

School Year: **2022-23**

# School Plan for Student Achievement (SPSA) Template

Instructions and requirements for completing the SPSA template may be found in the SPSA Template Instructions.

School Name	County-District-School (CDS) Code	Schoolsite Council (SSC) Approval Date	Local Board Approval Date
Matthew Turner Elementary School	48-70524-6111165	4.28.22	

## Purpose and Description

Briefly describe the purpose of this plan (Select from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

NA

Briefly describe the school's plan for effectively meeting the ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

NA

# Comprehensive Needs Assessment Components

## Data Analysis

Please refer to the School and Student Performance Data section where an analysis is provided.

## Surveys

This section provides a description of surveys (i.e., Student, Parent, Teacher) used during the school-year, and a summary of results from the survey(s).

Our school uses a variety of surveys to understand the student and family experience. One survey we give is the REACH survey. This survey focuses on understanding relationships, effort, aspirations, cognition and heart (interests) of students. In addition, our School Site Council creates a survey for families each year. This survey asks questions about the school experiences, safety, communication, and our overall school climate.

We sent out our first survey in October and we plan to send another out in May. We will also be creating a small survey to provide our tk-2 students.

Results from these surveys are analyzed by our School Site Council as well as our staff. These results are used in creating goals for our School Plan for Student Achievement.

Trends from the surveys that informed this Single Plan for Student Achievement were needed to showcase the work, programs and achievements of our school via ParentSquare and to create better ways for the families to connect with the school during a year still within a pandemic.

## Classroom Observations

This section provides a description of types and frequency of classroom observations conducted during the school-year and a summary of findings.

Site and District Administrators are in and out of classrooms on a daily basis. These informal walkthroughs provide an ongoing glimpse into day to day instructional practices, learning, student engagement and classroom environment. Site administrators use these informal walkthrough notes to have reflective conversations with teachers about their practice and student learning and to network teachers for peer to peer support.

In addition to informal classroom walkthroughs, formal observations are conducted in collaboration with teachers who are on the evaluation cycle. These teachers participate in planning and reflecting conferences as well. During these conferences, the administrator and teacher review the evidence collected during the observation, use rubrics and other tools that describe levels of performance and discuss areas of strength and focus areas.

As a school, areas of focus for instruction, learning and culture are guided reading and conferring, culturally responsive teaching, and student centered learning. These areas of schoolwide focus emerged from evidence and trends seen during both informal and formal classroom visits and are supported by schoolwide data.

## **Analysis of Current Instructional Program**

The following statements are derived from the Elementary and Secondary Education Act (ESEA) of 1965 and Essential Program Components (EPCs). In conjunction with the needs assessments, these categories may be used to discuss and develop critical findings that characterize current instructional practice for numerically significant subgroups as well as individual students who are:

- Not meeting performance goals
- Meeting performance goals
- Exceeding performance goals

Discussion of each of these statements should result in succinct and focused findings based on verifiable facts. Avoid vague or general descriptions. Each successive school plan should examine the status of these findings and note progress made. Special consideration should be given to any practices, policies, or procedures found to be noncompliant through ongoing monitoring of categorical programs.

## **Standards, Assessment, and Accountability**

Use of state and local assessments to modify instruction and improve student achievement (ESEA)

CAASPP data and local benchmark data are used to inform instruction. While being in virtual learning in the 2020-2021 school year, we needed to utilize alternative assessments like Fn P, Dibels and the assessments for the Zearn math program. On a typical year as a staff, data is analyzed at the school, graded three times per year. Teachers use this data to identify students who are in need of intervention and other in-class support. Individual student plans are created by teachers for any student not meeting grade level standards.

Use of data to monitor student progress on curriculum-embedded assessments and modify instruction (EPC)

Data is at the center of all work done as a school site. This work is anchored in state, district, school and classroom data and includes, but is not limited to: attendance, suspension, grades, SBAC/CAASPP/NWEA, surveys, benchmarks, and classroom assessments. Data is used to look at areas of success as well as areas that need improvement. We work to determine the root causes for our performance in these areas and then utilize evidence-based practices to support our students' success.

Our District is implementing a new data management system, Aries, to support all administrators and teachers in using data to improve student outcomes. Ongoing training will be provided so that all staff have the technical skills along with the data inquiry knowledge to access and use data to drive instruction and meet students' academic needs.

In returning from the Covid-19 pandemic we are working to collect consistent, reliable data. Based on our data analysis using multiple measures, the following are areas of focus for our continued work:

#### ELA

NWEA Data Winter, 2022:

2nd-5th Grades

Percentage of students who met growth projection - %

2nd 34%

3rd 33%

4th 36%

5th 58%

CAASPP Spring, 2022: Baseline to be attained

#### Math

NWEA Data Winter, 2022:

2nd-5th Grades

Percentage of students who met growth projection - %

2nd 42%

3rd 41%

4th 55%

5th 59%

CAASPP Spring, 2022: Baseline data to be gathered

#### Attendance/Chronic Absenteeism

TBD

#### Suspension

TBD

Use of data to monitor student progress on curriculum-embedded assessments and modify instruction (EPC)

For students "not meeting" performance goals in either ELA, Math, Attendance, or Suspension, site level teams will initiate a process to identify the cause and determine appropriate interventions and supports to facilitate students reaching their academic goals. Ongoing monitoring of student

progress toward these goals occurs in a variety of ways including, but not limited to observations, interviews, assessments, and/or anecdotal notes. Progress monitoring records are reviewed routinely as a school site team to ensure that students are continuing to make progress and determine if changes need to be made to student goals.

In a typical year, in addition to our two staff development days, all teachers are provided with three LCAP Content Collaboration Days throughout the year. The purpose of these days is to provide time for grade levels and/or departments/teams to work together on content specific topics. We will reintroduce these PD days in the 2022/23 school year.

## **Staffing and Professional Development**

Status of meeting requirements for highly qualified staff (ESEA)

We meet all the requirements for employing highly qualified staff.

Sufficiency of credentialed teachers and teacher professional development (e.g., access to instructional materials training on SBE-adopted instructional materials) (EPC)

All of our credentialed teaching positions in BUSD are filled. We provide two staff development days for all BUSD credentialed staff each year. Typically these days offer some mandatory sessions along with choice sessions. The topics for the sessions vary based on site and district needs as identified by our data or teacher needs and interests especially when new technology or curriculum is being implemented. Some recent offerings were in culturally responsive practices and Universal Design for Learning. Both of these areas of focus were in response to ensuring we were meeting the needs of all student groups. Positive Behavior Intervention and Supports (PBIS) continues to be another area of professional learning as we work toward lowering our suspension and chronic absenteeism rates across the District.

In addition to our two staff development days, all teachers are provided with two LCAP Content Collaboration Days throughout the year. The purpose of these days is to provide time for grade levels and/or departments/teams to work together on content specific topics. For instance, our K-1 teachers were recently trained in our newly adopted Phonics program.

Alignment of staff development to content standards, assessed student performance, and professional needs (ESEA)

All staff development is based on student performance needs as well as professional needs. Teachers often have choice sessions during our professional development days. The choices are pulled from teacher input on previous professional learning surveys and other feedback collected from teachers and administrators.

Ongoing instructional assistance and support for teachers (e.g., use of content experts and instructional coaches) (EPC)

Site administrators along with our Teacher on Special Assignment (TOSA) offer support to teachers in instructional practices, assessment and using data to guide instruction. Additionally, mentor teachers will be given to any teacher who qualifies based on the results of his/her evaluation.

Teacher collaboration by grade level (kindergarten through grade eight [K–8]) and department (grades nine through twelve) (EPC)

Teachers in grades Tk-8 have Common Planning Time (CPT) each Friday as students are released early on that day. Teachers set their own agendas for these common planning meetings. However, site administrators collect agendas and minutes from teams so they are better able to support their work.

In addition, leadership team or department meeting times are used to promote instructional practice, work on protocols to monitor student progress, conduct a data study, or look at student work together. These meetings occur once per month.

Our school will assist preschool students in the successful transition from early childhood programs to the school by having 3 sneak peak sessions, consultation with early childhood staff, and progress monitoring. Principals also attend pre school IEPs to assist in transition.

