LUSD Land Acknowledgement Statement

The Lynwood Unified School District acknowledges the enduring relationship between indigenous peoples and their traditional territories. We recognize that we work and learn on unceded lands of the Tongva and Gabrielino people, the traditional caretakers of Tovaangar (which today is referred to as Los Angeles County, Riverside County, parts of San Bernardino County, parts of Orange County, and the four Southern Channel Islands).

The staff at the Lynwood Unified School District is committed to dismantling the ongoing legacies of settler colonialism and challenges the erasure of indigenous communities.

Please join us in honoring these ancestral grounds by working towards partnership, reconciliation, and healing with the Tongva and Gabrielino people, the taraaxatom (Native people) and all displaced Indigenous peoples. We pay our respects to Honuukvetam (Ancestors), 'Ahihirom (Elders), and 'eyoohiinkem (our relatives/relations) past, present and emerging.

We celebrate the resilience and strength that all Indigenous peoples have shown and continue to show in our region and beyond in the face of systemic injustice.
