Title: Agenda Proposal — Agenda Item Submission

For a 6pm meeting on Tuesday, the school board welcomes public agenda additions until 6pm the preceding Tuesday.

The current practice of holding agenda meetings prior to that has a de facto impact of excluding the public from the agenda setting process, a role guaranteed by the bylaws of this board.

As a matter of good governance, agenda meetings must be held after the public deadline to submit an agenda item and with enough clerical time to place the item before the agenda committee.