## Teaching and Learning

Alignment of curriculum, instruction, and materials to content and performance standards (ESEA)

The use of California Common Core State Standards are at the heart of all the instructional practices. Teachers and teacher teams have retraining and reflection time each year to revisit the standard and map them to their lessons and curriculum. This is done through grade level/department team time, staff meeting time, and LCAP Content Collaboration Days. Any new curriculum adoption is thoroughly vetted through a District protocol and process to ensure that the curricula under review meets the expected standards.

Adherence to recommended instructional minutes for reading/language arts and mathematics (K–8) (EPC)

We adhere to the recommended instructional minutes for reading/language arts and mathematics as put forth by the District and the suggested time allotments in our adopted materials.

Lesson pacing schedule (K–8) and master schedule flexibility for sufficient numbers of intervention courses (EPC)

Teachers and teaching teams/departments with support from District administrators create pacing guidelines to ensure that the priority standards have sufficient time so students can demonstrate mastery. Students receiving support through intervention classes and opportunities are monitored throughout the year to ensure that students are making progress or if a change in support is needed. Students are able to move in and out of intervention support opportunities as needed.

Availability of standards-based instructional materials appropriate to all student groups (ESEA)

All students have access to relevant and needed standards-based instructional materials.

Use of SBE-adopted and standards-aligned instructional materials, including intervention materials, and for high school students, access to standards-aligned core courses (EPC)

All teachers use adopted and standards-aligned instructional materials, including intervention materials. These materials are reviewed regularly and teachers work with site and District administrators to determine if there are gaps or overlaps in the materials being used.

## **Opportunity and Equal Educational Access**

Services provided by the regular program that enable underperforming students to meet standards (ESEA)

All teachers provide opportunities for differentiated instruction throughout the school day. For instance, students participate in book clubs, independent reading and small group reading instruction at their level. Levels are monitored frequently and children change levels as needed. In addition, the curriculum materials used in the classrooms have resources to support students who are struggling, learning English or who have already mastered the content.

Intervention teachers and instructional assistants pull small groups of students who need extra time and support in reading in the primary grades. These groups are monitored and students are exited as soon as they meet delineated criteria. Students and teachers have access to supplementary materials and online programs in the classroom that are designed to provide extra support and practice to meet each child's needs.

## Evidence-based educational practices to raise student achievement

Teachers use adopted, standards-aligned curriculum as their core instructional materials. They focus on teaching the standards, check frequently for understanding, analyze student work and data and use this information to reteach or redirect learning experiences for students. Teachers use practices such as increased student talk as a way to actively engage students in greater portions of the instructional day, students write about their learning in all content areas, use model drawing, identify what didn't work in a given problem, and participate in close reading experiences. Students read a range of texts with increasing amounts of non-fiction as they advance in grades. They read and view a variety of materials on a given topic and are asked to use evidence from the texts to draw conclusions. Teachers create experiences for students to engage in rich and rigorous learning experiences that stretch them as learners.

## Parental Engagement

Resources available from family, school, district, and community to assist under-achieving students (ESEA)

Students who need extra support may receive assistance through a variety of opportunities which may include intervention during or after the school day, tutoring during or after the school day, availability of supplementary curriculum, and mentors. Student Success Teams (SSTs) are held throughout the year as a way for school teams to continue to monitor student progress and use our Multi-tiered System of Support (MTSS) to provide students the level of support they need at a given time in a given area.

Involvement of parents, community representatives, classroom teachers, other school personnel, and students in secondary schools, in the planning, implementation, and evaluation of ConApp programs (5 California Code of Regulations 3932)

N/A

## Funding

Services provided by categorical funds that enable underperforming students to meet standards (ESEA)

N/A

Fiscal support (EPC)

NA

# Stakeholder Involvement

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

## Involvement Process for the SPSA and Annual Review and Update

### Involvement Process:

Our school staff held approximately 17 based meetings or input structures in consultation with all stakeholder groups including parents and school personnel, management in the development of our 2022-23 School Plan for Student Achievement and Annual Update. We used many collaborative opportunities in an effort to hear all voices and stakeholders.

Our school also used electronic surveys or observation data to ensure that the stakeholder engagement process was inclusive. Data was gathered pertaining to student performance, actions, services and programs. School staff collected responses between all data gathering methods. The data analysis process was used to cull major themes and patterns from this survey.

### Structure of the SPSA input meetings:

Each presentation began with a presentation of the role and purpose of the Single School Plan for Student Achievement, how the funding was linked to the LCAP, accountability measures used and the current goals and actions. Local benchmark/grade data and state data was reviewed and highlights from this data discussed. Participants were then asked reflection and evidence-based questions to give feedback on the impact of the current goals and actions. This feedback was collected electronically or by pencil/paper.

### Data collection process:

Data from all stakeholder meetings were collected. All data was documented and included the information from all stakeholder groups. The School Site Council, a group of staff, parents and administrators from across the school, and the school leadership/department chair teams met to review the data and the initial themes that emerged.

### Prioritization and ranking of the data collected:

Following all the stakeholder engagement input sessions, different staff and parent groups ranked the priorities for each goal. This information was then shared with School Site Council for review and adoption. The following is a detail of the meeting dates held with each stakeholder group.

August 16 Faculty Meeting  
September 27 Leadership Meeting  
October 6 Site Council Meeting  
October 18 Faculty Meeting  
November 3 Site Council Meeting  
November 17 PTA Meeting  
December 1 Site Council Meeting  
December 20 Leadership Meeting  
January 24 Faculty Meeting  
January 26 Site Council Meeting  
February 9 Site Council Meeting  
February 28 Faculty Meeting  
March 9 Site Council Meeting

March 28 Leadership  
April 4 Faculty Meeting  
April 5 Site Council Meeting  
April 21 Site Council Meeting

## Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

NA

# School and Student Performance Data

## Student Enrollment Enrollment By Student Group

Student Enrollment by Subgroup						
Student Group	Percent of Enrollment			Number of Students		
	18-19	19-20	20-21	18-19	19-20	20-21
American Indian	0.4%	0.21%	%	2	1	
African American	4.82%	3.79%	4.6%	24	18	22
Asian	5.42%	5.89%	5.9%	27	28	28
Filipino	10.04%	10.11%	10.7%	50	48	51
Hispanic/Latino	15.86%	17.26%	18.6%	79	82	89
Pacific Islander	0.2%	0.21%	0.2%	1	1	1
White	46.99%	47.16%	42.4%	234	224	203
Multiple/No Response	16.27%	15.37%	17.5%	81	73	84
	<b>Total Enrollment</b>			498	475	479

## Student Enrollment Enrollment By Grade Level

Student Enrollment by Grade Level			
Grade	Number of Students		
	18-19	19-20	20-21
Kindergarten	94	93	98
Grade 1	73	76	75
Grade 2	75	73	78
Grade3	77	77	70
Grade 4	76	82	74
Grade 5	103	74	84
<b>Total Enrollment</b>	498	475	479

### Conclusions based on this data:

1. Our school's Hispanic/ Latino student population is gradually increasing.
2. Our school's White student population has decreased by 4% over the last three years.
3. Our kindergarten enrollment over the last three years is gradually increasing. This is a positive trend.

# School and Student Performance Data

## Student Enrollment English Learner (EL) Enrollment

English Learner (EL) Enrollment						
Student Group	Number of Students			Percent of Students		
	18-19	19-20	20-21	18-19	19-20	20-21
English Learners	26	14	8	5.2%	2.9%	1.7%
Fluent English Proficient (FEP)	21	30	15	4.2%	6.3%	3.1%
Reclassified Fluent English Proficient (RFEP)	0	15	0	0.0%	57.7%	0.0%

Conclusions based on this data:

1.

# School and Student Performance Data

## CAASPP Results English Language Arts/Literacy (All Students)

Overall Participation for All Students												
Grade Level	# of Students Enrolled			# of Students Tested			# of Students with			% of Enrolled Students		
	17-18	18-19	20-21	17-18	18-19	20-21	17-18	18-19	20-21	17-18	18-19	20-21
Grade 3	76	78	70	76	77	0	76	77	0	100	98.7	0.0
Grade 4	88	77	74	88	77	0	88	77	0	100	100	0.0
Grade 5	90	105	84	86	101	0	86	101	0	95.6	96.2	0.0
All Grades	254	260	228	250	255	0	250	255	0	98.4	98.1	0.0

The "% of Enrolled Students Tested" showing in this table is not the same as "Participation Rate" for federal accountability purposes.

### 2019-20 Data:

Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year, thus no data is available to report for this year.

