

A photograph of three students in a school hallway. The student on the left is wearing a white face mask and a grey t-shirt, making a peace sign with both hands. The student in the middle is wearing a black patterned face mask and a blue hoodie with a yellow circular logo that says 'BERKELEY TIGERS', also making a peace sign with both hands. The student on the right is wearing a white face mask and a blue hoodie with the same 'BERKELEY TIGERS' logo, making a peace sign with both hands. The background shows a hallway with a wooden floor, a yellow wall, and a window with an 'EXIT' sign above it.

BUSD Vaccination Policy

BUSD Board of Education Meeting
October 6, 2021

Stronger Together.

Berkeley
PUBLIC SCHOOLS
Berkeley Unified School District

For Discussion by the Board:

BP 5141.3 Students, Health Examinations

[Link to Revised Policy](#)

Board Discussion from September 22, 2021

1. Culturally Responsive Vaccination Campaign for Unvaccinated Communities
2. Facilitate Access to Vaccines through School-Based Clinics
3. Provide a Model for a Testing Alternative to Unvaccinated Students

Culturally Responsive Vaccination Campaign for Unvaccinated Communities

Possible Element of Campaign
Understanding Concerns about Vaccines
Student Produced Videos and Social Media (CAS)
UCSF Public Health Panel for BIPOC and Spanish Speaking Families
AMPS Student Internships
Virtual Advice Clinics or Hotlines
Support for BUSD's "Trusted Messengers"
Incentive Program
Community Partners

Student Leaders

BHS Staff

City of Berkeley

Community
Organizations

In Discussion:
Overall Project
Management

Vaccine Clinic Planning: Current Thinking in Partnership with City of Berkeley Public Health

Ages 12+	Planning clinics at BHS and Longfellow
Ages 5-11	2-3 elementary schools (on Saturdays, Nov. 6, 13, 20, from 9:00am-3:00 pm) Festive atmosphere, entertainment. Also exploring the possibility of early release Wednesday opportunities in November.

Getting the Word Out
