## WOMEN'S HISTORY MONTH

---

### **RESOLUTION NO. 21-22/43**

*Honoring the life, accomplishments, and legacy  
of Women in the United States of America.*

**WHEREAS**, American women of every race, class and ethnic background have made historic contributions to the growth and strength of our nation in countless recorded and unrecorded ways, especially in the areas of education, political and social change; and

**WHEREAS**, we celebrate this year's theme, "Providing Healing, Promoting Hope." This theme recognizes the many ways in which women have provided healing and hope to humanity for countless generations.

**WHEREAS**, the United States boasts a rich history of women whose vast and courageous achievements speak to the sense of excellence and potential shared by all Americans; and

**WHEREAS**, our country would not have attained its greatness without the strength, bravery, insight and persistence of the women who have come before us; and

**WHEREAS**, American women have played, and continue to play, critical economic, cultural, political and social roles in every sphere of the life of the nation by constituting a significant portion of the labor force working inside and outside of the home and in professions from educator to astronaut; and

**WHEREAS**, women have played a major role in the defense of our nation, both on and off the battlefield and have permanently changed the face of American government and politics; and

**WHEREAS**, women were particularly important in the establishment of early charitable, philanthropic, and cultural institutions in our Nation; and

**WHEREAS**, American women have been leaders, not only in securing their own rights of suffrage and equal opportunity but also in the abolitionist movement, the emancipation movement, the industrial labor movement, the civil rights movement, the labor movement and other movements that created a more fair and just society for all; and

**WHEREAS**, despite these contributions, the role of women in history has been consistently overlooked and undervalued, in the literature, teaching and study of history; and

**WHEREAS**, in recognition of the contributions of women, the United States Congress has passed a resolution each year since 1987 designating the month of March as "Women's History Month".

**NOW, THEREFORE, BE IT RESOLVED**, that we, the Governing Board of the Lynwood Unified School District, on behalf of the students within our schools and the people we represent, take this opportunity to recognize March 2022 as Women's History Month within the Lynwood Unified School District.

**BE IT FINALLY RESOLVED**, that we encourage the students, staff and administration within the Lynwood Unified School District to observe Women's History Month by participating in programs, ceremonies and activities that foster an awareness of and appreciation for the contributions made by women that have benefited and improved society and request that the Superintendent identify appropriate and lasting programs which support Women's History Month and the many achievements of women.

**PASSED AND ADOPTED** by the Governing Board of the Lynwood Unified School District on February 24, 2022.