Overall Achievement for All Students															
Grade Level	Mean Scale Score			% Standard			% Standard Met			% Standard Nearly			% Standard Not		
	17-18	18-19	20-21	17-18	18-19	20-21	17-18	18-19	20-21	17-18	18-19	20-21	17-18	18-19	20-21

# School and Student Performance Data

## Student Population

Although both Senate Bill 98 and Assembly Bill 130 suspended the publication of state indicators on the 2020 and 2021 California School Dashboards, these bills also required the reporting of valid and reliable data that would have been included in these Dashboards.

To meet this requirement, CDE has made available the Enrollment, Graduation Rate Additional Report and the College/Career Measures Report data available. All other reports are not available for 2020 and 2021.

This section provides information about the school's student population.

2020-21 Student Population			
Total Enrollment	Socioeconomically Disadvantaged	English Learners	Foster Youth
<b>479</b>	<b>12.5</b>	<b>1.7</b>	This is the percent of students whose well-being is the responsibility of a court.
This is the total number of students enrolled.	This is the percent of students who are eligible for free or reduced priced meals; or have parents/guardians who did not receive a high school diploma.	This is the percent of students who are learning to communicate effectively in English, typically requiring instruction in both the English Language and in their academic courses.	

2019-20 Enrollment for All Students/Student Group		
Student Group	Total	Percentage
English Learners	8	1.7
Foster Youth		
Homeless	2	0.4
Socioeconomically Disadvantaged	60	12.5
Students with Disabilities	40	8.4

Enrollment by Race/Ethnicity		
Student Group	Total	Percentage
African American	22	4.6
American Indian or Alaska Native		
Asian	28	5.8
Filipino	51	10.6
Hispanic	89	18.6
Two or More Races	84	17.5
Native Hawaiian or Pacific Islander	1	0.2
White	203	42.4

# School and Student Performance Data

## Academic Engagement Chronic Absenteeism

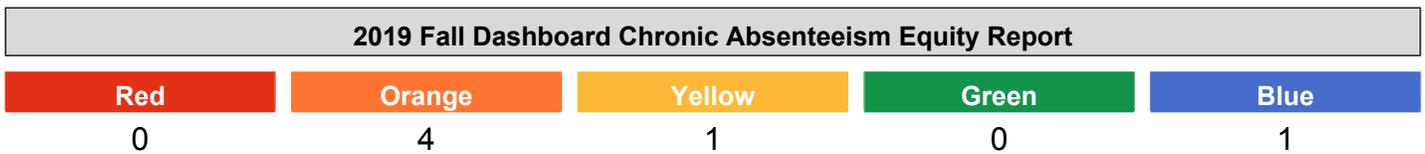

Although both Senate Bill 98 and Assembly Bill 130 suspended the publication of state indicators on the 2020 and 2021 California School Dashboards, these bills also required the reporting of valid and reliable data that would have been included in these Dashboards.

To meet this requirement, CDE has made available the Enrollment, Graduation Rate Additional Report and the College/Career Measures Report data available. All other reports are not available for 2020 and 2021, thus the most recent data (2019 Fall) is provided here.

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

This section provides information about the percentage of students in kindergarten through grade 8 who are absent 10 percent or more of the instructional days they were enrolled.

2019 Fall Dashboard Chronic Absenteeism for All Students/Student Group		
All Students	English Learners	Foster Youth
Orange 7 Increased +2.1 511	No Performance Color 11.5 Increased +7 26	No Performance Color Less than 11 Students - Data Not Displayed for Privacy 1
Homeless	Socioeconomically Disadvantaged	Students with Disabilities
No Performance Color Less than 11 Students - Data Not Displayed for Privacy 3	Orange 15.8 Increased +3.5 76	Orange 16.3 Increased +5.5 49

# Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

## Goal Subject

Social Emotional Learning

## LEA/LCAP Goal

All students in Benicia Unified School District, especially those who have been underrepresented, will feel a sense of belonging and connection to their school community so that they feel challenged and invested in a learning environment that values individuals and is accepting, respectful, safe and supportive.

## Goal 1

Using baseline data from district-approved assessments (i TFI, surveys), all students will show progress towards meeting goals to instill a sense of belonging by May, 2023. Goals to be set upon return of 2022-2023 school year and after baseline data has been acquired. Cultivate social and emotional wellness in children and adults to:

- 1) understand and manage emotions,
- 2) set and achieve positive goals,
- 3) feel and show empathy for others,
- 4) maintain positive relationships, and
- 5) make responsible decisions.

## Identified Need

This goal was based upon the analysis of state and local data including the California Dashboard. Specific data analyzed that resulted in the creation of this goal was CAASPP proficiency percentages and the CA Dashboard analysis. This goal addresses the needs of all students, specifically those exhibiting a need for more support in behavior and social-emotional regulation.

## Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
<p>Metric/Indicator:</p> <p>a) Date from district-provided universal screener</p> <p>b) Data from stakeholder surveys</p> <p>c) SWIS data, including TFI(pbis)</p> <p>d) Data from Wellness Center</p> <p>e) Data from district-approved universal screener</p>	<p>Baseline Scores will be attained in Fall 2022</p> <p>Locally approved surveys and/or screeners.</p> <p>Data Collection 21-22</p> <p>Turner Wellness Center Data: As of 01/27/22, 251 student visits to the Wellness Center (Tuesday, Wednesday, Thursday , Friday,.</p>	<p>Outcome:</p> <p>a) Spring, 2023: Percent of students who met growth projections on NWEA (TBD using spring NWEA ELA/Reading Assessment Data)</p> <p>2) Stakeholder Climate Surveys (students, parents, staff)-</p>

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
	<p>67% are first time visitors, 33% are repeat visitors</p> <p>92% of student report feeling better after visiting the Wellness Center</p> <p>91% of families responded that their children feel supported at MTE.</p>	<p>96% of families respond that their children feel supported at MTE.</p> <p>3) Students reporting feeling better after Wellness Center visits</p>

Complete a copy of the Strategy/Activity table for each of the school’s strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

### Strategy/Activity 1

#### Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

all student groups

#### Strategy/Activity

SEL Cultivate Wellness

Curriculum/Instruction: Utilize the district and site-level curriculum and supports to meet ongoing SEL and behavior needs, as well as anticipated increased needs due to the pandemic.

Examples of implementation:

- 1) Second Step Curriculum
- 2) Whole-staff Restorative practices
- 3) Whole-staff PBIS
- 4) Wellness Center
- 5 Promote best, first instruction and provide additional supports using scaffolding and differentiation in the classroom.

High-priority actions:

- 6 Protected SEL time and fidelity of 2nd Step Curriculum/SEL instruction (ie - brain breaks, mindfulness, calming corner, community circle, SPOT SEL) and implementation
- 7 Fidelity of PBIS implementation
- 8) Forum/Structure to resolve conflicts/repair the harm (ie - STEP Language, restorative practices, conflict managers)

Progress Monitoring: Analyze student data through the use of assessments to determine tiered levels to identify students needing intervention supports. Consistently use data to monitor.

Examples of implementation:

- 1) District-provided universal screener
- 2) Stakeholder surveys to assess needs, climate, and culture
- 3) RTI teams (ie - PBIS, COST) engage in support meetings such as SST, IEP, parent conferences
- 4) SWIS data, including TFI
- 5) Leverage leadership teams.
- 6) Analyze student data to determine tiered levels of support.
- 7) Consistently use data to monitor.

High-priority actions:

- \* Trimester calendar and analyze local assessments for TK - 5th grades (Climate survey, SWIS data, TFI, etc)
- \* Monitor monthly progress of above actions
- \* Site teams drive progress monitoring

Intervention: To meet ongoing SEL and behavior needs, as well as anticipated increased needs due to the pandemic, provide targeted interventions.

Examples of implementation: To support tiered leveled SEL and behavior needs, provide targeted classroom interventions.

- 1) Inclusion of all staff in SEL support
- 2) SEL TIER II and III staff support (ie - Care Solace, CICO, Special Friends, 2nd Step, ABW, Care clinic)
- 3) Wellness Center
- 4) District support (Behaviorist, Mental Health Coordinator)
- 5) Site-based supplemental support (Virtual wellness library, recess clubs)
- 6) Commitment to increasing family engagement as partners (ie - workshops, family nights)
- 7) Positive Reward System Dolphin Dollars, Principal Positive Phone Call Home, Dolphin Dollar Rewards
- 8) PBIS Check in Check Out system for students needing behavior intervention
- 9) Monthly Principal Video emphasizing Turner Core Values: Be Respectful, Be responsible, Be Kind, and Be Safe
- 10) Empower Program Tier 3 Social Skills Group

Professional Learning: To ensure the most cutting edge, current system of education is in place, focused and targeted professional learning for all staff will occur through ongoing cycles of inquiry. Site based training and collaboration will be woven throughout the school year.

