### **RESOLUTION NO. 21-22/13**

*In Recognition of School Administrators  
during the Week of October 10-16, 2021*

**WHEREAS**, leadership matters for California’s public education system and the more than 6 million students it serves; and

**WHEREAS**, school administrators are passionate, lifelong learners who believe in the value of quality public education; and

**WHEREAS**, the title “school administrator” is a broad term used to define many education leadership posts: superintendents, assistant superintendents, principals, assistant principals, special education and adult education leaders, curriculum and assessment leaders, school business officials, classified educational leaders, and other school district employees are considered administrators; and

**WHEREAS**, providing quality service for student success is paramount for the profession; and

**WHEREAS**, most school administrators began their careers as teachers and the average administrator has served in public education for more than a decade. Most of California’s superintendents have served in education for more than 20 years. Such experience is beneficial in their work to effectively and efficiently lead public education and improve student achievement; and

**WHEREAS**, public schools operate with lean management systems and across the nation, public schools employ fewer managers and supervisors than most public and private sector industries including transportation, food service, manufacturing, utilities, construction, publishing and public administration; and

**WHEREAS**, school leaders depend on a network of support from school communities – fellow administrators, teachers, parents, students, businesses, community members, board trustees, colleges and universities, community and faith-based organizations, elected officials and district and county staff and resources – to promote ongoing student achievement and school success; and

**WHEREAS**, research shows great schools are led by great principals, and great districts are led by great superintendents. These site leaders are supported by extensive administrative networks throughout the state; and

**WHEREAS**, Lynwood Unified School District has made great strides in accomplishing mandated goals for the betterment of students due in large part to its administration; and

**WHEREAS**, the Coronavirus pandemic has placed extraordinary, unprecedented demands and challenges on school administrators and our Lynwood administrative team has risen to the occasion; and

**WHEREAS**, the State of California has declared the second full week of October as the “Week of the School Administrator” in Education Code 44015.1, and the Lynwood Unified School District further recognizes their contributions to pupil achievement throughout the month of October; and

**WHEREAS**, the future of California’s public education system depends upon the quality of its leadership, by board members, superintendents and all administrators involved in the delivery of services;

**NOW, THEREFORE, BE IT RESOLVED**, by the Lynwood Unified School District Board of Education, that all school leaders be commended for the contributions they make to successful student achievement and in particular to the success of the students within the Lynwood Unified School District.

**BE IT FINALLY RESOLVED**, that this resolution be made an integral part of the Minutes of the September 23, 2021 meeting of this Board.

**PASSED AND ADOPTED** by the Governing Board of the Lynwood Unified School District on September 23, 2021.
