In addition, students who observe any such incident are strongly encouraged to report the incident to the compliance officer or principal, whether or not the alleged victim files a complaint.

Process for Initiating and Responding to Complaints

Any school employee who witnesses an incident of unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, shall immediately intervene to stop the incident when it is safe to do so. (Education Code 234.1)

When a report of unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, is made to or received by the principal or compliance officer, the principal or compliance officer shall notify the student or parent/guardian of the right to file a formal complaint in accordance with AR 1312.3 - Uniform Complaint Procedures or, for complaints of sexual harassment that meet the federal Title IX definition, AR 5145.71 - Title IX Sexual Harassment Complaint Procedures. discrimination and ensure that all students have access to the educational program and a safe school environment. Any interim measures adopted to address unlawful discrimination shall, to the extent possible, not disadvantage the complainant or a student who is the victim of the alleged unlawful discrimination.

Any report or complaint alleging unlawful discrimination by the principal, compliance officer, or any other person to whom a report would ordinarily be made or complaint filed shall instead be made to or filed with the Superintendent or designee who shall determine how the complaint will be investigated.

District Action

1. Upon completion of the investigation, if the District determines that action is necessary to resolve the complaint, the District will take appropriate action.
2. The result of the District's investigation of any complaint filed under these procedures will be reported in writing by the District to the complainant.

(Retaliation includes, but is not limited to, any form of intimidation, bullying, reprisal, or harassment.)

These procedures do not deny the right of any individual to pursue other avenues of recourse which may include filing charges with other agencies, initiating civil action or seeking redress under State criminal statutes and/or Federal law. Individuals may also pursue complaints under the District's Uniform Complaint Procedures (Board Policy 1312.3) if they chose not to file under this complaint procedure. A copy of this policy is available at any school or at the District.

Transgender and Gender-Nonconforming Students

Definition of Terms

1. Gender identity – The student's gender-related identity, appearance, or behavior as determined from the student's internal sense of whether or not that gender-related identity, appearance, or behavior is different from that traditionally associated with the student's physiology or assigned sex at birth.
2. Gender expression – A student's gender-related appearance and behavior, whether stereotypically associated with the student's assigned sex at birth. (Education Code 210.7)
3. Gender transition – The process in which a student changes from living and identifying as the sex assigned to the student at birth to living and identifying as the sex that corresponds to the student's gender identity.
4. Gender-nonconforming student – A student whose gender expression differs from stereotypical expectations.
5. Transgender student – A student whose gender identity is different from the gender he/she was assigned at birth.

The District prohibits acts of verbal, nonverbal, or physical aggression, intimidation, or hostility that are based on sex, gender identity, or gender expression, or that have the purpose or effect of producing a negative impact on the student's academic performance or of creating an intimidating, hostile, or offensive educational environment, regardless of whether the acts are sexual in nature. Examples of the types of conduct which are prohibited in the District and which may constitute gender-based harassment include, but are not limited to:

STUDENTS

Nondiscrimination/Harassment

1. Refusing to address a student by a name and the pronouns consistent with the student's gender identity.
2. Disciplining or disparaging a student or excluding the student from participating in activities for behavior or appearance that is consistent with the student's gender identity or that does not conform to stereotypical notions of masculinity or femininity, as applicable.
3. Blocking a student's entry to the restroom that corresponds to the student's gender identity.
4. Taunting a student because the student participates in an athletic activity more typically favored by a student of the other sex.
5. Revealing a student's transgender status to individuals who do not have a legitimate need for the information, without the student's consent.
6. Using gender-specific slurs.
7. Physically assaulting a student motivated by hostility toward the student because of the student's gender, gender identity, or gender expression.

The District's uniform complaint procedures (AR 1312.3) or Title IX sexual harassment procedures (AR 5145.71), as applicable, shall be used to report and resolve complaints alleging discrimination against transgender and gender-nonconforming students.

Examples of bases for complaints include, but are not limited to, the above list, as well as improper rejection by the District of a student's asserted gender identity, denial of access to facilities that correspond with a student's gender identity, improper disclosure of a student's transgender status, discriminatory enforcement of a dress code, and other instances of gender-based harassment.