Examples of implementation:

- 1) Grade level collaboration/ PLCs/staff meetings/ leadership aligned with site/district goals
- 2) Access internal professional experts/leads (i.e. - school psychologists, interns, field workers, mentors, behaviorists, etc)
- 3) Explore access to external professional developers (ice - parent/community experts, BPD/SROs, and other resources) Focused and targeted professional learning will occur to promote ongoing growth.

High-priority actions:

- 4) Increased family engagement
- 5) Attend trainings in support of increased pedagogical practice as outlined above for pertinent staff.

- 6) Second Step, STEP language, Mindfulness, Tier II/III supports
- 7) Leverage site teams to support the work.
- 8) District behaviorist and mental health coordinator regularly meet with staff to discuss cutting edge best practices and behavioral strategies.

Embedded or ongoing supports:

All staff involved in SEL support  
 SEL TIER II and III staff support (ie - Care Solace, CICO, Special Friends, 2nd Step, ABW, Care clinic, School Pysch, Psych Inter, School Counselor, Wellness Ctr Techs)  
 Buddy Classrooms  
 Wellness Center  
 SEL section in library  
 District support (Behaviorist, Mental Health Coordinator)  
 Additional, supplemental support curriculum and materials as available  
 Quick Chats/SSTs  
 RTI (Response to Intervention) - Analyze student progress to determine tiered supports (Tier 1, 2, 3)  
 Additional programs beyond the school day  
 Increased family engagement (Initial Survey, feedback from younger learners, Family Nights, Welcome Family Program, Representation)  
 Grade level collaboration, vertical and horizontal/ COST/PLCs/staff meetings/ leadership aligned with site/district goals

# Annual Review

## SPSA Year Reviewed: 2021-22

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

## ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

When our Wellness Room was established we noticed an excellent shift in positive student behavior. Referrals to the office was cut by over 40%. The Wellness Room was well received by staff and students. The calendar for sign ups was full and over 90% of our students said they felt better and more positive about their time in the Wellness Room.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

NA

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

We are very optimistic and positive about having the Wellness Room open, fully staffed, with a great space and with students penciled in for visits from the beginning of school. We got off to a slower than expected start in 2021-2022 and we are very excited about the possibilities to support our students in the new year.

# Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

## Goal Subject

Literacy and Humanities

## LEA/LCAP Goal

(Academic-Literacy & Humanities): All students in Benicia Unified School District will demonstrate mastery on and be supported in grade-level literacy and humanities standards in all content areas so that there is comparable performance for all student groups, and achievement and performance gaps are virtually non-existent.

## Goal 2

ELA

2022/23 English Language Arts Goal:

Using baseline data from approved local assessments from Spring 2022, all students will show progress towards mastery of standards by May, 2023. This goal will be baseline plus 5% across all groups and subgroups.

Below is the data and goals set in place in 2019-2020 for the 20-21 school year. Due to the Covid-19 Pandemic, we are unable to provide consistent, reliable data to indicate whether our students met the goals set forth for them. Using baseline data from approved local ELA assessments from Spring, 2021, all students will show progress towards mastery of ELA standards by May, 2023.

2021 -2022 ELA Goal: Increase the % of students in all subgroups meeting or exceeding standards on the ELA Summative SBAC Assessment.

Overall:

Increase student performance in ELA from 68% to 75% meeting or exceeding standards on the SBAC Assessment.

Identified Subgroups:

Increase performance of students in the lower socioeconomic student group from 50% to 55% meeting or exceeding standards on the SBAC Assessment.

Increase performance of African American students from 36% to 50% meeting or exceeding standards on the SBAC Assessment.

Increase performance of students in special education from 37% to 45% meeting or exceeding standards on the SBAC Assessment.

Increase performance of English Learners from 10% to 40% meeting or exceeding standards on the SBAC Assessment.

## Identified Need

Following our Site Council's analysis, it was determined we needed to keep striving to reach 75% meeting or exceeding expectations on the ELA CAASPP. We need to continue to move the needle with our specific student sub groups as indicated above. This goal was based upon the analysis of

state and local data available at the time. Specific data analyzed that resulted in the creation of this goal was analysis of data from the 2021/2022 school year. This goal addresses the overall needs of the school. Upon acquiring baseline data for the upcoming school year, student group targets will be identified to implement targeted interventions and supports as needed. This goal addresses the needs of all students, but specifically students who are African American or Hispanic/Latino, students with Disabilities, and students who are Socioeconomically Disadvantaged.

### Annual Measurable Outcomes

<p>CAASPP Test State and local assessments such as CAASPP and NWEA ELA/Reading Assessment</p>	<p>Data Collection from the 2021-22 school year/Mid Year NWEA ELA/Reading Assessment Fall to Winter- Percentage of Students who Met their Growth Projection Second Grade: 57 Third Grade: 53 Fourth Grade :70 Fifth Grade: 68</p> <p>Data points for baseline 2022-23 to be established after analysis of end of the year NWEA ELA/Reading assessment and CAASPP data.</p> <p>1a. ELA Total 68 % Meeting or Exceeding 1b. Lower Socio Economic Student Group 50% 1c. African American Student Group 36% 1d. Special Education Student Group 37% 1e. English Language Learner Student Group 10% 1f. Reduce percentage of students performing at a level one on K-2 literacy district benchmarks from 9.2%.</p> <p>Math Total 66% Meeting or Exceeding b. Lower Socio Economic Student Group 37%</p>	<p>NWEA Data Winter, 2022: 2nd-5th Grades Percentage of students who met growth projection +5 %</p> <p>CAASPP Spring, 2022: Baseline to be attained</p> <p>Target subgroups: Spring, 2022 CAASPP data to determine targeted student groups</p>

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
	c. African American Student Group 36% d. Special Education Student Group 37% e. English Language Learner Student Group 33%	

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

## Strategy/Activity 1

### Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All students and student groups

### Strategy/Activity

2022-2023 ELA

Curriculum/Instruction - Promote best, first instruction and provide additional supports using scaffolding and differentiation in the classroom.

High-priority actions:

- \* Alignment and fidelity of essential expectations in adopted curriculum and best, first instruction
- \* Fidelity to TCRWP Units of Study and Phonics, guided reading, Literacy Footprints
- \* Alignment of SBAC structures with current practices
- \* Consistent spiral review of concepts
  - Robust conferring and peer editing
  - focus on non fiction text features

Progress Monitoring - Analyze student data to determine tiered levels of support.

High-priority actions:

- \* Trimester calendar and analyze local assessments for TK - 5th grades
- \* Monitor monthly progress of above actions
- \* Site teams drive progress monitoring

Intervention - Provide targeted classroom interventions as determined through progress monitoring.

High-priority actions:

- \* Tier 2 or 3 classroom instruction (small groups, guided reading groups, daily conferring, possible What I Need [W.I.N] Time)
- \* Consistent use of intervention supports (Lexia, Imagine Learning)

Professional Learning: - Focused and targeted professional learning will occur to promote ongoing growth.

High-priority actions:

- \* Attend trainings in support of increased pedagogical practice as outlined above.
- \* TCRWP Units of Study (focus on reading groups and conferring) and Phonics, guided reading, Literacy Footprints, Lexia, Imagine Learning, assessment systems

Embedded or ongoing supports:

Tech integration (1:1 devices)

Additional, supplemental support curriculum and materials as available

Quick Chats

RTI (Response to Intervention) - Analyze student progress to determine tiered supports (Tier 1, 2, 3)

Intervention support staff (ie - Intervention teachers, reading tutors/IAs, TK/K teachers)

Needs-based leveled student groupings

Online intervention programs

Additional programs beyond the school day

Increase family engagement

Leverage site teams to support above actions/strategies (grade levels (vertical and horizontal), COST, PLCs, staff meetings, leadership, etc

### **Proposed Expenditures for this Strategy/Activity**

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Source(s)

## Annual Review

### SPSA Year Reviewed: 2021-22

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

## ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Actions and services for this goal were implemented as planned with a few exceptions including exploring SBAC blueprints throughout the school year and, our teachers did not receive Teacher College Readers' Writer's Workshop professional learning aside from their grade level peers.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

As goals, actions, services, and expenditures (as listed in the LCAP) were analyzed, staff and parents determined to continue SPSA Goal 1 with the following adjustments to actions, services, and expenditures. We are looking to increase the amount of professional learning our staff receives with TCRWP. We also plan to utilize the Interim Assessment Blocks beginning in October.

# Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

## Goal Subject

Academic- Math and STEAM

## LEA/LCAP Goal

Goal 3 (Academic-Math & STEAM): All students in Benicia Unified School District, will demonstrate mastery on and be supported in math standards with the support of all STEAM (science, technology, engineering, art, math) content areas so that there is comparable performance for all student groups, and achievement and performance gaps are virtually non-existent.

## Goal 3

Using baseline data from approved local assessments from Spring 2022, all students will show progress towards mastery of standards by May, 2022. This goal will be baseline plus 5% across all groups and subgroups.

Below is the data and goals set in place in 2019-2020 for the 20-21 school year. Due to the Covid-19 Pandemic, we are unable to provide consistent, reliable data to indicate whether our students met the goals set forth for them.

Overall:

75% of our 3rd-5th grade students will meet or exceed expectations on the math portion of the SBAC Test by June of 2022.

80% of our school-wide K-2 population will meet or exceed proficiency on the local math benchmarks.

Subgroups:

Increase math performance from 36% to 50% proficiency for students identified in the low socio-economic subgroup.

Increase performance of African American students from 37% to 50% meeting or exceeding standards on the SBAC Assessment.

Increase performance of students in special education from 37% to 50% meeting or exceeding standards on the SBAC Assessment.

Increase performance of English Learners from 33% to 50% meeting or exceeding standards on the SBAC Assessment.

Increase math performance from 75% to 80% for K-2 students on the District Math Benchmark Assessment.

These goals will be measured by the following:

CAASPP (3-5)

EDM Benchmark Assessments (K-2)

## Identified Need

Following our team's data analysis, it was determined we needed to continue to provide best practices to ensure our African American, students with disabilities, and EL student populations continue to increase their progress in math.

## Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
NWEA Math 2021 CAASPP 2022	NWEA Data Winter, 2022: 2nd-5th Grades Percentage of students who met growth projection + 5 %  CAASPP Spring, 2022: Baseline to be attained  Target subgroups: Spring, 2022 CAASPP data to determine targeted student groups	NWEA Data Winter, 2022: 2nd-5th Grades Percentage of students who met growth projection + 5 %

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

### Strategy/Activity 1

#### Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All students, student groups

#### Strategy/Activity

MATH 2022-2023

Curriculum/Instruction - Promote best, first instruction and provide additional supports using scaffolding and differentiation in the classroom.

High-priority actions:

- \* Alignment and fidelity of essential expectations in adopted curriculum and best, first instruction
- \* Fidelity to Every Day Math curriculum
- \* Alignment of SBAC structures with current practices
- \* Consistent spiral review of concepts

Progress Monitoring - Analyze student data to determine tiered levels of supports.

High-priority actions:

- \* Trimester calendar and analyze local assessments for TK - 5th grades
- \* Monitor monthly progress of above actions
- \* Site teams drive progress monitoring
  - grade levels analyze NWEA Data and targeted instruction at grade level meetings

Intervention - Provide targeted classroom interventions as determined through progress monitoring.

High-priority actions:

- \* Tier 2 or 3 classroom instruction (guided reading groups, daily conferring in writing, ie - walk to learn)
- \* Consistent use of intervention supports (Imagine Math, EM games, E-tools kit)

Professional Learning: - Focused and targeted professional learning will occur to promote ongoing growth.

High-priority actions:

- \* Attend trainings in support of increased pedagogical practice as outlined above.
- \* Every Day Math, including EM games, E-tools kit, Imagine Math, assessment systems

Embedded or ongoing supports:

Tech integration (1:1 devices)

Additional, supplemental support curriculum and materials as available

Quick Chats

RTI (Response to Intervention) - Analyze student progress to determine tiered supports (Tier 1, 2, 3)

Intervention support staff (Ie - Intervention teachers, intervention teachers, SPAs, TK/K teachers)

Needs-based leveled student groupings

Online intervention programs

Additional programs beyond the school day

Increase family engagement

Leverage site teams to support above actions/strategies (grade levels (vertical and horizontal), COST, PLCs, staff meetings, leadership, etc.

### Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

0

Source(s)

All actions are in alignment with budget items within the District LCAP.

### Strategy/Activity 2

## **Annual Review**

### **SPSA Year Reviewed: 2021-22**

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

## **ANALYSIS**

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Actions and services for this goal were implemented as planned with a few exceptions due to educational restrictions due to Covid, such as exploring SBAC blueprints, due to the canceled 2021 state testing. The implementation of the ability to increase online leveled Math support was particularly effective.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

N/A

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

As goals, actions, services, and expenditures (as listed in the LCAP) were analyzed, staff and parents determined to continue SPSA Goal 2 with the following adjustments to actions, services, and expenditures. As a staff we will designate scheduled faculty and leadership meetings to more effectively analyze math data from NWEA to help drive our instruction.

# Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

## Goal Subject

Equity

## LEA/LCAP Goal

Goal 4 (Equity): Students will have access to and inclusion in all learning and activities in school. BUSD will advance equity practices by ensuring that the voices of our students are represented, they feel seen and their cultures and stories are valued with a particular focus on students who are black, socio-economically disadvantaged, English learners, Latinx, LGBTQ+, and students in special education.

## Goal 4

To intentionally cultivate equity, diversity, and inclusion by strengthening cultural competence within BUSD schools that results in equity for ALL students and to enhance equitable school discipline. Using baseline data from district-approved assessments (surveys), all students will show progress towards meeting goals to instill a sense of belonging by May 2023

## Identified Need

The mission of the BUSD is to ensure equity and access to educational services to transform the lives of all students, especially diverse and disadvantaged students who have historically been underserved in educational institutions. We are partners and a strong collective voice committed to creating and sustaining meaningful educational change through a focus on establishing common vocabulary and beliefs toward equity, conducting data-informed inquiry into equity, and employing a process to address equity issues.

## Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
TFI (PBIS) Surveys	Baseline will be added in the Fall.	Positive Responses in family, student and staff climate surveys Maintain or improve current REACH/Developmental Relationship survey scores in all areas, with a focus on available equity measures.

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

## Strategy/Activity 1

### Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

Strategy/Activity

LCAP Goal 4: students will have access to and inclusion in all learning and activities in school. BUSD will advance equity practices by ensuring that the voices of our students are represented, they feel seen and their cultures and stories are valued with a particular focus on students who are black, socio-economically disadvantaged, English learners, Latinx, LGBTQ+, and students in special education.

Goal: To intentionally cultivate equity, diversity, and inclusion by strengthening cultural competence within BUSD schools that results in equity for ALL students and to enhance equitable school discipline. Using baseline data from district-approved assessments (i, TFI, surveys), all students will show progress towards meeting goals to instill a sense of belonging by May 2023.

Strategies & Activities:

Curriculum/Instruction: In an effort to ensure all students achieve at a high level, we will address inequities by eliminating barriers and put structures and supports in place to allow equal access to curriculum and promote inclusion for all students.

Examples of implementation:

Communication methods (conversations, newsletters, etc.)

Diversity in curriculum and classroom/school libraries

Leverage equity and leadership teams

A road map with how we build in time to teach, celebrate, honor, and give voice to our cultural diversity at Turner and how we weave this richness throughout the year (not just at International Week.)

Weekly read alouds on YouTube (read by Turner families) celebrating cultural diversity

Offering flexible seating and fidgets in classes as appropriate (acknowledging neurodiversity)

Progress Monitoring: Analyze and monitor school-wide data and input from stakeholders to identify needs. Ensure our site is addressing equity, removing barriers, giving opportunity for student voice, and providing all our students with what they need to thrive in our school and beyond.

Examples of implementation:

Staff, family, and student surveys

ELAC, site council, grade level, and leadership teams

School-wide PBIS system

Student-led conferences in the upper grades

Student surveys

Professional Learning: Ensure the most current pedagogy is in place and ongoing equity practices are consistently occurring in all facets of the educational experience. Professional learning for all staff will occur through ongoing cycles of inquiry and site-based training and collaboration will be woven throughout the school year.

