Summer Curriculum

Student Eligibility

Extended School Year (ESY)

Students with IEPs who exhibit significant regression and learning recoupment from the summer break, as determined by the IEP team.

General Education Program

- Students in General Education (multilingual learners, socio-economic status)
- Students in Special Education (including students served in a Special Day Class and in General Education)
- Winter Fountas & Pinnell and Reading Inventory Data
- Winter Math CFA data
- School recommendations based on data

GENERAL EDUACTION ELIGIBILITY

1

INITIAL DATA LIST

District staff creates master spreadsheet of all current Kinder through 7th grade students: demographics, special education, 504, language, SES, local assessment data

2

ORDERING CRITERIA

Students are sorted by grade level using ELPAC scores, SES status, SPED and 504 identification, reading and math data

3

STAFFING

Preliminary classes are built based on the number of employees working summer school and their grade level experience

4

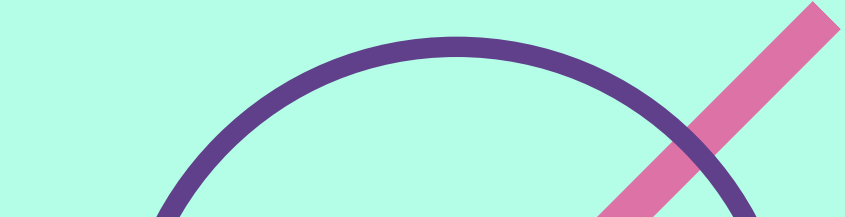

STAFF INPUT

Sites prioritize or recommend additional students. Ed Services and SPED identify students not eligible for ESY

5

STUDENT INVITATIONS

District staff individually call families to invite their children to summer school and to complete summer school enrollment form until all spaces are filled

Anticipated Capacity

GENERAL EDUCATION

- 20 Teacher Applications
- Classes of approx 18 students
- Ability to serve ~350-400 students

EXTENDED SCHOOL YEAR

- Anticipating approx. 120 students
