargaining agreement to be current with California law and other legal mandates.

The District has an interest in meeting the statutory requirements of a fiscally solvent multi-year budget based upon the following:

- The budget will maintain a positive certification;
- Negotiated Agreements will address total compensation, including:
 - Annual step and column raises,
 - Cost of STRS and CalPERS employer contribution increases,
 - Annual District payments to the independent employee retirement trust (EGBERT), and
 - Annual Employer cost of 80% to 85% of medical premium costs, and Dental, Vision, and Life Insurance premiums;
- The budget will fund the rising cost of operations (fuel, utilities, textbooks, supplies and materials, instructional and business operations, technology); and
- Alignment with LCFF State requirements, LCAP regulations, and local priorities.

The District also has an interest in negotiating the following topics:
