

Mills High School

2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Contact Information

School Name	Mills High School
Street	400 Murchison Drive
City, State, Zip	Millbrae, CA 94030
Phone Number	650-558-2599
Principal	Pamela Duszynski
Email Address	pduszynski@smuhsd.org
School Website	
County-District-School (CDS) Code	41-69047-4134557

2021-22 District Contact Information

District Name	San Mateo Union High School District
Phone Number	650-558-2299
Superintendent	Kevin Skelly
Email Address	kskelly@smuhsd.org
District Website Address	http://www.smuhsd.org/

2021-22 School Overview

MILLS HIGH SCHOOL VISION AND MISSION STATEMENT

Our vision at Mills is that students embrace learning for growth. They use the power of creativity, collaborative problem-solving and critical thinking to make a positive impact on our world. The mission of Mills High School is to provide a safe, vibrant and inclusive learning environment that promotes equitable opportunities for all students to achieve academic goals while giving them the tools and resources to access personal growth, well-being and balance.

School goals align to the district LCAP and including the following:

School Goal 1: Teaching & Learning for All Students- Ensure rigorous and relevant teaching and learning for all students aligned to the Common Core State Standards (CCSS) and 21st Century skills (CCR), foster teacher and staff professional development, and systematically use data to monitor student progress.

School Goal 2: Supports and Interventions for All Students- All students will receive appropriate, equitable instruction, supports and interventions to reach academic proficiency and achieve graduation success and A-G readiness.

School Goal 3: A Positive School Climate and Culture for All Students- All students will receive appropriate supports for their well-being and social emotional health in a community that welcomes diverse cultural and socio-economic backgrounds.

School Learning Outcomes (SLOs)

These SLOs were revised as part of our 2018 WASC self-study. This work was completed by the Mills faculty and approved by the MPC Site Council.

Our students are EPIC:

1. Effective Communicators and Collaborators
2. Positive Contributors to the Community
3. Individuals that are Healthy, Self-Reliant and Responsible

2021-22 School Overview

4. Critical Problem Solvers and Creative Thinkers

WASC Critical Areas of Need

During our 2017, Mills High School conducted a self-study analyzing data on all aspects of our school. Divided into cross-disciplinary teams, the Mills faculty and staff analyzed disaggregated achievement data and identified following Critical Areas of Need. Mills received a Six Year WASC Accreditation.

CAN #1- To increase the achievement of our SPED students, we need to clearly define the co-teaching program to address issues in the following areas - instruction, teacher collaboration and team teaching, student achievement, protocols for accommodations and modifications, and class population demographics. Training and support for co-teachers is needed, specifically how to define and design the course curriculum.

CAN #2- To support the growth and to address the needs of all students, especially historically undeserved groups of students, and to use school resources more efficiently and effectively: Mills will develop and implement a school wide, evolving, and ongoing process (MEP--Mills Evaluation Process)to: evaluate the effectiveness of programs, policies and practices (technology, grading, homework, interventions, support, etc), and implement change based on the results.

CAN#3- Address the achievement gap by improving the effectiveness of PLCs focusing on the following objectives- supporting all students with learning foundation skills (grade level written, oral, reading comprehension/listening, and critical thinking), integrating EPIC into class curriculum and instruction, tools for measuring and evaluating EPIC, accountability systems for clear expectations around these standards (teachers and students).

CAN#4- Address culture of achievement, stress, and school connection by engaging all students with their learning and continue to reinforce student wellness. Acknowledge the diversity of the Mills community to better respond to students' diverse needs and to address equity, cultural responsiveness and socio-emotional learning of students.

As a community and among various stakeholders, Mills promotes the mission and vision statement, as well as the SLOs and Action Plan, as the heart of our practice. Norms that guide our community and decision-making bodies include keeping the creation of equitable student experiences at the center of our work, taking an inquiry stance, assuming positive intentions and take responsibility for impact, hearing and accepting all voices, staying engaged, starting and ending on time and using consensus to reach agreements.

Decision-making bodies include the Mills Planning Council (School Site Council) and the Academic Senate (Department Heads). These two bodies seek input from various stakeholders in the community including students, teachers and parents to guide our goals and actions as a school to achieve our mission and vision.

