Congratulations! Your program has been selected by Anderson Children's Foundation to receive funding for 2021-2022. Your check is included with this letter.

This year ACF received 156 grant applications requesting a total of \$2,857,233. We are funding 95 of these grants with the \$1,430,091 that we are giving to enhance lives of children in the Coachella Valley.

ACF strives to support you in using these funds awarded to successfully fulfill the goals described in your application. Brianna Uhlhorn, Director of Grants and Media, will visit your organization intermittently throughout the year to observe, evaluate, consult, and report. Please have a clear list of expenditures to date prepared when she arrives. Also, upon invitation, Brianna will attend events that are relevant to the children participating in your funded project.

Again, congratulations! We look forward to partnering with you in nurturing the youth of our community.

Sincerely,
