Re: Board Report

Good Evening Board President Mrs. Lopez and the Board of Education, Superintendent Dr. Crosthwaite, Members of the Cabinet, and the Lynwood Community, my name is Grace Salazar, and I am the Student Board Representative and a Member of ASB for Pathway Independent Study High School.

On December 11, 2021 Pathway Independent High School celebrated the end of the quarter/year bash. It was a chance to give to students and staff an opportunity to interact outside of the academic structure as teachers recalled their path into the teaching field. This was a great opportunity for students to learn that there is more than one path to reach their goals. More importantly, it was amazing to see so many students come together: get the academic support, turn in their final packet or talk to their teacher for guidance to help them reach their goal of a high school diploma. Pathway Staff donated gift cards which were raffled to the students. Thank you Pathway staff for the wonderful event.

College enrollment campaign continues at Pathway. College representatives from Cerritos and Compton are scheduling students for one on one meetings to answer any questions we may have about college and their programs. For the second semester, students are encouraged to enroll in dual enrollment.

We would like to congratulate 15 of our fellow scholars that have met graduation requirements for the second quarter. Students self reported that they plan to do the following after graduation:

- 3 students have enlisted in the Marines
- 2 have enrolled to Cerritos College
- 2 students enrolled in Compton College
- 1 student has enrolled in LA Trade Tech
- 1 student enrolled in Universal Technical Institute
- 1 student has been signed on to play for the Chivas Soccer Minor league team
- 1 student will continue his personal ambitions as a fast track car racing driver full time.
- 4 students are undecided and have meetings with the counselor to make final decisions.

We wish them all the best in their personal and academic aspirations!

This concludes the Pathway Independent Study High School report. Thank you.

Mr. Ramon Enriquez, Principal

Re: Board Report

Good Evening Board President Ms. Maria Lopez and the Board of Education, Superintendent Dr. Crosthwaite, Members of the Cabinet, and the Lynwood Community, my name is Danna Castaneda, and I am the Student Board Representative and a Member of ASB for Vista High School.

ASB had their yearly Holiday Spirit Week. Each day, staff and students had a theme to celebrate along with a Vista act of kindness. Vista Eagles were able to collect several new items such as blankets, pijamas, socks, and toys. All donations were given to local organizations and nonprofits that work with Lynwood families.

During the winter break ASB students volunteered to help decorate the Michael D. Swell Memorial Foundation "Saluting America's Band Directors. We Teach Music. We Teach Life" Float. This was a first for Vista Eagles and they had a blast. ASB pledged to start a new tradition of decorating floats every New Year.

Vista High School continues to collaborate with community colleges to enroll students and complete their financial aid applications. We look forward to their continual support.

This concludes the Vista High School Report. Thank you.
