Mr. Alfonso Morales, Esq., Board President  
Lynwood Unified School District  
11321 Bullis Road  
Lynwood, CA 90262

Dear Mr. Morales:

Pursuant to Education Code (EC) Section 42131, the Los Angeles County Superintendent of Schools (County Superintendent) has completed our review of the Lynwood Unified School District's (District) 2021-22 Second Interim Report. Our analysis of the data provided indicates that the District may not meet its financial obligations for the 2023-24 fiscal year. **We therefore concur with the District's qualified certification** and offer our comments and concerns below.

### LOCAL RESERVE CAP

EC 42127.01 prohibits school districts from having assigned and unassigned fund balances in excess of 10 percent in the fiscal year immediately after a fiscal year in which the amount of moneys in the Public School System Stabilization Account, also known as the Proposition 98 Rainy Day Fund, exceeds 3 percent of the combined total of General Fund revenues appropriated for school districts statewide. This provision is commonly known as the reserve cap.

**The reserve cap is operative for the 2022-23 fiscal year.** Districts will have to certify that they have complied with this requirement on the Budget Certification (Form CB) in the new SACS Web Application Software as part of the 2022-23 Adopted Budget submission. School districts identified as Basic Aid or that have fewer than 2,501 ADA are exempt from the reserve cap.

## **RE: Budget Request – Rebuild and Replace Lynwood High School**

Dear Chairs Skinner, Ting, Laird, and McCarty:

I am writing to request your support for a one time allocation of \$422 million in the 2022-23 State Budget to fund the reconstruction and rehabilitation of Lynwood High School (LHS) in the Lynwood Unified School District (LUSD).

LUSD is located in the community of Lynwood in Southeast Los Angeles and serves over 12,500 students. The students are 95% Latino, 4% African-American, and approximately 99.8% qualify for the Free and Reduced Price Lunch Program, 92.2% are socio-economically disadvantaged, and 34.4% are English Learners. LHS is the founding high school in LUSD and currently serves over 2,000 students. The current high school campus obtained original design approval from the Division of the State Architect (DSA) on June 24, 1993 and the school was completed and occupied in 1999.

On June 16, 2020, over 8 tons of soffit material collapsed from a section of exterior roofing panels at