About this School

2020-21 Student Enrollment by Grade Level

Grade Level	Number of Students
Grade 9	292
Grade 10	317
Grade 11	298
Grade 12	273
Total Enrollment	1,180

2020-21 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
Female	49
Male	50
American Indian or Alaska Native	0.3
Asian	45.9
Black or African American	0.7
Filipino	9.1
Hispanic or Latino	19.9
Native Hawaiian or Pacific Islander	1.9
Two or More Races	9.3
White	12.9
English Learners	5.6
Foster Youth	0.1
Homeless	0.1
Socioeconomically Disadvantaged	22.7
Students with Disabilities	9.5

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

2019-20 Teacher Preparation and Placement

Authorization/Assignment	2019-20
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	
Intern Credential Holders Properly Assigned	
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	
Unknown	
Total Teaching Positions	

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2019-20 Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2019-20
Permits and Waivers	
Misassignments	
Vacant Positions	
Total Teachers Without Credentials and Misassignments	

2019-20 Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2019-20
Credentialed Teachers Authorized on a Permit or Waiver	
Local Assignment Options	
Total Out-of-Field Teachers	

2019-20 Class Assignments

Indicator	2019-20
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	

2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

All district textbooks are approved by the district governing board and the cycles are consistent with the SBE adoption calendar. All district adopted texts support the teaching of the California Curriculum Standards.

Year and month in which the data were collected

11/2021

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption ?	Percent Students Lacking Own Assigned Copy
Reading/Language Arts	Current and meet State and Local Standards/2015	Yes	0
Mathematics	Current and meet State and Local Standards: CPM 2017	Yes	0
Science	Current and meet State and Local Standards	Yes	0
History-Social Science	Current and meet State and Local Standards	Yes	0
Foreign Language	Current and meet State and Local Standards	Yes	0
Health	Current and meet State and Local Standards/2016	Yes	0
Visual and Performing Arts	Current and meet State and Local Standards	Yes	0
Science Laboratory Equipment (grades 9-12)	Current and meet State and Local Standards	Yes	0

School Facility Conditions and Planned Improvements

The passage of Bond Measure D in November 2000 provided \$137.5 million for the renovation of the district's six comprehensive schools. Measure D renovation projects at Mills High School began in June 2004 and were completed June 2007. Academic classrooms and science labs were enlarged to meet the district's standard size of 960 square feet. Heating and ventilation systems were upgraded. Teacher workrooms were built to allow for teacher collaboration. The modernization of the school was divided into two phases. Phase one included the renovation of general instruction classrooms, the library, the career center, the child development room, the culinary arts room, administrative portions of the campus, and the front façade of the school. Science labs and some general education classrooms were renovated during Phase two of the project. Faculty and student restrooms were also included in the renovation.

The passage of Measure M in November 2006 provided an additional \$298 million for the renovation of the district's six comprehensive schools. Measure M renovation projects at Mills High School began in Summer 2009 with the replacement of student lockers and installation of air conditioning school wide. During the 2009 - 2010 school year, renovation of the student cafeteria, the locker rooms were completed. State-of-the-art classrooms for Biotechnology, Video Production, and Woodworking opened in the Fall of 2010. Renovations through Measure M also included the construction of a new academic building, which opened in the Spring of 2011 and renovation of physical education facilities including remodeled Weight and Dance rooms and the swimming pool facility.

The following modernization projects were completed Spring 2013: East Gym and Courtyard, Main Courtyard, Video Broadcasting Room, West Gym and Courtyard, and Auditorium. [School Facilities Report filed 05.27.3014]

In the Spring of 2017, stadium lights, stadium sound system, and a newly resurfaced track were installed on the Football Field.

