**School Accountability Report Card**  
**Reported Using Data from the 2020 - 2021 School Year**  
Published During 2021 - 2022

**For: Katherine L. Albiani Middle School**

**Address:** 9140 Bradshaw Rd, Elk Grove, CA 95624  
**Principal:** Brie Bajar

**Phone:** 916-686-5210  
**Grade Span:** 7-8

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

**Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### School Description and Mission Statement (School Year 2021 - 2022)

<p>Katherine L. Albiani Middle School Our Motto: Be Safe, Be Responsible, Be Respectful - Be Your Best!</p> <p>As a nationally recognized "School to Watch," Katherine L. Albiani Middle School truly provides a unique and incredible educational experience for children - from the safety of the campus, to the warmth of the learning environment, to the rigor and breadth of the instructional programs. All aspects of the school contribute to providing children with the skills they need to be successful learners.</p> <p>Our district's mission is to provide a learning community that challenges ALL students to realize their greatest potential. Examples of our success in implementing the district's mission include our practice of mastery learning, which focuses on teacher feedback and student work revision towards 80% mastery of standards. In addition, we have enhanced parent/school communication through the use of Synergy ParentVue/StudentVue, a web-based program that allows parents, students, and school personnel to communicate daily regarding student assignments and performance. Parents may also view videos, complete surveys, and provide input through our school website, <a href="http://kams.egusd.net/">http://kams.egusd.net/</a></p> <p>Parent support and involvement continue to be important aspects of the success of Katherine L. Albiani Middle School. This support is given, recognized, and appreciated in many different ways. Parents participate in School Site Council, English Learner Advisory Committee (ELAC), Positive Behavioral Interventions &amp; Supports Committee (PBIS), Bring Your Parent/Guardian to School Days, Coffee at KAMS, Community Equity Partnership Meetings, assisting in the library and volunteering at school-wide events such as dances, assemblies, and rallies. Parents also support student success by providing space, time, and encouragement for daily homework, and by sending a clear message that education and regular school attendance are important to the family.</p> <p>Because student safety is our first priority, the behavior expectations are clearly communicated and strictly enforced. We emphasize responsible and respectful behavior. At KAMS, students are safe, seen, heard, understood, valued, and part of a global community.</p> <p>Brie Bajar, Principal</p>

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

### Teacher Preparation and Placement (School Year 2019 - 2020)

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)						
Intern Credential Holders Properly Assigned						
Teachers Without Credentials and Misassignments ("ineffective" under ESSA)						
Credentialed Teachers Assigned Out-of-Field ("out-of-field" under ESSA)						
Unknown						
Total Teaching Positions						

Note: Our district doesn't have access to the matched CDE/CTC data to complete these tables, however, the CDE will populate these tables in the near future.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

### Teachers Without Credentials and Misassignments (considered "ineffective" under ESSA) (School Year 2019 - 2020)

Total Out-of-Field Teachers	

Note: Our district doesn't have access to the matched CDE/CTC data to complete these tables, however, the CDE will populate these tables in the near future.

### Class Assignments (School Year 2019 - 2020)

Indicator	Percent
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	

Note: Our district doesn't have access to the matched CDE/CTC data to complete these tables, however, the CDE will populate these tables in the near future.

**School Facility Conditions and Planned Improvements (School Year 2021 - 2022)**

Katherine L. Albiani Middle School, also known as KAMS, has been open since 2005. The school has 50 classroom spaces, computer lab, multipurpose room, gymnasium with locker rooms, dance room, band/music room, outdoor & indoor stage, shared library with the high school, student services building and an administration building. The campus also consists of a blacktop area with multiple basketball courts, a track, and a large field area for physical education instruction as well as after school sports.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's maintenance and grounds departments work in concert with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodians work as a team and with the principal to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office, or at the district office.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

In November 2016, voters residing within EGUSD overwhelmingly voted to pass Measure M, the District's first ever general obligation school facilities bond measure, which provided funds for upgrades to LED lighting in the gymnasium and/or multi-purpose room at Katherine L. Albiani Middle School. We are slated to have a rectangular shade structure, which will accommodate nine (9) 4'x8' tables for outdoor dining, installed in our quad area.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

