The Governing Board authorizes the Superintendent to organize the administrative and supervisory staff in a manner that best supports student achievement, the educational program, and efficient operations.

(cf. 2110 - Superintendent Responsibilities and Duties) N/A

(cf. 4300 - ~~Administrative and~~ Management, Supervisory and Confidential Personnel)

The Superintendent shall establish and define job responsibilities for supervisory and administrative personnel. (Education Code 44662)

(cf. 4000 - Concepts and Roles) N/A

(cf. 4315 - Evaluation/Supervision) N/A

The Superintendent or designee may adjust staff responsibilities temporarily or permanently as needed to accommodate the workload and/or individual capabilities.

(cf. 4032 - Reasonable Accommodation)

The Superintendent shall maintain a current district organization chart which designates lines of primary responsibility and the relationships among all district positions. The Superintendent or designee shall maintain a "Management Personnel Handbook" (E 4301) for the purpose of clarifying expectations for management service in Modesto City Schools. The Handbook, while not intended to encompass every aspect of the expectations and responsibilities of employees serving in management positions in the District, outlines various processes and procedures related to: management rights and responsibilities; assignment and employment; salary; health and welfare; absences and leaves; and evaluation.