In March 2020 Bond Measure L was passed and supported the installation of a new turf stadium field and an upgraded security (camera) system in the summer of 2020. In the Fall of 2021 construction started on the new tennis courts as well as synthetic turf for baseball and softball fields. Future projects earmarked for the campus with the support of Measure L include the repair of deteriorating walls containing encapsulated asbestos, improved air handling and circulation systems, gender neutral restrooms and updated fire /security systems.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21
English Language Arts/Literacy (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	N/A
Mathematics (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	N/A

2020-21 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment. The CDE will populate this table for schools in cases where the school administered the CAASPP assessment. In cases where the school administered a local assessment instead of CAASPP, the CDE will populate this table with “NT” values, meaning this school did not test students using the CAASPP. See the local assessment(s) table for more information.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students	291	NT	NT	NT	NT
Female	145	NT	NT	NT	NT
Male	146	NT	NT	NT	NT

2020-21 Career Technical Education Programs

Mills High School and the San Mateo Union High School District are committed to ensuring all students are given the opportunity to participate in Career Technical Education programs, activities, and experiences. In March of 2006, the District Board of Trustees voted to expand the District school day from a 6 period to a 7 period day providing increased opportunities for students to enroll in CTE courses, especially for target populations of students who require additional academic support/interventions within the school day. In addition, all students work with counselors to create a four year academic plan to align student interests and goals with CTE opportunities available at Mills and throughout the District.

Mills hosts a Course Selection morning allowing for students to visit CTE and elective classrooms prior to selecting classes in the Spring. Interest in CTE courses is also promoted through school activities like the Robotics Club, Film and Photography Clubs, and various school competitions and events. Upon completion of Mills' CTE courses, students have the option to continue their pathway at our local community colleges.

Course offerings in Career Technical Education at Mills High School include:

- Architectural Design I and II
- Food & Nutrition, Culinary Arts
- Engineering Technology
- Art & Multimedia
- Principles of Computer Science, AP Computer Science
- Art of Video (Video Production)
- Biotechnology
- Publications
- Journalism

*2021-2022 Mills offered two sections of a College Career Planning Class that targeted 1st generation students at Mills that was taught by two counselors with in our department.

The program at Mills offers experiences in the following Industry Sectors: Art, Media & Entertainment, Engineering and Architecture, Building Trades and Construction, Health Science and Medical Technology, Hospitality, Tourism and Recreation, and Information and Communication Technology. In addition, the program provides the following career pathways: Design, Visual and Media Arts, Architectural Design, Engineering Technology, Cabinetry, Millwork and Woodwork, Biotechnology, Food Service, and Software and System Development.

The CTE program is measured by satisfactory-level student completion (C or better) rates of the one year CTE graduation requirement upon graduation and by the number of students completing a CTE pathway during their for years. The school district organizes program leadership throughout the district through a CTE Council that is comprised of program department heads at each site. In addition, the CTE department head is a member of the school's Academic Senate that annually revises the School Plan for Student Achievement. A part-time Career Coordinator works to connect students with CTE internships and fieldtrips, and to provide push-in services to CTE classrooms to deliver career awareness in related CTE fields.

For the past three years, Mills has participated in the TEALS partnership, pairing computer science professionals from across the industry with classroom educators to team-teach CS in high schools throughout the U.S. TEALS helps high schools teach computer science by providing trained volunteers – industry professionals in CS – to partner with a classroom teacher and work as a team to deliver CS education to students who would otherwise not have the opportunity to learn CS in their school. Over two years, the classroom teacher gradually takes over the responsibilities of teaching the course without volunteer support. Two industry volunteers guide and help deliver the curriculum for our AP Computer Science courses. This year, Mills "graduated" from the TEALS program. This program has been paused due to the COVID pandemic and hope to restart this partnership once the pandemic subsides.

The CTE department integrates the Common Core Standards for English-Language Arts and math into the curriculum frameworks.

For the past few years Mills hosted community college courses on-site through Skyline College including HSCI 180: Health Career Pathways: Gateway to Health Careers, EMC 400- Emergency Medical Responder and BUS 100- Introduction to Business, HSCI 484- Medical Terminology, and BUS 161- Creativity/Innovation in Entrepreneurship. With distance learning, these courses are still offered virtually in partnership with Skyline. Participating students earn CTE elective credits and community college credits (dual enrollment) through these evening courses and are included in GPA calculation. Enrollment is open to all SMUHSD students across the district.

2020-21 Career Technical Education (CTE) Participation

Measure	CTE Program Participation
Number of Pupils Participating in CTE	451
Percent of Pupils that Complete a CTE Program and Earn a High School Diploma	46.9
Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education	27.6

Course Enrollment/Completion

This table displays the course enrollment/completion of University of California (UC) and/or California State University (CSU) admission requirements.

