AND  
THE SAN MATEO-FOSTER CITY SCHOOL DISTRICT**

This agreement, made and entered into this day of \_\_\_\_\_, by and between the **City of San Mateo**, a municipal corporation existing under the laws of the State of California, hereinafter "City," and the **San Mateo-Foster City School District**, hereinafter "District."

WHEREAS, the City wants to assist the District in providing protection for school children who are required to cross heavily traveled streets in the City; and

WHEREAS, some protection can be afforded by placing crossing guards at specific locations in the City; and

The District shall select, hire, and supervise crossing guards as necessary for each of the locations shown on Exhibit A to this agreement during the hours that pupils are walking to and from nearby schools on school days during the school year. Salaries and wages shall be at rates determined by the District. The crossing guards shall be considered, and shall in fact be, employees of the District for all purposes.
2. The City agrees to reimburse District for wages and salaries paid by the District to the crossing guards for daily administrative costs incurred in providing the crossing guards so long as this reimbursement does not exceed that figure agreed to pursuant to paragraph 6 below.
3. Not later than thirty (30) days after the close of each calendar quarter, the District shall bill the City for reimbursement of the costs described in paragraph 2 above, and the City shall promptly pay the bill.
4. The City and the District shall meet during the month of March of each year during the term of this agreement to allocate the City and District portions of the crossing guard expense.
5. At any time during the term of this agreement, the District may request the City to delete or add one or more locations from or to the list attached as Exhibit A hereto. If the City determines, pursuant to California Traffic Manual section 10-08.2, that a location either should or should not have a crossing guard, the parties may amend this Agreement to add or delete a location from Exhibit A. If a location is added, the District shall promptly provide a crossing guard at that location and bill the City appropriately for the location pursuant to this agreement.

If a location is deleted, the District shall promptly remove the crossing guard and immediately cease billing for that location. During the meeting described in paragraph 4 above, the City and the District shall discuss whether any location(s) should be added or deleted.

6. For fiscal year **2022 / 2023**, the City's contribution to the District for crossing guards will not exceed \$78,000.
