Re: Board Report

Good Evening Board President Mr. Alfonso Morales and the Board of Education, Superintendent Dr. Crosthwaite, Members of the Cabinet, and the Lynwood Community, my name is Carla Aguirre , and I am the Student Board Representative and a Member of ASB for Pathway Independent Study High School.

Pathway continued to have their Social Emotional Support weekend events. Students were able to engage in interactive activities and friendly competitions while others scholars worked on advancing on their school work with additional academic support. Over 25 students participated in the weekend event.

Mr. Ballinger continued to bring in different guest speakers to teach us about the importance of having dreams, setting goals and being persistent. We learned that there is no goal high enough to accomplish as long as you stay focused and put and work hard.

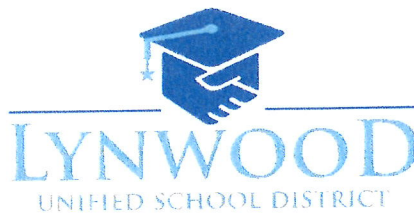

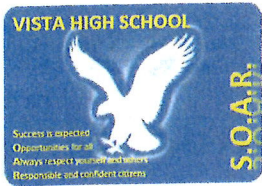

We had our Grad Night at Universal Studios with Vista High School last weekend. We had an amazing time with thrilling rides, music and food. It was a bittersweet moment with our friends.

Pathway staff celebrated our accomplishments with a Senior Brunch today. We were provided food from the Habit and engaged in fun activities. We thank everyone at Pathway for always believing in us when many had given up on us.

As of today, 27 students have enrolled for community college and 3 peers have enlisted in the military. Pathway is continuing to offer services throughout the summer for students to enroll in college and apply for financial aid.

It was an honor to represent Pathway as Student Representative. I congratulate the class of 2022 for your achievements. I wish you all the best with your future plans.

This concludes the Pathway Independent Study High School report. Thank you.

Good Evening Board President Alfonso Morales and the Board of Education, Superintendent Dr. Crosthwaite, Members of the Cabinet, and the Lynwood Community, my name is Danna Castaneda, and I am the Student Board Representative and a Member of ASB for Vista High School.

Students from the Adult Transition Program played their annual friendly basketball scrimmage game against Firebaugh's CLM students. The event was a wonderful success. Parents and staff attended the event to cheer on our team. We thank everyone that made it possible, especially Coach Ray and the Firebaugh High School for their hospitality. We hope to continue this tradition.

Testing continued to be administered at Vista. We thank all our students for their persistence and dedication. Our education is really important and these assessments help us better understand our academic progress.

Vista joined Pathway for Grad Night at Universal Studios. It was a memorable experience for all of us as we had the opportunity to hang out with our friends one last time. Thank you campus safety for providing us with the extra support when we arrived at site at 2 in the morning.

Senior Brunch was held earlier today. We had the opportunity to celebrate our journey for the last 13 years with our friends. Friendly competitions and prizes were held as well as recognitions for our achievements. This was a reality check that our journey is coming to an end and a new one awaits.

As of today 89 students have successfully completed their financial aid applications in preparation for college. This is by far the most students that have completed their financial aid in a school year beating the last record in recent years of 26 students. I am happy to see my peers taking advantage of this opportunity.

It has been a real pleasure serving as Student Board Representative. On behalf of the graduating class of 2022, I would like to thank everyone in Lynwood Unified School District for the support behind the scenes as well as those in the forefront. WE ARE LYNWOOD!

This concludes the Vista High School Report. Thank you.