UC/CSU Course Measure	Percent
2020-2021 Pupils Enrolled in Courses Required for UC/CSU Admission	94.79
2019-2020 Graduates Who Completed All Courses Required for UC/CSU Admission	66.89

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

Grade Level	Percentage of Students Meeting Four of Six Fitness Standards	Percentage of Students Meeting Five of Six Fitness Standards	Percentage of Students Meeting Six of Six Fitness Standards
Grade 5	N/A	N/A	N/A
Grade 7	N/A	N/A	N/A
Grade 9	N/A	N/A	N/A

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

There are numerous opportunities for parents to become involved at Mills High School. The Parent Teacher Organization (PTO) conducts regular outreach to parents and meets monthly to plan activities such as fund raising for scholarships, classroom equipment and supplies, and hospitality for school wide functions. The Mills PTO and school leadership created the

2021-22 Opportunities for Parental Involvement

Mills Rapid Relief Fund which was created to support our families in financial due to life changing incidents and the Covid Pandemic this past year. In addition, the PTO publicizes a newsletter to communicate to parents every two weeks.

Parent representatives are members of the Mills Planning Council (the School Site Council) which is responsible for approving all Annual Fund expenditures and provides input and monitoring progress on school-wide goals. An English Learner Advisory Committee (ELAC) helps the parents of English learners understand how the school operates and gives parents an opportunity to give input for how to better serve our English language learner population and one of our ELAC members is part of DELAC. Beginning in 2013-2014, Mills organized a Spanish-Speaking Parent Group to support Spanish-speaking families and to gather input and suggestions from this population of parents and students on school wide goals. Mills parents also form part of the Mills Athletic Boosters, Mills Music and Arts Group and Mills Drama Guild, providing high levels of support for students in extracurricular programs.

Mills partners with San Mateo Behavioral Health and Recovery services to offer programs on-site in the evening hours for parent education. These include the Parent Project (on hold due to pandemic) and Mental Health First Aid for Youth. A part-time family engagement coordinator organizes and recruits for such events and facilitates the Spanish-Speaking Parent Group.

There are multiple opportunities for parent to volunteer in school wide functions and events such as Career Day, teacher appreciation luncheons, student registration, textbook distribution, and supervision assistance at school wide events under normal circumstances.

For information on the PTO, MPC, ELAC, Spanish-Speaking Parent Group, Mills Athletic Boosters or Music Boosters please contact Ms. Pamela Duszynski at (650) 558 - 2500.

C. Engagement

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
- High school graduation rates; and
- Chronic Absenteeism

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2018-19	School 2019-20	School 2020-21	District 2018-19	District 2019-20	District 2020-21	State 2018-19	State 2019-20	State 2020-21
Dropout Rate	1.4	2.2	1.9	4.0	3.9	3.8	9.0	8.9	9.4
Graduation Rate	98.6	94.0	97.4	92.8	91.0	92.1	84.5	84.2	83.6

2020-21 Graduation Rate by Student Group (Four-Year Cohort Rate)

This table displays the 2020-21 graduation rate by student group. For information on the Four-Year Adjusted Cohort Graduation Rate (ACGR), visit the CDE Adjusted Cohort Graduation Rate web page at www.cde.ca.gov/ds/ad/acgrinfo.asp.

Student Group	Number of Students in Cohort	Number of Cohort Graduates	Cohort Graduation Rate
All Students	265	258	97.4
Female	132	127	96.2
Male	133	131	98.5

American Indian or Alaska Native	0	0	0.00
Asian	125	121	96.8

Students with Disabilities	122	119	3	2.5

C. Engagement

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21
Suspensions	2.04	0.34	3.40	0.22	3.47	0.20
Expulsions	0.00	0.00	0.01	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

Subject	School 2019-20	District 2019-20	State 2019-20
Suspensions	1.71	2.49	2.45
Expulsions	0.00	0.05	0.05

