Conditions:

- 1 DDP (Delivery duty paid) site – A&T Europe S.p.A. pays freight, duty, insurance and brokerage.
- 2 Delivery – 90-100 days from written approval of our drawings, unless agreed in writing elsewhere by A&T Europe S.p.A. / Myrtha Pools.
- 3 All purchase orders and payments must be issued to A&T Europe S.p.A., Via Solferino, 27 – 46043 Castiglione d/Stiviere (MN) per Piggy Back #3
- 4 Payment Terms: Per Wiseburn Unified School District Piggyback #3-Prefab, Aquatic Pool Components.
- 5 No firm prices will be quoted until their are 100% DD architectural drawings.
- 6 All taxes extra – some taxes may be payable by customer prior to customs release.
- 7 Civil works, site works, excavation & hauling, concrete works, installation, sealing, backfill, deck construction, coping, electrical works, grounding works, mechanical works and commissioning works are not included in this supply only price.
- 8 Dewatering, if necessary, is the responsibility of others, not A&T Europe / Myrtha Pools.
- 9 Concrete footings and floor must have a helicopter or trowel finish, (smooth and glossy as detailed in our Myrtha installation manual and guide.). Finish not meeting the Myrtha Pools standards, will be at the cost of others.

- 10 Engineering works are not included, but A&T Europe / Myrtha Pools can provide structural calculations to local engineers.
- 11 Drawings are to be transmitted electronically. Price includes up to one revision.
- 12 Items not specifically included in the referenced quotation are not included in the Net Sell Price.
- 13 A&T Europe S.p.A. / Myrtha Pools reserves the right to make changes to the pool component design at their discretion.
- 14 Buyer is responsible for providing any required color selections in a timely manner. Samples will be provided upon request. If selections are not received for any items and A&T Europe S.p.A. / Myrtha Pools is directed to proceed with the manufacture and shipment of the goods without any item, Buyer will be responsible for any and all costs associated with the shipment of these materials.
- 15 Prior to shipment a material list will be generated based on the approved shop drawings. It is the responsibility of the purchaser to approve the material list in writing before acceptance of delivery. Seller will not be responsible for any perceived material shortages based on the approved material list.
- 16 Installation of the Myrtha Pool components must be carried out by an authorized Myrtha installer or supervised by an authorized factory supervisor. Authorization of installers and supervisors is at the sole discretion of A&T Europe S.p.A. / Myrtha Pools. Installation by unauthorized technicians or against our recommendations will void or jeopardize the Myrtha guarantee and warranty obligations.
- 17 All fittings or accessories installed within the Myrtha Pool must be provided by A&T Europe or, where this is not practicable, must be approved for installation in writing by A&T Europe S.p.A. / Myrtha Pools. Lack of such approval will jeopardize the Myrtha guarantee and warranty obligations.
- 18 Shipping containers when delivered, must be unloaded immediately and not left on site. Other arrangements may be made directly with the freight forwarding company at the distributors expense. A&T Europe will not have any liability or expense.
- 19 Incidental shipping charges and clearance charges are the responsibility of the distributor/customer.
- 20 Purchaser is responsible for confirming the shipment of materials within 21 days of delivery. Any perceived deficiencies will not be the responsibility of the sealer beyond that deadline.
- 21 The owners of the facility must execute a continual maintenance program. Should the pool not be maintained, this will jeopardize Myrtha's warranty.**

Guarantee – Myrtha offers a 25-year guarantee on Myrtha wall and structural components and 10-year guarantee on floor membrane. *There is a one-year guarantee on all other components.*

Sincerely,

A&T Europe / Myrtha Pools USA
