			Subtotal	\$38,071.00
			Sales Tax (9.625%)	\$2,947.75
			Estimated Freight	\$1,039.93
			<b>TOTAL</b>	<b>\$42,058.68</b>

**Terms and Conditions**

- Payment:** Net 30 days after date of invoice, subject to credit approval  
Quoted equipment will not be subject to project retention and invoices must be paid in full  
Purchase is not eligible for payment by credit card
- Interest:** 18% APR is charged on all past due invoices
- Returns:** Not applicable - equipment not eligible for return
- Freight:** Costs related to inbound shipping for equipment, parts & materials are noted above
- Freight Damage:** Any freight damage must be noted on the Bill of Lading at time of delivery.  
If you suspect there may be concealed damage it also must be noted on the BOL and on the delivery receipt. However, you must fully inspect your order within 72 hours of delivery to make a freight claim on damaged items.
- Sales Tax:** Subject to sales tax rate as noted above
- Validity:** **Due to the extreme volatility of the market at the current time, pricing is valid for a period of 30 days only, from the date of quote. KSI is unable to cover any manufacturer materials or labor increases after the 30 day period**
- Note:** Labor costs are based on initial inspection or customer's description of situation. Additional cost may be incurred if technician discovers more work is required to complete the project due to unforeseen circumstances. All labor rated quoted meets current California DIR and Prevailing Wage requirements.
- Exclusions:** Pricing excludes Health Department plan check fees; payment and/or performance bond fees

Please review this quote and if acceptable, please sign and provide a purchase order number, if applicable and return via email to [janea@knorrsystems.com](mailto:janea@knorrsystems.com).  
Thank you for the opportunity to be of service.

Re: Burlingame HS Pump Replacement - Burlingame, California

**WATERWORKS INDUSTRIES, INC. SCOPE OF WORK**

WATERWORKS INDUSTRIES, INC. hereby proposes to provide a replacement pump at the BHS Project as described herein.

1. Remove existing Paco 40HP pool recirculation pump.
2. Reconnect electrical to new pump motor and reprogram SPCS settings to match new pump and motor.
3. Provide and install the following equipment:
  - a. PACO/Grundfos 8015-3/4 KPVS 40HP pump rated for 1725 GPM @ 60TDH 1200 RPM.
4. One-year warranty on installation and materials, one year limited factory warranty on factory purchased equipment for normal usage conditions.
5. Testing and Start-Up of pool pump system.
6. Submittals and O & M Manuals in electronic format.

**PROPOSAL VALUE AND NOTES**

7. Several fixtures are considered "lead time" items and we will need sufficient time to arrange for ordering and delivery of the product, and may require a deposit before release of order fabrication and/or shipping to be paid by project owner.
8. This proposal does not constitute acceptance without negotiation of a General Subcontract Agreement between the Owner/GC or any other entity and Waterworks Industries, Inc.

**PRICING:**

We hereby propose to provide the listed equipment, materials, labor, etc. to complete the work as described in Exhibits A&B for the sum of **FIFTY SEVEN THOUSAND ONE HUNDRED DOLLARS EVEN (\$57,100.00).**

<b>ADD: GLOBE CHECK VALVE 12"</b>	<b>\$19,430.00</b>
<b>ADD: BUTTERFLY VALVE 12"</b>	<b>\$4,365.00</b>

**This price is good for a period of 60 days.**

Please call me with any questions you have regarding this proposal.

Sincerely,  
Mathais Toupin  
President