- **SARC Reporting in the 2020 - 2021 School Year Only**

Where the most viable option, LEAs were required to administer the statewide summative assessments for ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

- **Options:** Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:
  - Smarter Balanced ELA and mathematics summative assessments;
  - Other assessments meeting the SBE criteria; or
  - Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven taking and completing a state-administered assessment Percentage of Students Meeting or Exceeding the State Standards

Subject	School 2019 - 2020	School 2020 - 2021	District 2019 - 2020	District 2020 - 2021	State 2019 - 2020	State 2020 - 2021
English Language Arts/Literacy (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	N/A
Mathematics (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	N/A

Note: The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

Note: The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

## State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):

- Pupil outcomes in the subject area of physical education.

### California Physical Fitness Test Results (School Year 2020 - 2021)

9	N/A	N/A	N/A

Note: Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

#### [Opportunities for Parental Involvement \(School Year 2021 - 2022\)](#)

Parents are an integral part of our learning community. Some opportunities for engagement include Community Equity Partnership, School Site Council, English Learner Advisory Committee (ELAC), Bring Your Parent/Guardian to School Days, , Back to School Night, and Open House. Additionally, parents volunteer on campus with athletic events, dances, rallies, field trips, fundraising, and in the library. Please contact School Secretary Karen Johnson at 916-686-5120 to find out more about volunteering on campus.

## State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### Suspensions and Expulsions

Expulsions	0.00%	0.0%	0.05%	0.00%	0.08%	0.00%

Note: Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

### Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019 - 2020	District 2019 - 2020	State 2019 - 2020
Suspensions	4.40%	4.02%	2.45%
Expulsions	0.07%	0.03%	0.05%

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

### School Safety Plan (School Year 2021 - 2022)

Our district is committed to providing a safe, secure environment for learning. Each Winter/Spring staff, students, and parents review and discuss pertinent student discipline and safety data as part of the School Site Council. Recommendations and revisions to the Comprehensive School Safety Plan (CSSP) are submitted to the Board of Education each March. The School Safety Plan was updated with our School Site Council and staff in February 2022. Random, periodic school safety inspections are conducted by the County of Sacramento. The district's Police Services Department works closely with our school site to provide a safe, secure environment for all students. Our campus supervisors and administrative team provide before and after school supervision. Visitors to KAMS are required to check in before entering our campus.

### Types of Services Funded (Fiscal Year 2021 - 2022)

Katherine L. Albani Middle School provides a wide range of specialized programs to meet the individual learning needs of our students. We have a full complement of honors courses and accelerated math classes. Students choosing to accelerate in certain subjects may attend classes at Pleasant Grove High School. Intensive math and English instruction is available to all students performing below proficiency. We also have an Academic Intervention Program to assist students who qualify for special education services. The Achievement Via Individual Determination (AVID) program is offered to students who are interested in developing the skills necessary for college preparatory courses in high school. In addition, our students have a wide variety of enrichment opportunities.

Professional Development

KAMS remains dedicated to meeting the needs of every student and eliminating the achievement gap through culturally responsive instruction, developing positive student relationships, and planning lessons that students can relate to their daily life. We focus on formative assessment & feedback in order to improve outcome for our students. Ongoing training with instructional coaches, administration and experienced teachers help to move our school in a positive direction. Late start Thursdays provide staff with an hour each week for Professional Learning Communities (PLCs) to review student work, identify strengths and weaknesses, create common assessments, and develop action plans for improving teacher and student performance. KAMS teachers engage in department release days and vertical articulation with our eight feeder elementary schools and high school.

## Addendum

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC Web Application as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020-2021 school year in order to meet the federal Every Student Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020-2021 school year and the 2020-2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC Web Application. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020-2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.

Note: N/T values indicate that the schools in this LEA did not test students using the CAASPP for Mathematics.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.