To ensure that transgender and gender-nonconforming students are afforded the same rights, benefits, and protections provided to all students by law and Board policy, the District shall address each situation on a case-by-case basis, in accordance with the following guidelines:

STUDENTS**Nondiscrimination/Harassment**

1. Right to Privacy: A student's transgender or gender-nonconforming status is the student's private information, and the District shall only disclose the information to others with the student's prior written consent, except when the disclosure is otherwise required by law or when the District has compelling evidence that disclosure is necessary to preserve the student's physical or mental well-being. In any case, the District shall only allow disclosure of a student's personally identifiable information to employees with a legitimate educational interest as determined by the District pursuant to 34 CFR 99.31. Any District employee to whom a student's transgender or gender-nonconforming status is disclosed shall keep the student's information confidential. When disclosure of a student's gender identity is made to a District employee by a student, the employee shall seek the student's permission to notify the compliance officer. If the student refuses to give permission, the employee shall keep the student's information confidential, unless the employee is required to disclose or report the student's information pursuant to this administrative regulation and shall inform the student that honoring the student's request may limit the District's ability to meet the student's needs related to the student's status as a transgender or gender-nonconforming student. If the student permits the employee to notify the compliance officer, the employee shall do so within three (3) school days.

As appropriate given the student's need for support, the compliance officer may discuss with the student any need to disclose the student's transgender or gender-nonconforming status or gender identity or gender expression to the student's parents/guardians and/or others, including other students, teacher(s), or other adults on campus. The District shall offer support services, such as counseling, to students who wish to inform their parents/guardians of their status and desire assistance in doing so.

(cf. 1340 – Access to District Records)

(cf. 3580 – District Records)

2. Determining a Student's Gender Identity: The compliance officer shall accept the student's assertion of gender identity and begin to treat the student consistent with that gender identity unless District personnel present a credible and supportable basis for believing that the student's assertion is for an improper purpose.

STUDENTS**Nondiscrimination/Harassment**

3. Addressing a Student's Transition Needs: The compliance officer shall arrange a meeting with the student and, if appropriate, the student's parents/guardians to identify and develop strategies for ensuring that the student's access to educational programs and activities is maintained. The meeting shall discuss the transgender or gender-nonconforming student's rights and how those rights may affect and be affected by the rights of other students and shall address specific subjects related to the student's access to facilities and to academic or educational support programs, services, or activities, including, but not limited to, sports and other competitive endeavors. In addition, the compliance officer shall identify specific school site employee(s) to whom the student may report any problem related to the student's status as a transgender or gender- nonconforming individual, so that prompt action can be taken to address it. Alternatively, if appropriate and desired by the student, the school may form a support team for the student that will meet periodically to assess whether the arrangements for the student are meeting the student's educational needs and providing equal access to programs and activities, educate appropriate staff about the student's transition, and serve as a resource to the student to better protect the student from gender-based discrimination.
4. Accessibility to Sex-Segregated Facilities, Programs, and Activities: When the District maintains sex-segregated facilities, such as restrooms and locker rooms, or offers sex-segregated programs and activities, such as physical education classes, intermural sports, and interscholastic athletic programs, students shall be permitted to access facilities and participate in programs and activities consistent with their gender identity. To address any student's privacy concerns in using sex-segregated facilities, the District shall offer available options such as a gender-neutral or single-use restroom or changing area, a bathroom stall with a door, an area in the locker room, separated by a curtain or screen, or use of the locker room before or after the other students. However, the District shall not require a student to utilize these options because the student is transgender or gender-nonconforming. In addition, a student shall be permitted to participate in accordance with the student's gender identity in other circumstances where students are separated by gender, such as for class discussions, yearbook pictures, and field trips. A student's right to participate in a sex-segregated activity in accordance with the student's gender identity shall not render invalid or inapplicable any

When a student presents government-issued documentation of a name and/or gender change or submits a request for a name and/or gender change through the process specified in Education Code 49070, the District shall update the student's records. 6. Names and Pronouns: If a student so chooses, District personnel shall be required to address the student by a name and the pronoun(s) consistent with the student's gender identity, without the necessity of a court order or a change to the student's official District record. However, inadvertent slips or honest mistakes by District personnel in the use of the student's name and/or consistent pronouns will, in general, not constitute a violation of this administrative regulation or the accompanying District policy.

7. Uniforms/Dress Code: A student has the right to dress in a manner consistent with the student's gender identity, subject to any dress code adopted on a school site.
