## **NOMINATIONS TO SERVE ON THE COUNTY COMMITTEE OF SCHOOL DISTRICT ORGANIZATION**

### **“Who may nominate to fill an Expired Term on the County Committee?”**

The governing board of each school district selects a representative to attend the annual meeting. Vacancies are filled at the annual meeting. School Boards may make a nomination, and nominations may be made from the floor, but only by those representatives of governing boards. The nominees must be registered voters of the county and must reside in the proper supervisorial district; that is, the final construction of the committee must contain at least two members from each supervisorial district and one at-large member. Also, the nominee must not be an employee of any school district, or the County Superintendent of Schools, or any of his employees. The only person who may vote in the election to fill the vacancies are the representatives of the governing boards. The nominee must be elected by a majority vote; plurality is not sufficient. If no one is elected by a majority vote; the County Superintendent of Schools appoints someone to fill the vacancy.