Connecting, collaborating, and learning with our district in regards to equity

Training for staff in restorative justice practices, unconscious/implicit bias, and how we can best orchestrate effective discussions with students about issues regarding race, social justice, and inclusion.

Discussions on the potential to implement a school wide RTI/MTSS model to move the needle with all of our students.

Examples of implementation:

Grade level collaboration, PLCs, staff meetings, leadership aligned with site/district goals

Access to internal professional experts/leads (i.e. school psychologists, interns, field workers, mentors, behaviorists, etc.)

Explore access to external professional developers (i.e. parent/community experts, EPOCH, other presenters and staff developers, and other resources). Topics to include: discipline practices, equity, inclusion, identity, biases (including discipline practices), etc.

Staff will participate in a book study of *How to Unpack your Impact*

Sensory Pathways stenciled across our campus

#### School Communication:

Utilizing different forms of communication to reach a larger audience (acknowledging how families prefer to receive information)

Turner Times: Add a section with important communication links (Facebook/social media, principal videos, etc.).

Add a "SSC Highlight" section - new topic/theme each month

Create informational videos to share bimonthly with parents. (For parents who prefer to read, a transcript will be made available.) Potential video topics: Intro School Site Council, ways to volunteer/PTA, PBIS, CAASPP testing, new Maker Space room, Mrs. Munn/library, student led conferences, absenteeism, decoding the report card

Explore a single online location for school assets (Turner Times, informational videos, Podcast, etc.)

Make the Podcast available in digital form for families

Posting pictures of cultural events on website/social media/Parent Square

Celebrate and honor Neuro -Diversity

Home/Teacher Communication

Teachers will share classroom activities/academic via Parent Square

Parent-teacher conferences/report cards

Begin developing a "conference letter" from principal/teachers laying out items such as the following: what to expect at each grade level, being timely/respectful of time, tips for a successful conference, suggested questions to ask, report card scoring, etc.

Begin collecting ideas from parents and teachers regarding "Decoding the Report Card" (Xs, 1-2-3s, which scores are year long vs. benchmark, etc.) with the intent of creating a video and/or handout clarifying this info.

Enhance the effectiveness and the communication in regards to our upper grade Student Led Conferences.

Staff alignment on grading policies (within grade levels)

Continue "open door" policy (via email, drop in, etc.) throughout the year

#### Surveys

Offer two parent surveys starting in 2022 school year (1st and 3rd trimester)

Update current parent survey. Add questions such as the following (with multiple choice answers):

What information would you like to receive during conferences?

What information would you like to receive during Back to School Night?

How do you prefer to receive your information? What forms of social media do you use?

Question regarding report card misconceptions/questions

Question regarding quality and quantity of home/school communication

Continue with student surveys (including the addition of one for lower grades)

Improved communication regarding how we celebrate diversity

#### Other

Continue our annual "My Heritage Museum" (school-wide, kids bring in something that represents their heritage) as a precursor to International Night

Next year, we would like to add a reflection piece for the students about what they learned  
 Continue to grow a robust STEAM and International Night experience for our families concentrating on building inclusiveness and a strong sense of belonging.  
 Continue to work collaboratively with our Special Needs Committee to build Inclusiveness with our families. Committee to meet monthly.  
 Principal/ PBIS Team and student leaders make monthly video for teachers and students emphasizing weekly themes (including honoring and celebrating cultural diversity).  
 Continue to build on the success of the Inclusive Read Aloud Program.  
 Continue to develop events for Autism Awareness Month (such as a spirit week and read alouds)

**Proposed Expenditures for this Strategy/Activity**

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)	Source(s)
-----------	-----------

## Annual Review

**SPSA Year Reviewed: 2021-22**

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

### ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Our School Site Council worked in conjunction with our staff, District and PTA to continue to thoughtfully build equity into our school community. We created a survey for our families that generated excellent conversations with our Site Council. During the 2021-22 school year staff from our school site attended district-wide training with EPOCH on professional learning days to work on strategies to engage in respectful, effective and meaningful dialogue regarding equity. As a staff we provided multiple opportunities for our students to celebrate, to share and to honor their different cultures. We weaved these intentional learning experiences throughout the school year.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

NA

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

We want to continue with our positive momentum with equity and inclusion. As a staff we are looking forward to starting off the year with more implicit bias training.

# Budget Summary

Complete the table below. Schools may include additional information. Adjust the table as needed. The Budget Summary is required for schools funded through the ConApp, and/or that receive funds from the LEA for Comprehensive Support and Improvement (CSI).

## Budget Summary

Description	Amount
Total Funds Provided to the School Through the Consolidated Application	\$
Total Federal Funds Provided to the School from the LEA for CSI	\$
Total Funds Budgeted for Strategies to Meet the Goals in the SPSA	\$0.00

## Other Federal, State, and Local Funds

List the additional Federal programs that the school is including in the schoolwide program. Adjust the table as needed. If the school is not operating a Title I schoolwide program this section is not applicable and may be deleted.

Federal Programs	Allocation (\$)
------------------	-----------------

Subtotal of additional federal funds included for this school: \$

List the State and local programs that the school is including in the schoolwide program. Duplicate the table as needed.

State or Local Programs	Allocation (\$)
	\$0.00

Subtotal of state or local funds included for this school: \$0.00

Total of federal, state, and/or local funds for this school: \$0.00

# Budgeted Funds and Expenditures in this Plan

The tables below are provided to help the school track expenditures as they relate to funds budgeted to the school.

## Funds Budgeted to the School by Funding Source

Funding Source	Amount	Balance
----------------	--------	---------

## Expenditures by Funding Source

Funding Source	Amount
	0.00

## Expenditures by Budget Reference

Budget Reference	Amount
------------------	--------

## Expenditures by Budget Reference and Funding Source

Budget Reference	Funding Source	Amount
		0.00

## Expenditures by Goal

Goal Number	Total Expenditures
Goal 1	0.00
Goal 2	0.00
Goal 3	0.00

# School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

- 1 School Principal
- 3 Classroom Teachers
- 1 Other School Staff
- 5 + 2 Alt Parent or Community Members
- 0 Secondary Students

Name of Members	Role
Stephen J. Slater	Principal
Tara Bradley	Classroom Teacher
Mellissa Harley	Classroom Teacher
Julie Seymour	Classroom Teacher
Kasey Waggener	Parent or Community Member
Amy Hirsh	Parent or Community Member
Jermaine Butts	Parent or Community Member
Diana Brennan	Parent or Community Member
Diane Gramil	Parent or Community Member
Jaclyn Prebula Parent Alternate	Parent or Community Member
Priscilla Becker Parent Alternate	Parent or Community Member
Amber Leighwood	Other School Staff

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

# Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

**Signature**

**Committee or Advisory Group Name**

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on 4/26/2022.

Attested:

Principal, Stephen J. Slater on 4/26/2022

SSC Chairperson, Jermaine Butts on 4/26/2022

# Instructions

The School Plan for Student Achievement (SPSA) is a strategic plan that maximizes the resources available to the school while minimizing duplication of effort with the ultimate goal of increasing student achievement. SPSA development should be aligned with and inform the Local Control and Accountability Plan process.

The SPSA consolidates all school-level planning efforts into one plan for programs funded through the consolidated application (ConApp), and for federal school improvement programs, including schoolwide programs, Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), and Additional Targeted Support and Improvement (ATSI), pursuant to California Education Code (EC) Section 64001 and the Elementary and Secondary Education Act as amended by the Every Student Succeeds Act (ESSA). This template is designed to meet schoolwide program planning requirements. It also notes how to meet CSI, TSI, or ATSI requirements, as applicable.

California's ESSA State Plan supports the state's approach to improving student group performance through the utilization of federal resources. Schools use the SPSA to document their approach to maximizing the impact of federal investments in support of underserved students. The implementation of ESSA in California presents an opportunity for schools to innovate with their federally-funded programs and align them with the priority goals of the school and the LEA that are being realized under the state's Local Control Funding Formula (LCFF).

The LCFF provides schools and LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The SPSA planning process supports continuous cycles of action, reflection, and improvement. Consistent with EC 65001, the Schoolsite Council (SSC) is required to develop and annually review the SPSA, establish an annual budget, and make modifications to the plan that reflect changing needs and priorities, as applicable.

