Note: Education Code 8212, as renumbered by AB 131, requires that the notice include the location to obtain a complaint form and provides that posting a notice downloadable from the California Department of Education's web site will satisfy this requirement. The law does not require that complaint forms be placed in any specific location. The following paragraph lists locations where complaint forms may be available and should be modified to reflect district practice, including adding the school and district web site addresses.

If you choose to file a complaint alleging that any of the above conditions is not being met, your complaint will be addressed through the district's uniform complaint procedures as required by law. A complaint form may be obtained at the school or district office, or downloaded from the school or district web site. You may also download a copy of the California Department of Education complaint form when available from the following web site: <http://www.cde.ca.gov/re/cp/uc>. However, a complaint need not be filed using either the district's complaint form or the complaint form from the California Department of Education.
