TOTAL INVESTMENT SUMMARY

Borel Middle School

425 Barneson Ave San Mateo, CA 94402 San Mateo Foster City School District

Description	Investment
College and Career Ready Lab	65,020.00
College and Career Ready Expendables	1,550.00
College and Career Ready Expendables Certificate	
Elementary Career Lab (grades 4, 5, 6)	-
Orientation Package	No Charge
72-0600 Paxton Content Learning Management System (see PCLMS tab)	2,800.00
Furniture	31,927.00
Estimated Sales Tax	6,324.15
Setup & Assembly	4,000.00
Furniture Shipping Cost (Delivery-Lab)	3,931.00
Teacher Professional Development	1,400.00
Investment Summary Total	\$116,952.15

District Provided Windows Computers	4
District Provided Other Devices (i.e. Chromebooks)	28
District Provided iPads	4

TERMS AND CONDITIONS

Prices quoted include delivery charges and estimated local tax if applicable. Actual sales tax should be added to your purchase order since they sometimes vary for state, city & county tax rates.

- Please note: Installation and Teacher Professional Development are non-taxable items

Payment Terms: Net 30 days from date of invoice. Check payment should be sent to remit to address on the invoice, credit card payments will not be accepted.

Quote is valid for 90 days.

One-Year Warranty Terms

Borel Middle School 425 Barneson Ave San Mateo, CA 94402 San Mateo Foster City School District

Valued Customer:

Thank you for purchasing a Paxton/Patterson learning system. Your purchase includes warranty protection from defects in materials and workmanship when the learning system is used under appropriate educational conditions.

Key aspects of the warranty are:

• Your warranty period starts when your lab is installed and ends one year later.

• Equipment which does not perform properly will be repaired or replaced with a new or remanufactured product. The replacement or repaired equipment remains under warranty for the balance of the original warranty period.

• If there are any integrated instructional unit guidebook pages which we modify due to an inaccuracy preventing student learning, those pages will immediately be reprinted and mailed to you.

• Please contact our learning systems technical support staff at 800.631.0158 for equipment matters.

Technical Support:

• Your lab instructor will participate in our four step professional development program, Register, Complete Online Lessons, 4 hour On-Site Support Session and Attend Regional Workshop(optional).

• Should your instructor have questions about the learning system after completing professional development, our technical support staff is available Monday – Friday 7:00am to 5:00pm central time. If needed our staff can also be available by appointment at other times to provide technical support to your instructor. Except in unusual situations, technical support can be quickly and conveniently accessed via telephone, email and use of our "desktop streaming" support technology.

• We have consistently found that when an additional instructor is assigned to a lab or a new instructor is hired to replace the instructor who had completed professional development, the new instructor definitely needs to complete professional development just as your first instructor did. New instructors need considerably more formal training to effectively use the learning system lab than our tech support staff can provide via telephone.

Exclusions to this warranty include: (a) consumable materials like paints and finishes, batteries, sanding materials and worksheets, (b) failure caused by misuse or accidents, (c) theft or "mysterious" disappearance, (d) normal wear and tear on guidebooks, textbooks, videos and other printed materials, and (e) damaged or lost computer software – CDs and diskettes. In conformity with your district's copyright law compliance policy we recommend that back-up copies be made of all computer software (CDs) exclusively for use in the learning system covered by this warranty.

Best regards, Nate Schuessler President

PAXTON PATTERSON

4141 W. 126th St., Alsip, IL 60803 Phone: 877-243-8763 FAX: 708-594-1907 Borel Middle School Irneson Ave San Mateo, CA 94402 n Mateo Foster City School District DATE: 03/09/2022

PAXTON/PATTERSON (PP) LEARNING SYSTEMS CONTENT DELIVERY

PP will provide the Paxton Content Learning Management System for 60 months with a service start date to be set after installation by PP.

During the 60 months PP will:

· Provide access to Learning System content from modern browsers.

 \cdot Provide updates to Learning System content and to the Paxton Content Learning Management System.

During the 60 months it is likely that some 3rd party providers of equipment, software, and licensed assets included in your original purchase will upgrade their products. It is impossible to predict the scope of these potential future upgrades by 3rd party sources, therefore PP has not "built in" any costs for those items in the original purchase prices.

 \cdot PP will advise you well in advance of the upgrade potentials being available, advising you of how the upgrade will enhance student learning and the costs of the upgraded equipment, software and/or licensed assets.

 \cdot <u>Most importantly</u>, no purchase of upgraded equipment, software or licensed assets will be required at any time during the 60 months – because the PP learning system originally purchased will be supported during the entire 60 months.

 \cdot The only time that it may be necessary to upgrade equipment, software or licensed assets is if your school chooses to upgrade to a newer operating system that is not compatible with the originally purchased 3rd party equipment, software, or licensed assets.
