

Mandatory Employee COVID Vaccinations

Amendments to BP 4219.43 Personnel
January 5, 2022

Universal Precautions

In order to protect employees from contact with potentially infectious blood or other body fluids, [and from exposure to the COVID-19 virus](#), the Governing Board requires that universal precautions be observed throughout the district, [to include employee vaccination against COVID-19. Effective February 25, 2022, "full vaccination" shall be defined as two weeks after the administration of at least one COVID-19 booster shot, or in keeping with booster shot guidance from the CDPH and/or City of Berkeley Public Health Department if this guidance exceeds one booster shot.](#)
