Dear Board of Trustees:

Re: Additional Follow up Requests

The 2021-22 San Luis Obispo County Grand Jury is requesting follow up information regarding the responses received from you dated February 20, 2021 (the date on the first page of the letter shows February 20, 2020) and August 13, 2021. The responses are attached for your convenience.

The responses you provided to the Grand Jury included timelines for implementation (in the February, 2021 letter) and updates (in the August, 2021 letter).

The Grand Jury requests that you provide documentation as follows:

- Status of R3 – The structure for board meetings should be revamped to provide a more reasonable and focused agenda. Targeting the focus of each meeting would allow effective action and increased accountability by trustees.
 - The Grand Jury requests a copy of the PRJUSD Board of Trustees Board Book.
- Status of R4 – In order to maintain institutional history and knowledge, the district should develop a succession plan to ensure timely replacements for essential positions and time for appropriate training.
 - The Grand Jury requests a copy of the Succession Plan that the PRJUSD Board of Trustees referenced in their response to the Grand Jury.

- Status of R11 – Trustees must establish and document standard minimum qualifications for a superintendent, which reflect the needs of the district including financial management.
 - The Grand Jury requests a copy of Board Policy 2120, as referenced in the Board's response to the Grand Jury.
- R1. Status of R13 – Under the conditions that exist today, the district trustees and administration should determine if the Aquatic Complex is viable.
 - The Grand Jury requests a detailed accounting of expected sources of funding for this proposed project along with all written project planning and funding documentation to include any existing or proposed agreements with Swim Paso and any other organization involved with the proposed project. The Measure M funds do not include this in the latest update presented to the Board in August. If there are agreements with Swim Paso or other entities, please provide.

We would appreciate a response by October 15, 2021. Thank you in advance for your cooperation. Responses may be made electronically to the Grand Jury at grandjury@co.slo.ca.us or mailed to the PO Box indicated below.

Please be advised that Grand Jury proceedings are confidential and you should not reveal any matters concerning the existence and or/nature of the Grand Jury's requests. If you have questions please contact the Grand Jury as soon as possible.

Respectfully,

George Tracy, Foreperson
2021-22 San Luis Obispo County Grand Jury
