RECITALS

Whereas, the District is authorized by Section 20111 of the California Public Contract Code to contract for the furnishing of non-construction services, if the contract amount is no greater than the statutory limit, which is annually adjusted and is \$96,700 during 2021; and

Whereas, the District requires other consultant to render construction Services described below; and

Whereas, Contractor represents that it is specially licensed, experienced and competent in performing, and is willing and able to perform, the Services required by the District.

Now, therefore, for good and valuable consideration, and pursuant to the terms and conditions of this Agreement, the Parties agree as follows:

1. Services. The Contractor agrees to perform those services described in the Proposal dated May 27, 2021 incorporated herein by reference (the “Proposal”), including specifically those services as needed and requested by the District set forth in **Exhibit A** attached hereto and incorporated herein by this reference (collectively, the “Services”). The Services include meetings with District staff and review of previous technical documentation. If engineering services are rendered hereunder, the services include but are not limited to, meetings with District staff, review of technical documentation, plan check and inspection services, if appropriate and included, and completion of any reports or documentation described on the exhibits hereto.

Contractor represents and warrants that it (i) is an independent contractor; (ii) if it is incorporated or otherwise formed outside the State of California, it is registered or has legal right to provide services within California; (iii) has the qualifications, experience, and facilities necessary to properly perform the Services in a thorough, competent and professional manner; (iv) has specially trained, experienced and competent personnel to perform the Services; and (v) shall faithfully, competently and to the best of its ability, experience and talent perform all Services.

2. Term. Subject to earlier termination as provided below, this Agreement shall remain in effect from the date signed by the District, as indicated in the signature page, to and including June 30th, 2022 (the “Term”). This Agreement may be extended only by amendment, signed by the Parties, prior to the expiration of the Term.

3. Performance. Contractor shall commence work on August 10, 2021 and shall complete the Services within the Term pursuant to the schedule agreed-upon by the Parties. Contractor offers to provide the Services with the due diligence and timeliness necessary to accomplish the work within the required time. Failure to complete any of the Services pursuant to that schedule shall be deemed a default as provided below.

In the performance of the Services, Contractor shall employ, at a minimum, generally accepted standards and practices utilized by persons engaged in providing services similar to those required under this Agreement.

4. Compensation. Subject to any limitations set forth below or elsewhere in this Agreement, the District agrees to pay Contractor the amounts specified in **Exhibit B** “Compensation”. The total Compensation, including reimbursement for actual expenses, shall not exceed \$41,815.90, unless additional compensation is approved in writing by the District.

5. Required Documents. Contractor shall not commence work under this Agreement until it has completed, signed and submitted this Agreement and the documents and Certificates identified by the District on **Exhibit C**.

6. Method of Payment; Expenses. Payment of undisputed amounts due for Services actually completed to the satisfaction of the District will be made within 60 days after the District receives a satisfactory invoice from Contractor. Invoices shall not include any Services previously paid by the District and must be in form and

content satisfactory to the District. No compensation will be paid for any Services or work not approved by the District under this Agreement. No final payments shall be authorized until all reports have been rendered to and approved by the District.

The District shall not be liable to Contractor for any costs or expenses incurred by Contractor except to the extent pre-approved in writing by the District and verified and supported by adequate records satisfactory to the District. Materials required to complete the Services shall be provided by Contractor, except as otherwise specified in a writing signed by the District and Contractor concurrently with or after the delivery of this Agreement.

7. Incorporation of Recitals, Exhibits and Attachments. All exhibits and attachments to this Agreement, including any “required documents” specified above, are incorporated as if fully set forth herein as are all other documents incorporated by reference (including the Proposal) but all such documents are subordinate to this Agreement and in the event of inconsistency or conflict this Agreement controls unless otherwise specified in a writing signed by the District.

8. Indemnification. To the fullest extent allowed by law, Contractor shall hold harmless, indemnify and defend the District and its Board members, officers, agents, representatives and employees (collectively, “indemnified parties”) from any and all claims, demands, losses, liabilities, claims, suits and actions (collectively, “claims”) of any kind, nature and description, including but not limited to personal injury, death, property damage and consultants (and/or attorneys) fees and costs, directly or indirectly, arising or resulting from this Agreement or the performance of the Services (including failure to comply with any standard of care applicable to Contractor or the Services) or any action or inaction done, permitted or suffered by Contractor (or its officers, employees, consultants, subcontractors or agents) in connection with this Agreement, unless the claims are caused by the sole negligence or willful misconduct of the District; provided that, if the applicable law so requires, Contractor’s obligations to indemnify the District may be limited to claims that arise out of, pertain to, or relate to the negligence, recklessness or willful misconduct of the Contractor, its officers, employees, consultants, subcontractors or agents. The District has the right to accept or reject any legal representation that Contractor proposes to defend the indemnified parties. This provision shall survive the termination of this Agreement.

