## Recommended Intervention/Support/Alternative Means of Correction (AMC) & Discretionary Suspension

\*\*\*Education Code 48900.5 states that suspension may occur on the first offense only if “the pupil’s presence causes a danger to persons or property or threatens to disrupt the instructional process.”\*\*\*

\*\*\*AB 1729 requires that Alternative Means of Correction (AMC) be tried, documented, and shown to have failed before suspension is imposed\*\*\*

\*\*\* According to 34 Code of Federal Regs 300.530-537 and CA Ed Code 48915.5, students with IEPs or 504 plans have extra protections, including some limitations on suspension. Always check in AERIES and/or with school counselors to see if the misbehavior may be disability-related conduct and if support provisions are outlined in IEP or 504 plan.\*\*\*

## Guidance on the Involvement of Law Enforcement

Federal and State law require school principals or their designees to *notify* law enforcement authorities of certain acts of pupils, but not necessarily to *call* law enforcement. This protocol provides guidance to principals about when to (A) call law enforcement, (B) promptly notify law enforcement, (C) notify law enforcement in a cumulative quarterly report, (D) use the district data system within one (1) day, or (E) refer to law enforcement. This document describes state and federal law for when police must be notified.

<p><b>A. Mandatory <u>Call</u> to Law Enforcement</b></p> <p>A principal or their designee must call the police in the following circumstances:</p> <ul style="list-style-type: none"> <li>● <b>Emergency Line (911):</b> <ul style="list-style-type: none"> <li>● A person or entity inquires about a known missing child;</li> <li>● Active shooter on campus;</li> <li>● Bomb threat;</li> <li>● Sexual assault or battery (e.g., rape or child molestation) (request child advocate);</li> <li>● Medical emergency (request ambulance and/or fire department);</li> <li>● When a principal has knowledge of an incident in which a district employee was attacked or assaulted by a pupil (the employee must also promptly report the incident to police).</li> </ul> </li> </ul>
<p><b>B. Mandatory <u>Prompt Notification</u> to Law Enforcement (within the day)</b></p> <p>A principal or their designee must call the police in the following circumstances:</p> <ul style="list-style-type: none"> <li>● <b>Police Non-Emergency Lines:</b> <i><b>San Mateo:</b></i> 650-522-7700; <i><b>Foster City:</b></i> Youth Services Bureau: 650-286-3324, Non-Emergency: 650-286-3300 <ul style="list-style-type: none"> <li>○ When a principal has knowledge of an incident in which a district employee was physically threatened by a pupil (the employee must also promptly report the incident to police) (CA Education Code 44014).</li> <li>○ When an assault with a deadly weapon has occurred (if the principal intends to suspend or expel the student law enforcement must be notified prior to the suspension) (CA Education Code 48902(a), CA Penal Code 245).</li> <li>○ In order to promptly remove from campus any firearms or drugs that have been recovered.</li> </ul> </li> </ul>
<p><b>C. Mandatory <u>Notification</u> to Law Enforcement (CA Education Code 48902(b,c,d); CA Penal Code 626.9, 626.10(a))</b></p> <ul style="list-style-type: none"> <li>● The District shall submit written reports (“notification”) to the City Police or County Sheriff on a quarterly basis of the following <i>acts</i> of a pupil or non-pupil (it is <u>not required</u> that student names be included in the report): <ul style="list-style-type: none"> <li>● Possessing, selling, or otherwise furnishing a firearm on a school site (does not include imitation firearms);</li> <li>● Possession of a firearm within 1,000 feet of a school;</li> <li>● Possession of an explosive (does not include fireworks or firecrackers);</li> <li>● Possession or sale of narcotics or of a controlled substance;</li> <li>● Possession of a dirk, dagger, ice pick, or of a folding knife with a blade that locks into place;</li> <li>● Possession of a taser or stun gun;</li> <li>● Possession of a knife having a blade longer than 3.5 inches, a razor with an unguarded blade, a razor blade, or a box cutter, <i>unless approved by a certificated or classified employee for a school-sponsored activity or class;</i></li> </ul> </li> </ul>

- Possession of any instrument that expels a *metallic projectile*, such as a BB or a pellet, through the force of air pressure, CO2 pressure, or spring action, or any spot marker gun, *unless the pupil has written permission of the school principal or their designee to possess the instrument*;
- A principal or their designee must submit a written police report when there is property damage extensive enough to necessitate an insurance claim.

**D. Prompt Notification to District via District data system, ONLY IF STUDENT IS SUSPENDED (CA Education Code 48902(a,b), 48900(c,d), CA Penal Code 245))**

When a student is suspended for any of the acts listed below, within one (1) day a principal or their designee must notify the District by entering the suspension into the District data system:

- Unlawfully possessed, used, sold, or otherwise furnished a controlled substance, an alcoholic beverage, or an intoxicant;
- Under the influence of a controlled substance, an alcoholic beverage, or an intoxicant;
- Unlawfully offered, arranged, or negotiated to sell a controlled substance, an alcoholic beverage, or an intoxicant to another person *AND* actually sold, delivered, or otherwise furnished the substance.

**E. Mandatory Referral to Criminal Justice or Juvenile Delinquency System (20 USC 7961: Gun-Free Schools Act)**

The District shall submit a written referral to a criminal justice or juvenile delinquency agency of any *student* who brings a firearm, firearm muzzle, firearm silencer, bomb, grenade, rocket, missile, or mine to a school site, *but only if possession is verified by an employee of the school district*.
