

SMHS NYC Trip 2019

Tuesday, February 12th - Sunday, February 17th
General Information

Both groups will meet at San Francisco International Airport. Group A will meet at the **Domestic Terminal 3 (United) at 8:00pm**. Group B will meet at the **International Terminal at 9:00pm (JetBlue)**

You **MUST** have a photo ID. If you are under 18, you can use your SMHS Photo ID.
Everyone else use a driver's license, passport or California ID

Recommended Packing List:

- We will be doing a LOT of walking on this trip! (We will travel almost everywhere by foot or subway.) Most importantly, bring comfortable shoes!
- It will be COLD!!! Bring enough cold weather clothing to keep you from freezing while we walk. You can always "shed layers."
- Plan for four trips to the theatre. Dress pants and tops will work well.
- You are allowed ONE checked bag. **Do not** put any medication or valuables in the bag you will check. Also remember that you cannot bring liquids with you through the security check. You must pack all of your shampoos/conditioners, etc. (Pack them in ziplock bags to avoid messes.)

Also, don't forget:

- *Required: \$20 cash to give to Mrs. T or Charlie Royce at San Francisco airport before we leave!!* (This money is collected from everyone going on trip, and goes towards tipping our tour guides. Again, this is REQUIRED.)
- Spending money (\$200 for meals and \$200 for spending...just a suggestion!)
- WARM JACKET!
- Hat and gloves
- An empty water bottle
- Toiletries
- Cell phone & charger & possibly portable power bar
- Dance clothes (for 3-4 classes)
- Dance shoes (jazz, ballet, tap, character, stilettos)
- Day bag/backpack for carrying dance clothes to the studios
- Snacks!!!!
- Medical Insurance Card
- Headsets/music player for the plane

Remember, the school dress code will still be enforced!

Rules of Conduct:

Always be respectful of the rights of others. San Mateo High School rules of conduct and behavior will apply at all times during the trip. Profanity, smoking, or any other undesirable behavior will not be tolerated. Use of drugs or alcohol will immediately win you a trip home at your parent's expense!

Once seated on the plane...**STAY THERE!** It is extremely important to remember that there are other people on the flight and noise and movement affect them. This is a long flight and we will arrive in NYC at approximately 7:00 or 8:00 **in the morning** with a full day of activities ahead of us. If possible, please use this time to sleep!

At the hotel, students **MUST** be mature and respectful of the rights of others, both in your rooms and in the lobby. There will be an announced time for room check and lights out each night. After room check, there will be no loud TV or music playing. If the chaperones and I find anyone out of their rooms after bed check, you will face a full day's suspension upon arriving home (and I'm not kidding). Please do not wear pajamas outside of your room!

Chaperones:

You will be responsible for not only your student, but approximately 5-6 other students as well; some you may know and some you may not know. There will be a few times during the trip that I will ask you to supervise other groups of students. (For example: Not all students will be taking classes at the same time at Steps on Broadway. Some students will need to be supervised during breaks of 1-4 hours. Some students will be dancing all day and will need lunch brought to them and others will be finishing their classes at or near 1:00 and will need to be supervised until 4:30ish. I will need your help to be sure all students are supervised at all times.)

Except for breakfast, I do not let the students go out unsupervised. There will be a few times during the trip that we will have "free time." At that time, we will break up into groups according to where people want to go and each group will go **WITH A CHAPERONE**. (Example: Saturday afternoon one group may want to go to Central Park while another may want to go to 5th Ave.) Again, no students wandering around unsupervised.

As tempting as it might be to for the grown-ups to "wander off by yourselves," please stay with the group! You can have your own "free time" while we are taking dance classes.

Remember, this is not a family trip. It is a school trip and must strictly adhere to the itinerary and all school rules.

Also, for liability reasons, all students must remain in the hotel after bed check. You **CAN NOT** bring your own child, let alone anyone else's child, to a late night, after-bed-check visit to "Chevy's". There are no "special privileges" for students who have parents on the trip.

Student Consequences:

If I (or a chaperone) must repeatedly discipline you for bad language, rude behavior, or breaking the "rules of conduct" described both above and on your signed contract, your theatre/dance class privileges may be revoked and/or you will be suspended when you return to school. Serious offenses such as vaping or drugs will require you to be sent home immediately.

STEPS ON BROADWAY & BROADWAY DANCE CENTER

Friday, February 15th

This is probably both the most exciting and the most challenging day of our trip, requiring students and chaperones alike to take extra care to know where they're supposed to be and when.

Chaperones: Your job is to see that the students you are caring for are: hydrated, well fed, resting when possible, and always respectful of other dancers.

The next several pages will lay out the day's schedule in several different formats.

First, we have a list of all the students' names, along with their personal schedules for the day.

Second, we have a list of all the classes being taken over the course of the day, with a list of students' names beneath each class.

Last, and perhaps most important, we have a big, linear timeline of the entire day, detailing in order exactly which chaperones will be taking which kids to which studio at any given point.

I strongly suggest getting a highlighter first chance you get, going through all three of these layouts, and highlighting your name any time you see it. It will do wonders to help keep things straight when the day itself finally comes.
