# Suggested Follow-Up Actions

- Continue the distribution and analysis of a targeted follow-up survey to parents of applicants, especially regarding specific safety responses
- Continue work promoting regional activities and connections between sites
- Continue supporting principals in developing strong programs at their sites
- Maintain Marketing Campaign, Outreach and Regional Branding
- Continue Staffing Augmentation to designated schools

# Open Enrollment Caps

At the January 26, 2022 Board Workshop, the Board approved Open Enrollment caps at three schools

Of these schools, Elizabeth Pinkerton and Edward Harris Middle Schools and Cosumnes Oaks High School will need to impose the approved cap

School	Net Cap	Net Impact of Transfer Requests
Elizabeth Pinkerton Middle School	100	143
Edward Harris Middle School	100	117
Cosumnes Oaks High School	100	149

# Open Enrollment Considerations:

For the past 14 years, the Board has approved a cap of 5%, limiting the number of students leaving any single school to ensure that every school enrolls sufficient students to maintain a comprehensive instructional program

In order to ensure program stability at all schools, it is recommended that a cap again be approved this year for schools losing more than 5% of enrollment through Open Enrollment transfer

These schools are:

- Samuel Jackman Middle School 7.9%
- James Rutter Middle School 12.3%

# Open Enrollment Random Selection Process Recommendations

Should the Board approve the 5% cap at Samuel Jackman and James Rutter middle schools, it will be determined through a computerized random selection process which students will enroll at their schools of choice

The selection process also will determine which 100 students will be allowed to transfer to Elizabeth Pinkerton and Edward Harris middle schools and Cosumnes Oaks high school, pursuant to the cap.