For questions related to specific sections of the template, please see instructions below:

## Instructions: Linked Table of Contents

**The SPSA template meets the requirements of schoolwide planning (SWP). Each section also contains a notation of how to meet CSI, TSI, or ATSI requirements.**

[Stakeholder Involvement](#)

[Goals, Strategies, & Proposed Expenditures](#)

[Planned Strategies/Activities](#)

[Annual Review and Update](#)

[Budget Summary](#)

[Appendix A: Plan Requirements for Title I Schoolwide Programs](#)

[Appendix B: Plan Requirements for Schools to Meet Federal School Improvement Planning Requirements](#)

[Appendix C: Select State and Federal Programs](#)

For additional questions or technical assistance related to LEA and school planning, please contact the Local Agency Systems Support Office, at [LCFF@cde.ca.gov](mailto:LCFF@cde.ca.gov).

For programmatic or policy questions regarding Title I schoolwide planning, please contact the local educational agency, or the CDE's Title I Policy and Program Guidance Office at [TITLEI@cde.ca.gov](mailto:TITLEI@cde.ca.gov).

For questions or technical assistance related to meeting federal school improvement planning requirements (for CSI, TSI, and ATSI), please contact the CDE's School Improvement and Support Office at [SISO@cde.ca.gov](mailto:SISO@cde.ca.gov).

## **Purpose and Description**

Schools identified for Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), or Additional Targeted Support and Improvement (ATSI) must respond to the following prompts. A school that has not been identified for CSI, TSI, or ATSI may delete the Purpose and Description prompts.

### **Purpose**

Briefly describe the purpose of this plan by selecting from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

### **Description**

Briefly describe the school's plan for effectively meeting ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

## **Stakeholder Involvement**

Meaningful involvement of parents, students, and other stakeholders is critical to the development of the SPSA and the budget process. Schools must share the SPSA with school site-level advisory groups, as applicable (e.g., English Learner Advisory committee, student advisory groups, tribes and tribal organizations present in the community, as appropriate, etc.) and seek input from these advisory groups in the development of the SPSA.

The Stakeholder Engagement process is an ongoing, annual process. Describe the process used to involve advisory committees, parents, students, school faculty and staff, and the community in the development of the SPSA and the annual review and update.

*[This section meets the requirements for TSI and ATSI.]*

*[When completing this section for CSI, the LEA shall partner with the school in the development and implementation of this plan.]*

## **Resource Inequities**

Schools eligible for CSI or ATSI must identify resource inequities, which may include a review of LEA- and school-level budgeting as a part of the required needs assessment. Identified resource inequities must be addressed through implementation of the CSI or ATSI plan. Briefly identify and describe any resource inequities identified as a result of the required needs assessment and summarize how the identified resource inequities are addressed in the SPSA.

*[This section meets the requirements for CSI and ATSI. If the school is not identified for CSI or ATSI this section is not applicable and may be deleted.]*

# Goals, Strategies, Expenditures, & Annual Review

In this section a school provides a description of the annual goals to be achieved by the school. This section also includes descriptions of the specific planned strategies/activities a school will take to meet the identified goals, and a description of the expenditures required to implement the specific strategies and activities.

## Goal

State the goal. A goal is a broad statement that describes the desired result to which all strategies/activities are directed. A goal answers the question: What is the school seeking to achieve?

It can be helpful to use a framework for writing goals such as the S.M.A.R.T. approach. A S.M.A.R.T. goal is one that is **S**pecific, **M**easurable, **A**chievable, **R**ealistic, and **T**ime-bound. A level of specificity is needed in order to measure performance relative to the goal as well as to assess whether it is reasonably achievable. Including time constraints, such as milestone dates, ensures a realistic approach that supports student success.

A school may number the goals using the “Goal #” for ease of reference.

*[When completing this section for CSI, TSI, and ATSI, improvement goals shall align to the goals, actions, and services in the LEA LCAP.]*

## Identified Need

Describe the basis for establishing the goal. The goal should be based upon an analysis of verifiable state data, including local and state indicator data from the California School Dashboard (Dashboard) and data from the School Accountability Report Card, including local data voluntarily collected by districts to measure pupil achievement.

*[Completing this section fully addresses all relevant federal planning requirements]*

## Annual Measurable Outcomes

Identify the metric(s) and/or state indicator(s) that the school will use as a means of evaluating progress toward accomplishing the goal. A school may identify metrics for specific student groups. Include in the baseline column the most recent data associated with the metric or indicator available at the time of adoption of the SPSA. The most recent data associated with a metric or indicator includes data reported in the annual update of the SPSA. In the subsequent Expected Outcome column, identify the progress the school intends to make in the coming year.

*[When completing this section for CSI the school must include school-level metrics related to the metrics that led to the school’s identification.]*

*[When completing this section for TSI/ATSI the school must include metrics related to the specific student group(s) that led to the school’s identification.]*

## Strategies/Activities

Describe the strategies and activities being provided to meet the described goal. A school may number the strategy/activity using the “Strategy/Activity #” for ease of reference.

Planned strategies/activities address the findings of the needs assessment consistent with state priorities and resource inequities, which may have been identified through a review of the local educational agency’s budgeting, its local control and accountability plan, and school-level budgeting, if applicable.

*[When completing this section for CSI, TSI, and ATSI, this plan shall include evidence-based interventions and align to the goals, actions, and services in the LEA LCAP.]*

*[When completing this section for CSI and ATSI, this plan shall address through implementation, identified resource inequities, which may have been identified through a review of LEA- and school-level budgeting.]*

## **Students to be Served by this Strategy/Activity**

Indicate in this box which students will benefit from the strategies/activities by indicating “All Students” or listing one or more specific student group(s) to be served.

*[This section meets the requirements for CSI.]*

*[When completing this section for TSI and ATSI, at a minimum, the student groups to be served shall include the student groups that are consistently underperforming, for which the school received the TSI or ATSI designation. For TSI, a school may focus on all students or the student group(s) that led to identification based on the evidence-based interventions selected.]*

## **Proposed Expenditures for this Strategy/Activity**

For each strategy/activity, list the amount(s) and funding source(s) for the proposed expenditures for the school year to implement these strategies/activities. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal, identify the Title and Part, as applicable), Other State, and/or Local.

Proposed expenditures that are included more than once in a SPSA should be indicated as a duplicated expenditure and include a reference to the goal and strategy/activity where the expenditure first appears in the SPSA. Pursuant to Education Code, Section 64001(g)(3)(C), proposed expenditures, based on the projected resource allocation from the governing board or governing body of the LEA, to address the findings of the needs assessment consistent with the state priorities including identifying resource inequities which may include a review of the LEA’s budgeting, its LCAP, and school-level budgeting, if applicable.

*[This section meets the requirements for CSI, TSI, and ATSI.]*

*[NOTE: Federal funds for CSI shall not be used in schools identified for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]*

## **Annual Review**

In the following Analysis prompts, identify any material differences between what was planned and what actually occurred as well as significant changes in strategies/activities and/ or expenditures from the prior year. This annual review and analysis should be the basis for decision-making and updates to the plan.

## Analysis

Using actual outcome data, including state indicator data from the Dashboard, analyze whether the planned strategies/activities were effective in achieving the goal. Respond to the prompts as instructed. Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal the Annual Review section is not required and this section may be deleted.

- Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.
- Briefly describe any major differences between either/or the intended implementation or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.
- Describe any changes that will be made to the goal, expected annual measurable outcomes, metrics/indicators, or strategies/activities to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard, as applicable. Identify where those changes can be found in the SPSA.

*[When completing this section for CSI, TSI, or ATSI, any changes made to the goals, annual measurable outcomes, metrics/indicators, or strategies/activities, shall meet the CSI, TSI, or ATSI planning requirements. CSI, TSI, and ATSI planning requirements are listed under each section of the Instructions. For example, as a result of the Annual Review and Update, if changes are made to a goal(s), see the Goal section for CSI, TSI, and ATSI planning requirements.]*

## Budget Summary

In this section a school provides a brief summary of the funding allocated to the school through the ConApp and/or other funding sources as well as the total amount of funds for proposed expenditures described in the SPSA. The Budget Summary is required for schools funded through the ConApp and that receive federal funds for CSI. If the school is not operating a Title I schoolwide program this section is not applicable and may be deleted.