9. Insurance. Prior to commencing any Services, Contractor shall obtain, and shall maintain in full force and effect during the Term, the following insurance policies, with at least the coverage amounts indicated below:

- (1) To the extent applicable to Contractor and the Services, **Commercial General Liability** (\$1,000,000 per occurrence; \$2,000,000 general aggregate) **and Automobile Liability Insurance** (\$1,000,000) protecting from all claims of bodily injury, property damage, personal injury, death, advertising injury, and medical payments in connection with performance of the Services. (Form CG 0001 and CA 0001, or equivalent).
- (2) If Contractor employs any person to perform the Services, **Workers’ Compensation Insurance** in conformance with all applicable statutory limits; **Employers’ Liability Insurance** (\$1,000,000 per accident or disease).
- (3) If Contractor is providing professional Services, **Professional Liability (Errors and omissions) Insurance** (\$1,000,000 per claim), as appropriate to the Contractor’s profession.

a. **Certificates and Endorsements.** All insurance certificates shall be subject to approval by the District as to form and content. With the exception of professional liability, if any, policies shall be written on an occurrence form. The coverage (except for Worker’s Compensation, Professional Liability or Employer’s Liability insurance) shall be primary and policies or endorsements shall name the District, its Board members, officers, employees, agents and representatives as additional insureds. A clause stating that “At least 30 days prior written notice of cancellation, suspension or reduction” and “At least 10 days notice of cancellation for non-payment” will be given to the District is needed.

b. Contractor shall not perform any Services until after all required coverage has been obtained and provided to and approved by the District. Contractor shall not allow any subcontractor to commence any work under this Contract until the Contractor confirms and verifies that the subcontractor has met the minimum insurance requirements specified herein. The procuring and maintaining of any required insurance coverage shall not in any manner limit or be construed to limit Contractor’s liability hereunder.

10. Termination and Suspension.

- a. **For Cause.** If Contractor fails to perform its obligations under this Agreement, the District will provide written notice specifying each breach for which notice is being given. If Contractor fails to cure such breach(es) within 14 days of such notice (or to make arrangements for cure that are satisfactory to the District, if the breach is such that more than 14 days are required to cure), then the District may elect to terminate this Agreement for cause. Any such termination for cause will become effective upon the date set forth in the District's written notice to Contractor of its election to terminate.
- b. **For Convenience.** The District may terminate, abandon or suspend performance of this Agreement for convenience and without cause at any time upon 30 days prior written notice to Consultant, in which case the District will pay Consultant as provided in Section III for all Services actually performed, and all authorized expenses actually incurred and paid, under and in accordance with this Agreement, up to and including the date of termination. Such payment shall be Consultant's sole and exclusive compensation and the District shall have no liability to Consultant for any other compensation or damages, including, without limitation, anticipated profits, prospective losses, legal fees or costs associated with legal representation or consequential damages, of any kind.

11. Inspection; Acceptance. The District may, at its discretion, inspect and accept or reject any Services. Acceptance of any Service shall not constitute a waiver of any of the provisions of this Agreement including, but not limited to indemnification and insurance provisions.

12. Ownership; Copyright. All data, documents and information provided, created, prepared and/or used in connection with the Services shall be the property of and returned to the District and cannot be used without the District's prior written consent. All reports, specifications, documents, drawings or other materials generated constitute "works made for hire" by or for the District and the District will be the "author" and owner of all such reports under applicable copyright laws.

13. Compliance with Laws. Contractor shall keep itself informed of and comply with all applicable federal, state and local laws, statutes, codes, ordinances, regulations and rules in effect during the Term. Contractor shall obtain any and all licenses, permits and authorizations necessary to perform the Services. None of the District, its board members, officials, employees or agents shall be liable, at law or in equity, as a result of any failure of Contractor to comply with this section.
