SUBJECT: Proposal from Stem Center USA to SCUSD for High School Migrant Education Summer Program

ADMINISTRATIVE SUMMARY:

Attached is the proposal for services for Summer 2021 between Santa Clara Unified School District and STEM Center USA. This proposal allows STEM Center USA to provide a summer STEM program to high school students involved in the district's Migrant Education program. STEM Center USA inspires the next generation of STEM leaders by developing a passion for STEM careers at a young age and maintaining interest throughout middle and high school. This program fulfills Migrant Education English Language Arts and Math requirements.

RECOMMENDATION:

It is recommended the Board of Trustees approve the 2020-2021 Proposal from Stem Center USA in the amount of no more than \$6,860 during the period of July 27-Aug 5, 2021 to be paid by Migrant Education Program funds.

FINANCIAL IMPACT:

This item will be included in the approved 2021-2022 Migrant Education Program budget.
