Status: ADOPTED

Original Adopted Date: 05/07/2013 | **Last Revised Date:** 05/25/2021 | **Last Reviewed Date:** 05/25/2021

The Governing Board recognizes that the district has the primary responsibility to ensure compliance with applicable state and federal laws and regulations governing educational programs. The Board encourages the early resolution of complaints whenever possible. To resolve complaints which may require a more formal process, the Board adopts the uniform system of complaint processes specified in 5 CCR 4600-4670 and the accompanying administrative regulation.

Complaints Subject to UCP

The district's uniform complaint procedures (UCP) shall be used to investigate and resolve complaints regarding the following programs and activities:

1. Accommodations for pregnant and parenting students (Education Code 46015)
2. Adult education programs (Education Code 8500-8538, 52334.7, 52500-52617)
3. After School Education and Safety programs (Education Code 8482-8484.65)
4. Agricultural career technical education (Education Code 52460-52462)
5. Career technical and technical education and career technical and technical training programs (Education Code 52300-52462)

9. Course periods without educational content (Education Code 51228.1-51228.3)
10. Discrimination, harassment, intimidation, or bullying in district programs and activities, including in those programs or activities funded directly by or that receive or benefit from any state financial assistance, based on a person's actual or perceived characteristics of race or ethnicity, color, ancestry, nationality, national origin, immigration status, ethnic group identification, age, religion, marital status, pregnancy, parental status, physical or mental disability, medical condition, sexual orientation, gender, gender identity, gender expression, or genetic information, or any other characteristic identified in Education Code 200 or 220, Government Code 11135, or Penal Code 422.55, or based on the person's association with a person or group with one or more of these actual or perceived characteristics (5 CCR 4610)
11. Educational and graduation requirements for students in foster care, homeless students, students from military families, and students formerly in a juvenile court school (Education Code 48645.7, 48853, 48853.5, 49069.5, 51225.1, 51225.2)

24. Any complaint alleging retaliation against a complainant or other participant in the complaint process or anyone who has acted to uncover or report a violation subject to this policy
25. Any other state or federal educational program the Superintendent of Public Instruction or designee deems appropriate

The Board recognizes that alternative dispute resolution (ADR) can, depending on the nature of the allegations, offer a process for resolving a complaint in a manner that is acceptable to all parties. An ADR process such as mediation may be offered to resolve complaints that involve more than one student and no adult. However, mediation shall not be offered or used to resolve any complaint involving sexual assault or where there is a reasonable risk that a party to the mediation would feel compelled to participate. The Superintendent or designee shall ensure that the use of ADR is consistent with state and federal laws and regulations.

The district shall protect all complainants from retaliation. In investigating complaints, the confidentiality of the parties involved shall be protected as required by law. For any complaint alleging retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the Superintendent or designee shall keep the identity of the complainant, and/or the subject of the complaint if different from the complainant, confidential when appropriate and as long as the integrity of the complaint process is maintained.

When an allegation that is not subject to UCP is included in a UCP complaint, the district shall refer the non-UCP allegation to the appropriate staff or agency and shall investigate and, if appropriate, resolve the UCP-related allegation(s) through the district's UCP.

The Superintendent or designee shall provide training to district staff to ensure awareness and knowledge of current law and requirements related to UCP, including the steps and timelines specified in this policy and the accompanying administrative regulation.

The Superintendent or designee shall maintain a record of each complaint and subsequent related actions, including steps taken during the investigation and all information required for compliance with 5 CCR 4631 and 4633.

Non-UCP Complaints

The following complaints shall not be subject to the district's UCP but shall be investigated and resolved by the specified agency or through an alternative process:

1. Any complaint alleging child abuse or neglect shall be referred to the County Department of Social Services Protective Services Division or the appropriate law enforcement agency. (5 CCR 4611)
2. Any complaint alleging health and safety violations by a child development program shall, for licensed facilities, be referred to Department of Social Services. (5 CCR 4611)
3. Any complaint alleging that a student, while in an education program or activity in which the district exercises substantial control over the context and respondent, was subjected to sexual harassment as defined in 34 CFR 106.30 shall be addressed through the federal Title IX complaint procedures adopted pursuant to 34 CFR 106.44-106.45, as specified in AR 5145.71 - Title IX Sexual Harassment Complaint Procedures.
