San Mateo Union High School FLAG DISPLAY PROCEDURES

As set forth in Administrative Regulation 6115, the flag of the United States and the flag of California shall be displayed during business hours at the entrance or on the grounds of every district school and on or near the district office. At all times, the national flag shall be placed in

the position of first honor. (Government Code [431](#), [436](#); 4 USC [6](#).) These procedures apply to requests to display additional flags on District-owned flagpoles.

Flags flown on District flagpoles are a form of government speech, not private speech. As such, the District's selection of flags is not regulated by the Free Speech Clause of the First Amendment. The flagpoles are under the control and management of the District and it is impermissible to fly any flag without the prior approval of the SMUHSD Board of Trustees.

These are the general guidelines that outline the procedure for bringing a request to the SMUHSD Board of Trustees.

Guidelines

1. The Board will consider requests from SMUHSD students only.
2. Students will submit a request to the Superintendent to be added to a SMUHSD Board of Trustees meeting agenda.
3. Student requests will be presented to the SMUHSD Board of Trustees during a regularly scheduled, public board meeting as an agenda item. Requests may be placed on the Board of Trustees' consent agenda. All requests must include:
 - a) A visual replication of the exact flag the group proposes to raise
 - b) A rationale for the flag and how it aligns with the [SMUHSD Equity vision](#)
 - c) The time frame for raising and flying the flag.
 - d) A petition or other form of evidence of student support for the flag. Evidence requested may be determined by the administration and School Board on a case-by-case basis.
4. All requests will be considered a districtwide request and must include currently enrolled student signatures from each of the school sites. These requests must include either 5% of the student body of each school or 20 student signatures, whichever is less.
5. Only the main flagpole at the schools and district office will be considered in any requests.
6. Excluding the National and State Flags, only one additional flag may be raised on the school's main flagpole at a given time.
7. Only requests to fly secular flags will be considered by the Board of Trustees for approval.
8. The SMUHSD Board of Trustees cannot approve requests to fly flags with symbols that are prohibited from government speech.
9. The SMUHSD Board of Trustees has the right to remove a flag at any time.
10. In accordance with the U.S. Flag Code, any additionally approved flag may be removed or moved to another location during half-mast orders depending on the length of the flagpole.
