A person with long brown hair, wearing a light-colored t-shirt, blue jeans, and dark sneakers, is sitting on a brick wall. They are leaning their head against their arms, which are resting on their knees. A black and grey backpack with a teal accent is sitting on the ground next to them. The background is a brick wall and the ground is made of reddish-brown tiles.

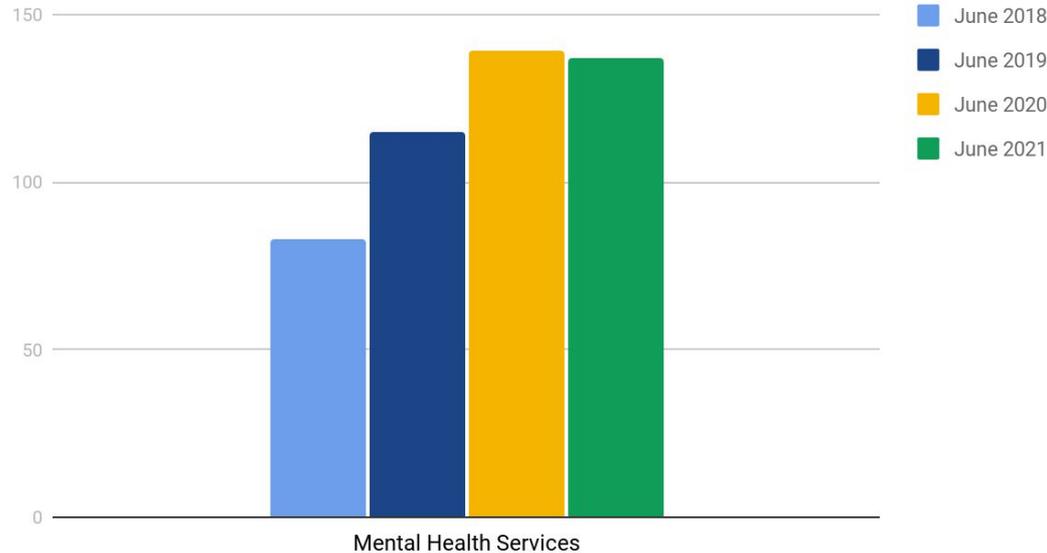

Mental Health Services

Professional Development

Goals for 2020-2021 School Year

“Ongoing development and implementation of processes and procedures to ensure compliance”

Student Services Professional Development

- Professional development during 2020-21 school year focused on report writing and new academic test instruments that included robust reading test batteries.
- 27 Teachers completed Unique Curriculum Certification in January 2021
- 18 Additional teachers and paraeducators were training in multisensory reading instruction in September 2020

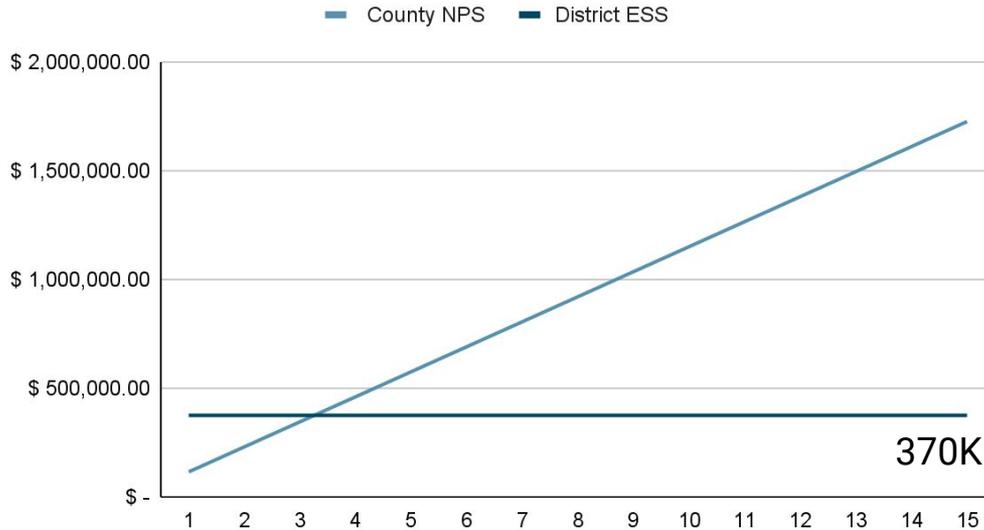

Expanding District Therapeutic Placement Options

Goals for 2020-2021 School Year

“Build internal support by implementing best practices”

District ESS Program

Cost for Placement in NPS vs District Specialized Program

Average Cost of Non-Public School Placement per year is 115,000 per school year.

- 20-21 7 Students returned to district and were placed in ESS program
- Throughout the 20-21 school year 8 additional students were placed in ESS program

Our goal is to expand ESS program in the middle school setting.

District ESS Program

2020-21 Program Highlights

- Bi monthly planning meeting with district administration
- Weekly staffings
- Family counseling
- Wrap around support
- Coordination with school site staff and administration
- In-person counseling services offered during school closures and home visits
- Students benefiting from being supported on a district site and on a comprehensive campus