*From its total allocation for CSI, the LEA may distribute funds across its schools that meet the criteria for CSI to support implementation of this plan. In addition, the LEA may retain a portion of its total allocation to support LEA-level expenditures that are directly related to serving schools eligible for CSI.*

## Budget Summary

A school receiving funds allocated through the ConApp should complete the Budget Summary as follows:

- Total Funds Provided to the School Through the Consolidated Application: This amount is the total amount of funding provided to the school through the ConApp for the school year. The school year means the fiscal year for which a SPSA is adopted or updated.
- Total Funds Budgeted for Strategies to Meet the Goals in the SPSA: This amount is the total of the proposed expenditures from all sources of funds associated with the strategies/activities reflected in the SPSA. To the extent strategies/activities and/or proposed expenditures are listed in the SPSA under more than one goal, the expenditures should be counted only once.

A school receiving federal funds for CSI should complete the Budget Summary as follows:

- Total Federal Funds Provided to the School from the LEA for CSI: This amount is the total amount of funding provided to the school from the LEA.

*[NOTE: Federal funds for CSI shall not be used in schools eligible for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]*

# Appendix A: Plan Requirements

## Schoolwide Program Requirements

This School Plan for Student Achievement (SPSA) template meets the requirements of a schoolwide program plan. The requirements below are for planning reference.

A school that operates a schoolwide program and receives funds allocated through the ConApp is required to develop a SPSA. The SPSA, including proposed expenditures of funds allocated to the school through the ConApp, must be reviewed annually and updated by the SSC. The content of a SPSA must be aligned with school goals for improving student achievement.

### Requirements for Development of the Plan

- I. The development of the SPSA shall include both of the following actions:
  - A. Administration of a comprehensive needs assessment that forms the basis of the school's goals contained in the SPSA.
    1. The comprehensive needs assessment of the entire school shall:
      - a. Include an analysis of verifiable state data, consistent with all state priorities as noted in Sections 52060 and 52066, and informed by all indicators described in Section 1111(c)(4)(B) of the federal Every Student Succeeds Act, including pupil performance against state-determined long-term goals. The school may include data voluntarily developed by districts to measure pupil outcomes (described in the Identified Need); and
      - b. Be based on academic achievement information about all students in the school, including all groups under §200.13(b)(7) and migratory children as defined in section 1309(2) of the ESEA, relative to the State's academic standards under §200.1 to—
        - i. Help the school understand the subjects and skills for which teaching and learning need to be improved; and
        - ii. Identify the specific academic needs of students and groups of students who are not yet achieving the State's academic standards; and
        - iii. Assess the needs of the school relative to each of the components of the schoolwide program under §200.28.
        - iv. Develop the comprehensive needs assessment with the participation of individuals who will carry out the schoolwide program plan.
        - v. Document how it conducted the needs assessment, the results it obtained, and the conclusions it drew from those results.
  - B. Identification of the process for evaluating and monitoring the implementation of the SPSA and progress towards accomplishing the goals set forth in the SPSA (described in the Expected Annual Measurable Outcomes and Annual Review and Update).

### Requirements for the Plan

- II. The SPSA shall include the following:
  - A. Goals set to improve pupil outcomes, including addressing the needs of student groups as identified through the needs assessment.

- B. Evidence-based strategies, actions, or services (described in Strategies and Activities)
1. A description of the strategies that the school will be implementing to address school needs, including a description of how such strategies will--
    - a. provide opportunities for all children including each of the subgroups of students to meet the challenging state academic standards
    - b. use methods and instructional strategies that:
      - i. strengthen the academic program in the school,
      - ii. increase the amount and quality of learning time, and
      - iii. provide an enriched and accelerated curriculum, which may include programs, activities, and courses necessary to provide a well-rounded education.
    - c. Address the needs of all children in the school, but particularly the needs of those at risk of not meeting the challenging State academic standards, so that all students demonstrate at least proficiency on the State's academic standards through activities which may include:
      - i. strategies to improve students' skills outside the academic subject areas;
      - ii. preparation for and awareness of opportunities for postsecondary education and the workforce;
      - iii. implementation of a schoolwide tiered model to prevent and address problem behavior;
      - iv. professional development and other activities for teachers, paraprofessionals, and other school personnel to improve instruction and use of data; and
      - v. strategies for assisting preschool children in the transition from early childhood education programs to local elementary school programs.
- C. Proposed expenditures, based on the projected resource allocation from the governing board or body of the local educational agency (may include funds allocated via the ConApp, federal funds for CSI, any other state or local funds allocated to the school), to address the findings of the needs assessment consistent with the state priorities, including identifying resource inequities, which may include a review of the LEAs budgeting, it's LCAP, and school-level budgeting, if applicable (described in Proposed Expenditures and Budget Summary). Employees of the schoolwide program may be deemed funded by a single cost objective.
- D. A description of how the school will determine if school needs have been met (described in the Expected Annual Measurable Outcomes and the Annual Review and Update).
1. Annually evaluate the implementation of, and results achieved by, the schoolwide program, using data from the State's annual assessments and other indicators of academic achievement;
  2. Determine whether the schoolwide program has been effective in increasing the achievement of students in meeting the State's academic standards, particularly for those students who had been furthest from achieving the standards; and
  3. Revise the plan, as necessary, based on the results of the evaluation, to ensure continuous improvement of students in the schoolwide program.

- E. A description of how the school will ensure parental involvement in the planning, review, and improvement of the schoolwide program plan (described in Stakeholder Involvement and/or Strategies/Activities).
- F. A description of the activities the school will include to ensure that students who experience difficulty attaining proficient or advanced levels of academic achievement standards will be provided with effective, timely additional support, including measures to
  - 1. Ensure that those students' difficulties are identified on a timely basis; and
  - 2. Provide sufficient information on which to base effective assistance to those students.
- G. For an elementary school, a description of how the school will assist preschool students in the successful transition from early childhood programs to the school.
- H. A description of how the school will use resources to carry out these components (described in the Proposed Expenditures for Strategies/Activities).
- I. A description of any other activities and objectives as established by the SSC (described in the Strategies/Activities).

# Appendix B:

## Plan Requirements for School to Meet Federal School Improvement Planning Requirements

For questions or technical assistance related to meeting Federal School Improvement Planning Requirements, please contact the CDE's School Improvement and Support Office at [SISO@cde.ca.gov](mailto:SISO@cde.ca.gov).

### Comprehensive Support and Improvement

The LEA shall partner with stakeholders (including principals and other school leaders, teachers, and parents) to locally develop and implement the CSI plan for the school to improve student outcomes, and specifically address the metrics that led to eligibility for CSI (Stakeholder Involvement).

The CSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable);
2. Include evidence-based interventions (Strategies/Activities, Annual Review and Update, as applicable) (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" at <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>);
3. Be based on a school-level needs assessment (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
4. Identify resource inequities, which may include a review of LEA- and school-level budgeting, to be addressed through implementation of the CSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities; and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(A), 1003(i), 1111(c)(4)(B), and 1111(d)(1) of the ESSA.

### Targeted Support and Improvement

In partnership with stakeholders (including principals and other school leaders, teachers, and parents) the school shall develop and implement a school-level TSI plan to improve student outcomes for each subgroup of students that was the subject of identification (Stakeholder Involvement).

The TSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
2. Include evidence-based interventions (Planned Strategies/Activities, Annual Review and Update, as applicable). (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>.)

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B) and 1111(d)(2) of the ESSA.

## **Additional Targeted Support and Improvement**

A school identified for ATSI shall:

1. Identify resource inequities, which may include a review of LEA- and school-level budgeting, which will be addressed through implementation of its TSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities, and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B), and 1111(d)(2)(c) of the ESSA.

## **Single School Districts and Charter Schools Identified for School Improvement**

Single school districts (SSDs) or charter schools that are identified for CSI, TSI, or ATSI, shall develop a SPSA that addresses the applicable requirements above as a condition of receiving funds (EC Section 64001[a] as amended by Assembly Bill [AB] 716, effective January 1, 2019).

However, a SSD or a charter school may streamline the process by combining state and federal requirements into one document which may include the local control and accountability plan (LCAP) and all federal planning requirements, provided that the combined plan is able to demonstrate that the legal requirements for each of the plans is met (EC Section 52062[a] as amended by AB 716, effective January 1, 2019).

Planning requirements for single school districts and charter schools choosing to exercise this option are available in the LCAP Instructions.

Authority Cited: EC sections 52062(a) and 64001(a), both as amended by AB 716, effective January 1, 2019.
