

The background features a light pinkish-orange gradient. A thin, gold-colored rectangular border is positioned around the central text area. In the top-right and bottom-left corners, there are clusters of stylized autumn leaves in shades of yellow, orange, and red. Faint, dotted gold circles are scattered in the background, particularly around the leaf clusters.

# New Staff Opportunity

In partnership with the Santa Clara County Behavioral Health Services Department, we are moving forward with a SLS Coordinator Position.

- Temporary funding source that can be re-applied for in following years
- We plan to use the funding to address coordination of parent education and staff support
- Provides for expanded Professional Development for our whole Counseling/Wellness team and can extend to Administrators and Staff for key support areas

(Pending approval by both our Board and the County Board--the job description and the draft agreement are part of the Board packet)
