The compliance officer who receives a complaint may assign another compliance officer to investigate and resolve the complaint. The compliance officer shall promptly notify the complainant and respondent if another compliance officer is assigned to the complaint.

In no instance shall a compliance officer be assigned to a complaint in which the compliance officer has a bias or conflict of interest that would prohibit the fair investigation or resolution of the complaint. Any complaint against a compliance officer or that raises a concern about the compliance officer's ability to investigate the complaint fairly and without bias shall be

filed with the Superintendent or designee who shall determine how the complaint will be investigated.