2020-21 Suspensions and Expulsions by Student Group

Student Group	Suspensions Rate	Expulsions Rate
All Students	0.34	0.00
Female	0.00	0.00
Male	0.64	0.00
American Indian or Alaska Native	0.00	0.00
Asian	0.00	0.00
Black or African American	0.00	0.00
Filipino	0.00	0.00
Hispanic or Latino	0.85	0.00
Native Hawaiian or Pacific Islander	0.00	0.00
Two or More Races	1.80	0.00
White	0.00	0.00
English Learners	0.00	0.00
Foster Youth	0.00	0.00
Homeless	0.00	0.00
Socioeconomically Disadvantaged		
Students Receiving Migrant Education Services	0.00	0.00
Students with Disabilities		

2021-22 School Safety Plan

The Mills High School Safety Plan is reviewed and updated on an annual basis. Faculty and staff training is conducted at the beginning of each school year where emergency procedures and evacuation and safety procedures are reviewed. Each classroom is equipped with a red emergency bag that contains first aid and emergency preparedness supplies. These supplies are replaced and replenished on a regular basis. Emergency drills are held monthly to ensure students are also familiar with the emergency procedures.

Mills administrators including the Principal, two Assistant Principals and the Dean of Students along with one full and one part time Campus Supervisors and four Counselors lead our efforts in creating a safe and respectful environment for all students. Two and a half full-time Wellness Counselors and our district Manager of Mental Health Services provides assessment, crisis counseling, social emotional support, and mediation for students. The four school counselors at Mills provide academic and social-emotional support for students. All counselors also provide outside referral resources for students and parents. The administration team utilizes Restorative Practices as a first approach to discipline issues, including the District's Alternative to Suspension Program, VAPE program, or substance abuse program to assist students in making positive decisions.

All students are encouraged to join a school club or participate on an athletic team. Mills has have 50 plus active clubs that are student lead with a certificated advisory to support the clubs and 27 sports teams in its extra-curricular programs. The Safe School Plan emphasizes the importance of supporting students both socially and emotionally with a caring staff, student support programs, and a strong extra-curricular activity program.

2018-19 Secondary Average Class Size and Class Size Distribution

This table displays the 2018-19 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	23	17	23	13
Mathematics	25	16	22	13
Science	29	3	18	14
Social Science	27	6	25	9

2019-20 Secondary Average Class Size and Class Size Distribution

This table displays the 2019-20 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	27	13	17	18
Mathematics	26	16	21	14
Science	28	6	15	17
Social Science	30	7	19	14

2020-21 Secondary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	16	47	28	4
Mathematics	21	23	30	6
Science	26	8	20	13
Social Science	22	20	15	14

2020-21 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Ratio
Pupils to Academic Counselor	310.5

2020-21 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	3.8
Library Media Teacher (Librarian)	0
Library Media Services Staff (Paraprofessional)	0
Psychologist	0
Social Worker	0
Speech/Language/Hearing Specialist	0
Resource Specialist (non-teaching)	0

2019-20 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2019-20 expenditures per pupil and average teach salary for this school. Cells with N/A values do not require data.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	20,415.45	5,248.18	15,167.27	119,365.13
District	N/A	N/A	15,963.67	\$114,241
Percent Difference - School Site and District	N/A	N/A	-5.1	4.4
State			\$8,444	\$92,222
Percent Difference - School Site and State	N/A	N/A	56.9	25.7

2020-21 Types of Services Funded

Mills provides a number of programs and services to support student achievement and personal success. In addition to a comprehensive academic core program, Mills offers Strategic Support classes in 9th Grade English, SAIL program for some 9th Graders, and Algebra I and Geometry support classes. Mills also offers Guided Studies Classes for select students in grades 9-11 as well as on-site On-Site Credit Recovery (OSCR) course using the Edgenuity learning platform. Academic Language Development classes are offered to support English Language Learners. In addition, Mills offers a number of out-reach services such as College Advising through the Mills College and Career Center and two and a half Wellness Counselors that focus on social-emotional supports for students.

