Recommendations

- ***Outdoor Classrooms:*** Complete outdoor classrooms as proposed included staff selected materials (Combination of grass, turf, concrete, pavers, decomposed granite, composite wood, fibar resilient surfacing)
- Material samples will be available at the meeting for viewing
- ***Site specific priorities:*** Complete site priorities and provide financial support for all weather track at Dave's Avenue (if feasible) and adaptive playground and equipment at Van Meter
- ***Construction Schedule:*** Begin construction summer of 2022 for the outdoor classrooms and summers of 2023, 2024 and 2025 for the site priorities
- ***Future Considerations:*** Playing fields will be reviewed at a future board meeting Spring 2022.