Additional programs and services provided at Mills High School include:

- After School Tutoring
- Classroom based Tutoring
- Wellness Counseling
- Naviance – School and Career Planning Software
- Schoolwide Flex Time
- EL Specialist
- Professional Development
- Two mentor programs: CHICO (Check In Check Out Program) and LMP (Latina Mentor Program)

Funding sources include:

- GATE Parent Grants
- Mills Annual Fund

2019-20 Teacher and Administrative Salaries

This table displays the 2019-20 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Category	District Amount	State Average for Districts in Same Category
Beginning Teacher Salary	\$70,031	\$54,687
Mid-Range Teacher Salary	\$112,969	\$92,222
Highest Teacher Salary	\$133,058	\$114,208
Average Principal Salary (Elementary)	\$0	\$143,647
Average Principal Salary (Middle)	\$0	\$145,785
Average Principal Salary (High)	\$193,088	\$162,322
Superintendent Salary	\$322,400	\$258,950
Percent of Budget for Teacher Salaries	30%	32%
Percent of Budget for Administrative Salaries	5%	5%

2020-21 Advanced Placement (AP) Courses

This table displays the percent of student in AP courses at this school.

Percent of Students in AP Courses

35.4

This table displays the number of AP courses offered at this school where there are student course enrollments of at least one student.

Subject	Number of AP Courses Offered
Computer Science	0
English	8
Fine and Performing Arts	2
Foreign Language	3
Mathematics	7
Science	11
Social Science	5
Total AP Courses Offered	36

Professional Development

During the 2021-22 school year, the Professional Development Coordinator position is a .2 FTE release period and the Instructional Technology coordinator position staffed at a .4 FTE, and a .2 FTE MTSS coordinator. Furthermore, a total of .2 FTE is supported by the District as Instructional Coaches to work with teachers on a full evaluation cycle. These "Teachers on Special Assignment" (TOSA) are responsible for identifying professional development needs, designing and implementing appropriate site-based professional development, and guiding site based goal setting and assessment practices. Identified professional development priorities include Antiracist Professional Learning Journey with Joe Truss and Shane Safir leading this work for the district. Cultural Responsive Teaching, Co-Teaching/Special Ed strategies, Literacy Strategies (Constructing Meaning), Instructional Technology, Canvas and PLC Training continue to be core tenets of MHS professional development.

Primary areas of focus are aligned to the Mills WASC Report and the District Local Control Accountability Plan. As part of the Mills WASC Self-Study, a comprehensive data review was conducted in order to create the WASC Action Plan. The WASC Action Plan identifies specific strategies as well as targeted instructional practices to improve student achievement.

There are numerous opportunities for teachers and administrators to participate in professional development. These opportunities include department collaboration time, professional learning team time embedded in the master schedule, faculty meetings and workshops, classes, and/or conferences sponsored by the district or outside groups.

The Mills Planning Committee (School Site Council) meets monthly to review and approve funding for professional development. The majority of requests are honored with the expectation that all professional development activities are aligned with our WASC Action Plan and school goals. Professional development requests approved during the most recent period include:

Previous Year's Professional Development include:

- *Collaborative Solutions (MTSS Implementation)
- *Dismantling White Supremacy Culture (Joe Truss)
- *National Equity Project
- *Bay Region Community Colleges Racial Justice Training Forum
- *Mission Possible By Hatching Results
 - Learning and the Brain Conference

Previous Year's Professional Development include:

- Bay Area Foreign Language Project
- College Board Advanced Placement Workshops
- California Science Education Conference
- Learning and the Brain Conference
- California Council for Social Sciences Conference
- Challenge Success Conference (Stanford)
- National Science Teachers Association Conference
- Technology in the Spanish Curriculum Institute
- Co-Teaching/ Debra Herburger, West Ed
- American Council on the Teaching of Foreign Languages Conference
- California Association of Directors of Activities Conference
- Differentiated Instruction National Conference
- Students Under Pressure: Helping Manage Stress and Anxiety
- BRAVE Spaces Institute- Equity Conference
- College Board Advance Placement Course Training- various subjects

This table displays the number of school days dedicated to staff development and continuous improvement.

Subject	2019-20	2020-21	2021-22
Number of school days dedicated to Staff Development and Continuous Improvement	4	4	4

San Mateo Union High School District

2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.

2021-22 District Contact Information

District Name	San Mateo Union High School District
Phone Number	650-558-2299
Superintendent	Kevin Skelly

District Website Address	http://www.smuhsd.org/

2020-21 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment. The CDE will populate this table for schools in cases where the school administered the CAASPP assessment. In cases where the school administered a local assessment instead of CAASPP, the CDE will populate this table with "NT" values, meaning this school did not test students using the CAASPP. See the local assessment(s) table for more information.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
